Executive VP & Provost
Cutler Hall

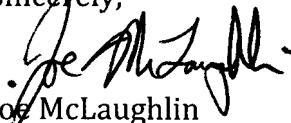

Dear Pam,

On June 17, Provost Krendl wrote to request an extension on six outstanding Faculty Senate resolutions. Our Bylaws (4f) indicate that should the Provost fail to respond within 60 days of the resolutions passage, the resolution will be considered signed and will go into effect."

Provost Krendl indicated that President McDavis wanted you to participate in discussions and decisions regarding these resolutions.

After discussions with the Faculty Senate Executive Committee, we will grant an extension until July 31, 2009 as requested. As I indicated in an email response on June 24, I would be happy to work with you to provide background information on these resolutions or facilitate a conversation with the chairs of the committees that proposed specific resolutions.

Sincerely,

Joe McLaughlin
