- **Universality of Islam**: God says: "We have sent you (Muhammad) as a mercy for **all nations**" (*Quran 21:107*).  

"Whoever oppresses any non-Muslim, I shall be his prosecutor on the Day of Judgment." (*Muhammad*).
- **Jihad** means any effort in the path of God. Constant struggle against the evil desires within oneself is Jihad.
- ❖ If an Islamic state is attacked, it is the duty of all Muslims to defend themselves from the attack. This is Jihad.
- ❖ Jihad is never meant to force anybody to choose a particular religion. An unjust effort or war cannot be called Jihad.

# Women's Rights

- Women's rights and honor are not always respected -- rape, murder, frequent divorce, domestic violence, single parent homes, low moral and family values, abortion, prostitution, drugs, loss of peace in society, etc....still exist.
- Women dare not walk on a dark street or even across an empty parking lot alone.
- <http://www.letswrap.com/dvinfo/stats.htm>

- **Protection of Women's Honor**: "...who launch a charge against women...produce **four** witnesses..." (*Quran 24:4*).
- ❖ **Muhammad said**: "...treat your women well and be kind to them for they are your partners and committed helpers".
- ❖ "The best of you are those who are kindest with your wives"
- ❖ "...generous who are good to women, and...wicked who insults them".

# Status and Responsibility of Women in Islam...2

- **Status of Mother**: “A man asked Muhammad: 'Whom should I honor most?' The Prophet replied: '**Your mother**'. 'And who comes next?' asked the man. The Prophet replied: '**Your mother**'. 'And who comes next?' asked the man. The Prophet replied: '**Your mother!**' 'And who comes next?' asked the man. The Prophet replied: '**Your father**'”
- **Marriage**: “...He created for you mates from among yourselves... dwell in tranquility with them and He has put **love and mercy** between your hearts...” (*Quran 30:21*).
- **Independent Identity**: A married woman in Islam retains her independent **legal personality** and her family name. She is *not* the property of her husband in any way!

# Status and Responsibility of Women in Islam...3

**Wife's Property**: From the 7th century, a woman does not need to present gifts (dowry) to attract potential husband.

- The groom must present the bride with a marriage gift. The bride retains her marriage gift even if she is later divorced.
- She is never obliged to act as a co-provider for the family unless she herself voluntarily chooses to do so.

**Divorce**: Islam discourages divorce, yet recognizes the rights of *both* partners to end their matrimonial relationship.

- "Live with them on a **footing of kindness and equity...**" (*Quran 4:19*).
- "A believing man must not hate a believing woman. If he dislikes one of her traits he will be pleased with another". (*Muhammad*).

# Status and Responsibility of Women in Islam...4

**The Veil**: "O Prophet, tell your wives and daughters and the believing women that they should cast their outer garments over their bodies so that they should be known and not molested" (*Quran 33:59*).

- **Islamic veil** is a means of protection from unwanted attention.

# Polygamy

**Polygamy in the West:** Serial polygamy: marriage, divorce, marriage, divorce, etc; a married man with one or more girlfriends; an unmarried man with a number of girlfriends.

- Polygamy addresses orphans and widows in society.
- **Billy Graham**, the Evangelist said: “Islam has permitted polygamy as a **solution to social ills**... Christian countries make a great show of monogamy, but actually they practice polygamy.... Islam is a fundamentally honest religion...”
- Many non-Muslim and *Muslim* countries have outlawed polygamy. Cheating on the wife or using women without taking responsibility are common.
- *Is the law designed to reward deception and punish honesty?*

Nearly 4 out of 5 who accepted Islam in the USA are **Women**.

# Some Famous Quotes About Muhammad

- ❖ Bernard Shaw (British philosopher): "... the Savior of Humanity.....if a man like him were to assume the dictatorship of the modern world, he would succeed in solving its problems..." (*The Genuine Islam*).

- ❖ Michael Hart: "My choice of **Muhammad** to lead the list of the world's most influential persons...he was supremely successful on both the religious and secular levels." (*The 100: A Ranking Of The Most Influential Persons In History*).

# The Rational Choice

- ❖ Study different religions, compare them, and then make a **rational choice**.
- ❖ **Islam is the final religion of mankind till the last day of this world**. God says: “We have sent you (Muhammad) as a mercy for all nations” (*Quran 21:107*).
- ❖ “I (God) have **perfected your religion** for you...have chosen for you Islam as your religion” (*Quran 5:3*).
- ❖ People often say that Islam spread by ‘the sword’. This is not true. There is no mention of the word ‘**SWORD**’ in the whole Quran. Only a few preachers went to Indonesia. Today it is the largest Muslim country.

## The Rational Choice...2

- ❖ There is not a single TV, Radio Station or a national newspaper owned or controlled by the Muslims in the USA. Islam is still the fastest growing religion in USA & Europe.
- ❖ Those who accept Islam include priests, bishops, doctors, engineers, businessmen, writers, scientists, scholars, celebrities, inmates, and 'ordinary' people including a large percentage of **women**.
- ❖ Muslim communities are growing in every city with over 4,000 mosques in USA and Canada alone.
