Dear Prospective Member:

Thank you for your interest in Graduate Student Senate. The Graduate Student Senate is composed of members who are elected and appointed from each school, college and department at Ohio University. In order to serve as a member of GSS, you must be a full-time graduate student on the Athens campus and be in good academic standing.

The Graduate Student Senate is recognized by the Ohio University Board of Trustees as the official representative body of graduate students at Ohio University. We represent the voice of the graduate student population and recommend actions on their behalf to the University and community. Additionally, Graduate Student Senate strives to keep the graduate student body informed of all issues relevant to their student experience. We receive student complaints, investigate problems and concerns, and work toward their timely resolution. Other important tasks of GSS include providing academic and administrative programs, service opportunities, and community activities for the graduate student body. We hold regular, public meetings throughout the academic year and provide a forum in which graduate students can discuss and act upon issues important to their quality of life and education at Ohio University. This year we are excited to be working with the Ohio University Student Senate, International Student Union, Graduate Council and other organizations on projects, issues and activities that will benefit all students at our institution.

Below you will find an official application form that must be completed and returned to the GSS office (302 Baker Center) as soon as possible. Thank you again for your interest and we look forward to working with you soon! Should you have any questions, please feel free to contact us at gss@ohio.edu.

Sincerely,

Tracy Kelly
2009-2010 President,
Ohio University Graduate Student Senate
