

RLC Community Information

From the Reel World to the Real World

Do movies imitate life or does life imitate movies? This RLC will make use of movies to increase understanding of human nature and cultures. Participants will explore individual and societal values as well as cultural and personal identities.

Pop Culture

This RLC explores the elements of society that express and define our popular culture, including music, film, advertisements, print media, and television. Participants will discuss the influence that media has on our popular culture and how it shapes individuals, groups, and society as a whole. Activities will encourage students to examine and analyze popular culture while connecting this influence to decisions made while in college and beyond.

Sports in Society

This RLC will explore societal issues using sports as a medium. Participants will examine the roles that athletics and recreation play in our lives using a variety of resources. You don't have to be a sports aficionado to enjoy this community – you only need an interest in how our culture is affected by them.
