Forever Buckeye Residency Application For All Campuses of Ohio University

The State of Ohio has established a new residency provision called "Forever Buckeye." This provision, effective September 30, 2011, extends the in-state tuition rate to Ohio high school graduates who have the current legal status to remain permanently in the United States, who had left Ohio but who return to enroll in an Ohio public institution of higher education *and* who establish permanent domicile in Ohio by the 1st day of classes of the requested term.

Terms of this Agreement

1. In-state fees will be assessed for courses taken on any of Ohio University's campuses and centers.
2. If approved for in-state fees under this agreement and you currently receive federal financial assistance, the amount of that aid will be adjusted to reflect the change in your tuition charges.
3. Should you concurrently enroll in Ohio University and another post-secondary school and receive financial assistance other than scholarships, you *must* inform the financial aid offices at each institution of your concurrent enrollment. Failure to do so can result in significant penalties if you are awarded federal financial aid.
4. To ensure appropriate billing, this form must be filed two weeks before the start of the term for which in-state tuition is being sought. **Forms received on or after the first day of the term will be processed for the following term.**

Procedure

To be considered for in-state fees under the terms of Forever Buckeye, please provide the following:

1. An official copy of your Ohio high school transcript or verification of your graduation on the high school's letterhead stationery. The high school graduation date must be within 10 years of the term that the student is applying to qualify for in-state tuition. Students who received a GED or who were homeschooled will not qualify under this provision. (**Note:** a copy of your high school diploma **is not** sufficient proof of high school graduation)
2. A copy of a lease, mortgage statement or housing contract documenting that you have established permanent domicile in Ohio prior to the first day of the academic term for which you have applied for Forever Buckeye.
3. **If you are not a U.S. citizen**, you must attach a copy of supporting documents establishing your current immigration or Visa status. You must be a United States citizen, Permanent Resident Alien, Political Asylee, Political Refugee, or hold an A, E, G, H, I, L, O, P, R, TC, TD or TN visa to be eligible for review as an in-state resident for tuition purposes. Students who hold a B, F, J, or M visa are not eligible to apply for residency under the Forever Buckeye provision unless they are legal dependants of a person who holds a qualifying status.
