

## **OU SERVICE AMABASSADORS**

### ***Be the impact in your local Community!***

The OU Student Service Ambassadors club affords OU students the opportunity to learn more about the city of Athens, Appalachian culture and the service needs in the county. Membership will allow you to play a positive role in your community by:

- Becoming knowledgeable about the issues around poverty and food insecurity
- Learning how to become a “conscientious” community citizen
- Training other students in the areas of Athens & Appalachian culture
- Partnering with organizations to increase their service capacity to the community
- Leave Athens better than you found it.

Become an Ambassador today!
