
RESIDENCY

Applicants must indicate the proper state of residence at the time of application. For information about residency status for tuition purposes at Ohio University, visit www.ohio.edu/admissions/residency.

INFORMATION FOR APPLICANTS WITH DISABILITIES

Services are available for students with diagnosed documented disabilities. Students are encouraged to contact Disability Services/Office for Institutional Equity at least five months prior to beginning classes to ensure specific accommodations are met. For more information, please visit the Disability Services Website at www.ohio.edu/disabilities, or call 740.593.2620 (V) or 740.593.0193 (TTY).

MAJOR CODE LIST

MAJOR CODE PREFIXES

The two-letter prefix of each major code indicates the type of degree awarded in that major. In some cases, it indicates that an additional application process is required for admission to the major.

AA Associate in Arts	BC Bachelor of Science in Communication	ND Nondegree or undecided program (sometimes used to indicate that a pre-major program is required prior to direct admission to the major)
AAS Associate in Applied Science	BF Bachelor of Fine Arts	SA Additional action required
AS Associate in Science	BJ Bachelor of Science in Journalism	
BA Bachelor of Arts	BM Bachelor of Music	
BB Bachelor of Business Administration	BS Bachelor of Science	

COLLEGE OF ARTS AND SCIENCES

Some of the majors in this college have two major codes. In general, with these majors you have the option of choosing a degree program that is oriented either more toward the sciences (BS) or toward the liberal arts (BA). Details on the differences can be found in the College of Arts and Sciences section of the Undergraduate Catalog. You may want to consult with an admissions advisor or a college representative about which option is more suitable for you.

Footnotes

1. Not open to transfer students.

2. This program leads to a Bachelor of Sport Science degree.

3. Selective admission program. Upon successful completion of the preparatory program requirements, you must complete a separate application for the major program and admission is not guaranteed.

4. Transfer applicants must follow the additional application process outlined on this school or department's website.

5. Students admitted to this program must complete a separate application process during your first year of study before you will be eligible to register for any major-specific courses.

6. Selective admission program. This program leads to a Bachelor of Fine Arts degree.

7. Selective admission program. Upon successful completion of the preparatory program requirements, you must pass the portfolio review at the end of the freshman year to continue as an Interior Architecture major.

8. This program leads to a Bachelor of Arts degree.

9. Selective admission program. This program leads to a Bachelor of Music degree.

10. Selective program. Freshmen apply for full admission at the end of their first year. Transfers refer to instructions.

11. This pre-professional program does not fulfill any degree but is intended as preparation for admission into a professional school or program.

12. You must complete the Pre-Social Work Program and submit a separate application before you can become a social work major.

13. Not open to first-year students. Selective admission doctoral program. Major in a preparatory program such as Biological Sciences/Pre-Physical Therapy or Psychology/Pre-Physical Therapy in the College of Arts and Sciences, or Exercise Physiology in the College of Health Sciences and Professions. You must apply for the doctoral program through the School of Physical Therapy.

14. Undergraduate program in this area available only through HTC.

15. In general, the B.A. option provides a curriculum that is more liberal arts-oriented. You may want to consult an admissions advisor or a college representative regarding which option is more suitable for you.

16. Separate application required. Applicants must consult with a University College advisor or regional campus Student Services staff.

17. Requires an associate's degree in an area related to criminal justice for admission. Not open to first-year students.

18. Not open to first-year students.

19. Students may remain undecided until they have earned 45 semester hours of credit. Transfer applicants are strongly encouraged to select a major program of study.
