commitment
leadership development
for organized student groups

personal development - team dynamics - build your vision

Now Scheduling for Winter '08

www.ohio.edu/campuslife

Introducing a new and innovative leadership development program designed for your organization!

The iLead Commitment is a leadership development program for organized student groups at Ohio University. This program is designed for students to learn and practice leadership skills and actively engage the members and leaders of their organization. Through cultural assessments and objective observations, our team works with your group to determine where improvements can be made to help the organization and its members better fulfill its mission. The experience is completed within an interactive two-part workshop by members of the Amanda J. Cunningham Leadership Center staff and a three hour low challenge course program implemented by the Department of Campus Recreation, devoted to the needs of your organization.

The iLead Commitment is designed for 15 members from your organization to participate.

Space is limited. Learn more or apply today at www.ohio.edu/campuslife!

New Online Volunteer Website

Students can use this website portal that provides you with a direct connection to volunteer opportunities that match your interest, skills and the common desire to make a difference. Non-profit organizations use the system to more efficiently promote their organization and its volunteer opportunities and to recruit, communicate with, and track volunteers.

Register Today!!

Go to www.ohio.edu/communityservice

Follow link : [Volunteers:Find an Opportunity](#)

After you have registered you will be able to access volunteer information, receive emails about up coming volunteer opportunities and more!
