Although the standard Ohio University application only allows application to one program, Honors Tutorial College applicants may apply for up to three programs of study. Note: Only apply for a program if you are seriously interested in pursuing that field of study. Applying for more than one program does not increase your chances of being accepted into the Honors Tutorial College. Honors Tutorial College does not offer an undecided option. All applicants must apply and be admitted to a specific program of study.

HONORS TUTORIAL COLLEGE PROGRAM(S) TO WHICH YOU ARE APPLYING:

(Please note: This choice of program must match your choice on page 5. If you are applying to Media Arts and Studies, please indicate which track you wish to pursue.)

Essay Questions

Please respond to each of the questions below on a separate piece of paper. Be sure to include your full name and social security number on each page.

Your responses to these questions will be considered by all individuals involved in the Honors Tutorial College admission process. What and how you communicate are important in helping us determine if a tutorial education is the best fit for you. While it is acceptable to ask someone to review your answers for feedback, the writing and ideas should be your own.

1. Please explain fully why you have chosen your particular program(s) of study.
2. We expect that one of the reasons you may seek a tutorial education is for the one-on-one interaction with faculty, but other than that, what interests you about pursuing a tutorial-based undergraduate education? What aspects of your education and life experience have prepared you for a tutorial education?
3. What else would you like us to know about you that may not be reflected in the admission materials that you have submitted?

Statement of Integrity: I understand that I am responsible for submitting complete and accurate information on my application form and in all related application materials. I certify that the information contained in this application form and in all application materials is complete and accurate, and I understand that submission of inaccurate information by me or at my direction may be sufficient cause for terminating my enrollment.
