Serving the common good by assuring and advancing the quality of higher learning

February 17, 2009

President Roderick J. McDavis
Ohio University
108 Cutler Hall
Athens, OH 45701

Dear President McDavis:

This letter is formal notification of the action taken concerning Ohio University by The Higher Learning Commission. At its meeting on February 9, 2009, the Institutional Actions Council (IAC) voted to continue the accreditation of Ohio University through the Academic Quality Improvement Program, and to adopt any new items entered on the attached Statement of Affiliation Status (SAS). The Commission Board of Trustees validated the IAC action through its validation process concluded on February 17, 2009. The date on this letter constitutes the effective date of your new status with the Commission.

I have enclosed your institution's *Statement of Affiliation Status (SAS)* and *Organizational Profile (OP)*. The *SAS* is a summary of your organization's ongoing relationship with the Commission. The *OP* is generated from data you provided in your most recent, (2007-08) Annual Institutional Data Update. If the current Commission action included changes to the demographic, site, or distance education information you reported in your Annual Institutional Data Update, we have made the change on the *Organizational Profile*. No other organizational information was changed.

The attached *Statement of Affiliation Status* and *Organizational Profile* will be posted to the Commission website on Monday, March 9. Before this public disclosure however, I ask that you verify the information in both documents, and inform Stephen D. Spangehl, your staff liaison, before Friday, March 6, of any concerns that you may have about these documents. Information about notifying the public of this action is found in Chapter 8.3-3 and 8.3-4 of the *Handbook of Accreditation, Third Edition*.

Please be aware of Commission policy on planned or proposed organizational changes that require Commission action before their initiation. You will find the Commission's change policy in Chapter 7.2 of the *Handbook of Accreditation*. Please review it with care. I recommend that if you have any questions about how planned institutional changes might affect your relationship with the Commission, that you write or call Stephen D. Spangehl.

On behalf of the Board of Trustees, I thank you and your associates for your cooperation.

Sincerely,

Sylvia Manning
President
