The OHIO Guarantee is a cohort based, level-rate tuition, housing, and dining model that assures students and their families a set of comprehensive rates for the pursuit of an undergraduate degree at Ohio University. These rates apply to the Athens campus only. Regional campus tuition rates are available on the Non-Guarantee Tuition page.

Tuition

Instructional Fee: This required fee covers costs associated with instruction and is a component of tuition.

General Fee: The general fee is a required component of tuition, and it provides funding for non-instructional student services. The fee is charged to every student who is enrolled in at least one class. The services and activities supported by the fee promote students' emotional and physical well-being, as well as their cultural and social development outside the classroom.

Non-Resident Surcharge: This required fee applies to all students who do not qualify for Ohio residency. It is used to fund those instructional costs the state pays for on behalf of qualifying Ohio residents.

Fee Descriptions

The Student Health Insurance : Ohio University requires all students enrolled in Athens credit hours to maintain an active health insurance policy. Students that have an existing health insurance policy that meets the University waiver requirements may complete a waiver application to remove the charge for the University Student Health Insurance. (<https://www.ohio.edu/student-insurance>)

Student Legal Service Fee: Visit <https://www.studentlegalrights.org/> for more information.

Digital Materials: Inclusive Access gives students enrolled in participating courses access to their digital content on the first day of class at a significantly lower price than printed materials. Students who wish to opt out, must do so before the last day to remove (drop) a class. (<https://www.ohio.edu/oit/services/teaching/digital-course-materials>)

2016-17 undergraduate admitted students who are enrolled in Athens classes Summer 2016 will be assessed The OHIO Guarantee rates for 2015-16 for Summer 2016 only.

Course fees for a small number of high-cost programs or activities are assessed beyond or in addition to level-tuition and fees (e.g. assessed due to travel or costs that exceed a pre-determined amount for aviation or equine studies courses). Course fees can be found on Course Offerings.

Fees for study abroad and domestic travel (e.g. flight costs, activity fees, etc.) are not part of The OHIO Guarantee; however, the instructional and general fees are included in The OHIO Guarantee for these programs.

*These rates have been approved by the Ohio University Board of Trustees and are subject to change pending tuition limitations by the Ohio General Assembly. Ohio University reserves the right to make, without prior notice, any fee adjustments that may become necessary.
