On your 2012-2013 Free Application for Federal Student Aid (FAFSA), you indicated you have a legal dependent(s) (other than a spouse) who receives more than half of his or her support from you and who will continue to receive this support through June 30, 2013. Because of this, your application was processed as an "independent" student.

Additional information is needed to document your dependency status. Please answer the following questions regarding your living situation and financial support. Documentation may be requested of the information you provide.

Who financially supports you (the student)? _____

Who supports your legal dependent(s)? _____

Where do you live, with whom, and for how long? _____

If someone else assists you in supporting your dependent(s) or someone else is living in your household, please state what percentage of support you and the other party (if applicable) provide to your dependent(s). **Percentages must total 100% and must not be 50/50.**

You: _____ Other Party (i.e. parent/significant other): _____

You must also complete the enclosed Family/College Form and return it to our office. If someone else is supporting you and/or your legal dependent(s), parental information will be requested and used to determine your financial aid eligibility.
