Department/School Info

College: A&S(null)

Department: ENG(English)

Mission: The English Department's central mission and goal, both at the undergraduate and graduate levels, is to study and teach the history, forms, theory, and practices associated with the production and reading of texts written in English, especially those presenting persuasive, artistic, and imaginative evocations of human experience. It is equally our goal to help students develop an expertise for interpreting and responding to such texts. The Department's programs and course work prepare students for diverse futures in a global economy by introducing them to the critical skills requisite for reading, researching, analyzing, writing, and teaching a wide range of printed, electronic, and visual textual materials.

Exceptions - Non Three Hour Lecture

The Ohio University Faculty Senate Resolution on the Number of Semester Hours per Course and Course Meeting Times for Quarters to Semesters (<http://www.ohio.edu/facultysenate/upload/CourseHourTimeResolutionfinal4-2009.doc>) resolved that, as a norm, undergraduate lecture courses on the Athens Campus shall be 3 semester hours and that exceptions to these norms will be allowed on the basis of pedagogical justification specific to a course or course sequence.

Three-hour courses are important for balancing student schedules, and three lecture hour per week blocks are important for classroom utilization. It is understood that there are special cases where the 3-lecture hour course norm does not apply, sometimes for categories of courses (recitals or band), sometimes for disciplinary standards, and sometimes for other reasons.

For the semester courses taught by your department that do not meet the 3 lecture hour norm, give a brief explanation of why the norm was not followed and/or what circumstances make these deviations from the norm not create a problem with classroom scheduling or student schedules. (Notes: Categories of courses can be addressed as a group rather than individually. If you are using a 'disciplinary standard' argument, please make comparisons to Ohio Schools on semesters or to Ohio University peer schools on semesters. If you are using a block scheduling approach, please list the courses that will be block scheduled and identify the semester(s) where the block scheduling applies.)
