Re: "Resolution on Shared Governance in Intercollegiate Athletics"
Date: July 12, 2010

The issues raised by this resolution are largely outside my purview. The nature of the recommendations made in the resolution suggests that it is best suited to be discussed by the Committee on Committees after seeking recommendations from the Intercollegiate Athletics Committee (IAC). I recommend that in your capacity as the chair of the Committee on Committees that you work with IAC to obtain their input. The resolution provides a number of suggestions that deserve to be discussed more broadly.
