### Department/School Info

**College:** A&S(null)

**Department:** INTS(International Studies)

**Mission:** Knowledge of the interdependent world in which we live and work is essential to all citizens. The Bachelor of Arts in International Studies degree offers 5 interdisciplinary Arts and Science majors which seek to prepare students to develop global competence. This involves understanding other peoples and societies well enough to work effectively with them on a broad range of common problems. The degree encourages breadth and depth of language study and calls for the education and training of persons who are knowledgeable of history, world views and cultures other than their own. Our students are well equipped for careers with non-governmental and governmental organizations, multinational corporations, and think tanks, as well as to pursue graduate degrees in related fields.

#### Exceptions - Non Three Hour Lecture

The Ohio University Faculty Senate Resolution on the Number of Semester Hours per Course and Course Meeting Times for Quarters to Semesters (<http://www.ohio.edu/facultysenate/upload/CourseHourTimeResolutionfinal4-2009.doc>) resolved that, as a norm, undergraduate lecture courses on the Athens Campus shall be 3 semester hours and that exceptions to these norms will be allowed on the basis of pedagogical justification specific to a course or course sequence.

Three-hour courses are important for balancing student schedules, and three lecture hour per week blocks are important for classroom utilization. It is understood that there are special cases where the 3-lecture hour course norm does not apply, sometimes for categories of courses (recitals or band), sometimes for disciplinary standards, and sometimes for other reasons.

For the semester courses taught by your department that do not meet the 3 lecture hour norm, give a brief explanation of why the norm was not followed and/or what circumstances make these deviations from the norm not create a problem with classroom scheduling or student schedules. (Notes: Categories of courses can be addressed as a group rather than individually. If you are using a 'disciplinary standard' argument, please make comparisons to Ohio Schools on semesters or to Ohio University peer schools on semesters. If you are using a block scheduling approach, please list the courses that will be block scheduled and identify the semester(s) where the block scheduling applies. )

**Reason:** All language courses listed under INTS A&S will follow the path of language courses taught through Linguistics, meeting four times per week. This is why there are four contact hours. For pedagogical reasons, these language classes need to meet more than three hours a week because of how vastly different the tonal qualities and formats of writing are from English.
