

## UCC Program Review Committee Summary of Review

**Program:** Professional Deaf Resources Liaison Certificate

**Date of last review:** N/A

**Date of this review:** AY 2023-2024

The following programs were included in this review:

- Professional Deaf Resources Liaison Certificate

**Recommendation:** This certificate program is found to be viable with the exemption granted and future review should be included in the Communication Sciences and Disorders Program Review.

*Note:* This certificate was reviewed independently of the Hearing, Speech, and Language Sciences programs because it was granted an exemption in 2021, allowing the certificate's admission prerequisites to be required.
