Re: "Resolution on Intercollegiate Athletic Funding Sustainability"
Date: July 12, 2010

The issues raised by this resolution are largely outside my purview. I have discussed the resolution with President McDavis. He is aware of the concerns expressed by Faculty Senate, many of which were raised in the recent report from the Knight Commission: "Restoring the Balance: Dollars, Values, and the Future of Collegiate Sports." He understands the significance of the issues raised and hopes to make steady progress on creating a successful and sustainable approach to Intercollegiate Athletics at Ohio University.
