Hello,

My name is Flat Stanley and I spent my vacation with Kali Kohler’s family in Jacksonville, Ohio. I went to visit Kali’s Uncle Eric, Aunt Rachel and Cousin Holten. They live in Jacksonville. Jacksonville is a small village in Southeastern Ohio. It’s in Athens County.
Kali’s Cousin Holten attends pre-school at Trimble Elementary school in the Trimble Local School District. Here are a couple of pictures of me attending Holten’s pre-school.

Uncle Eric and Aunt Rachel both work at Ohio University’s Heritage College of Osteopathic Medicine (http://www.oucom.ohiou.edu/) in Athens, Ohio. Athens is home to Ohio University (www.ohio.edu). O.U. was founded in 1804.
It was one of the first universities established in the Northwest Territory, and was the first university in Ohio. The Athens campus enrolls more than 21,000 students, who come from nearly every state and approximately 100 nations.

Here is a picture of me outside of the Convocation Center on the campus of Ohio University. The Convocation Center is a very large building where O.U. holds their graduation ceremonies. It is also home to O.U.’s men’s and women’s basketball games.
Here is another photo of me outside of Peden Stadium. It is the home stadium of the Ohio Bobcat’s football team.
Here is a picture of Uncle Eric and me outside of the first building that was built on the University’s Campus. It was the home of O.U. President Jacob Lindley. It’s is now the Ohio University Visitor’s Center.

In addition to seeing the O.U. campus, I got to go golfing at the golf course.
Not all of my vacation was spent on fun and sight-seeing. There was some work as well. We had to go to the hardware store and buy a new 30 amp breaker to fix the hot water tank. If the hot water tank is broken, then nobody can take a hot shower. If nobody can take a hot shower, then Uncle Eric smells like a wet monkey.

We went to Subway for lunch after visiting the hardware store. If Uncle Eric misses lunch then he’s grumpy…. and he still smells like a wet monkey.

Thanks for reading my letter.

Sincerely,

Flat Stanley
