CORPORATE PARTNERSHIPS

The Corporate Partnership offers a monthly discount when one of the three options occur:

- 1.) **30% OF EMPLOYEES JOIN WITH A MINIMUM OF 4:** When a given company has 30% or more of their employees join and at least 4 memberships, they are entitled to receive the monthly discount.

EXAMPLE: XYZ Corp. has 10 employees; and though 30% would mean 3 memberships, they must have a minimum of 4 memberships to qualify for the Partnership discount.

- 2.) **MINIMUM OF 50 EMPLOYEES JOIN:** When a large company of say, 500 employees, wants to establish a Partnership they only need to have 50 employees join to receive the discount.
- 3.) **MATCHING FUND PROGRAM:** Any company willing to match our set Corporate Partnership discount of \$5.00 or better, will receive our Corporate Partnership discount. A minimum requirement of four (4) memberships must be established.

MEMBER TYPE	CURRENT MONTHLY FEE	CORPORATE PARTNERSHIP DISCOUNT	MINUS CORP. MATCHING FUND	JOINING FEE

FAMILY (Married, children 14-18)	\$74.00	\$69.00	\$64.00*	\$75.00

*This represents your employee's out-of-pocket expense after Matching Fund discounts are applied.

"The evidence pointing to the success of fitness programs in improving employee health practices, reducing medical and disability costs, and improving productivity is indisputable."
