

4. What is your current timetable for researching, writing, and revising your project?

Please attach a preliminary bibliography for your project and a recent writing sample to this form.

Please read the following and sign below as an indication that you understand and accept the criteria established for the awarding of Departmental Honors in History.

Criteria for the Awarding of Departmental Honors:

Departmental Honors will be awarded if students accepted for admission in the program meet the following criteria.

- Continue to maintain a 3.5 g.p.a. overall and in the major.
- Turn in progress reports on the project to the supervising faculty member and the Coordinator of Departmental Honors prior to the beginning of finals in Fall Quarter and Winter Quarter. **Students will not be permitted to continue in the Honors Program if the reports do not demonstrate satisfactory progress on the project or are not turned in by the deadlines indicated.**
- Complete an Honors project that demonstrates excellence in its conception, research, and writing. The project must be certified as being of sufficient caliber by both the supervising faculty member and the Coordinator of Departmental Honors. Their judgment on the matter of quality is not subject to appeal.
- The Honors project must be completed and submitted to the faculty member and the Coordinator of Departmental Honors **two weeks prior** to the beginning of final examinations in Spring Quarter.
