Your 2023-2024 Free Application for Federal Student Aid (FAFSA) states that you (and/or your spouse) **did not** file a 2021 federal tax return (1040) and were not required to do so. Students and/or their spouse who were required to file a federal tax return based on their income, must file and submit the appropriate tax document.

If you (and/or your spouse) were not required to file a federal tax return, you are required to request the Verification of Nonfiling Letter from the IRS. For instructions on how to request the document please click on the Student Non-Filer IRS Letter item on your Student Services Center To Do list.

If you have requested the Verification of Nonfiling Letter for you (and/or your spouse) and have not received a response within 15 calendar days from the IRS, complete Section A and Section B.
