### Exceptions - Non Three Hour Lecture

The Ohio University Faculty Senate Resolution on the Number of Semester Hours per Course and Course Meeting Times for Quarters to Semesters (<http://www.ohio.edu/facultysenate/upload/CourseHourTimeResolutionfinal4-2009.doc>) resolved that, as a norm, undergraduate lecture courses on the Athens Campus shall be 3 semester hours and that exceptions to these norms will be allowed on the basis of pedagogical justification specific to a course or course sequence.

Three-hour courses are important for balancing student schedules, and three lecture hour per week blocks are important for classroom utilization. It is understood that there are special cases where the 3-lecture hour course norm does not apply, sometimes for categories of courses (recitals or band), sometimes for disciplinary standards, and sometimes for other reasons.

For the semester courses taught by your department that do not meet the 3 lecture hour norm, give a brief explanation of why the norm was not followed and/or what circumstances make these deviations from the norm not create a problem with classroom scheduling or student schedules. (Notes: Categories of courses can be addressed as a group rather than individually. If you are using a 'disciplinary standard' argument, please make comparisons to Ohio Schools on semesters or to Ohio University peer schools on semesters. If you are using a block scheduling approach, please list the courses that will be block scheduled and identify the semester(s) where the block scheduling applies. )

**Reason:** Due to disciplinary standards (i.e., accreditation standards; American Red Cross standards) the following deviations from the norm were submitted. This will not create a problem with classroom scheduling and student schedules. COED 3403-3618: Athletic Officiating and Coaching of Courses are mirrored at the University of Akron; West Virginia University; Indiana University; Pittsburg State University; Kent State University (Ohio Schools on semesters and O.U. peer schools on semesters). PESS 1000: Required for first year students participating in a sport (NCAA) PESS 2180 & PESS 3800: Lifeguard Training and Lifeguard Training Instructor: mirrored at peer institutions in OH on semesters and O.U. peer schools on semesters (refer to universities identified above). PETE 1260, PETE 2020, PETE 2400, PETE 2401, PETE 3090, PETE 3330: NCATE/NASPE accreditation standards and mirrored at NCATE/NASPE Ohio Schools on semesters and O.U. peer schools on semesters. REC 1132-4500: Natural resources learning classes (land, snow, water based) and "campus recreation" courses are mirrored at semester schools such as: Un. of Utah, Green Mountain College West, Virginia University, and Indiana University.

Note: PESS 2270- must be moved to the College of Health Sciences and Professions- EXPH
