EXAM
Procedure

• Last name only on the blue scantron sheet, unless, two or more of you have the same last name

• Enter a personal ID number of your choice under columns F,G,H, and I

• Put your name on the white question sheets. Use these sheets to perform your calculations, etc. Also, mark your answers on these sheets before transferring them to the blue sheets, to avoid erasures on the blue sheets.

• Do not use ink.

When you finish the test, hand to Dr. Herman the:
• white question sheets
• blue answer sheets
• equation sheets
