**For Good - From Wicked**

**Verse One**

I've heard it said  
That people come into our lives for a reason  
Bringing something we must learn  
And we are led  
To those who help us most to grow  
If we let them  
And we help them in return  
Well, I don't know if I believe that's true  
But I know I'm who I am today  
Because I knew you

**Chorus**

Like a comet pulled from orbit  
As it passes a sun  
Like a stream that meets a boulder  
Halfway through the wood  
Who can say if I've been changed for the better?  
But because I knew you  
I have been changed for good

**Verse Two**

It well may be  
That we will never meet again  
In this lifetime  
So let me say before we part  
So much of me  
Is made of what I learned from you  
You'll be with me  
Like a handprint on my heart  
And now whatever way our stories end  
I know you have re-written mine  
By being my friend...

**Chorus**

Like a ship blown from its mooring  
By a wind off the sea  
Like a seed dropped by a skybird  
In a distant wood  
Who can say if I've been changed for the better?  
I do believe I have been changed for the better  
And because I knew you  
I have been changed  
For good.      Oooo

Middle School Performers must be in the choir room at 1:40 –DON’T BE LATE!
There's a place in your heart
And I know that it is love
And this place could be much
Brighter than tomorrow.
And if you really try
You’ll find there's no need to cry
In this place you'll feel
There's no hurt or sorrow.
There are ways to get there
If you care enough for the living
Make a little space, make a better place.

Chorus:
Heal the world
Make it a better place
For you and for me and the entire human race.
There are people dying
If you care enough for the living
Make a better place for you and for me.

If you want to know why
There's a love that cannot lie
Love is strong
It only cares for joyful giving.
If we try we shall see
In this bliss we cannot feel
Fear or dread
We stop existing and start living
Then it feels that always
Love's enough for us growing
Make a better world, make a better world.

Chorus:
Heal the world
Make it a better place
For you and for me and the entire human race.
There are people dying
If you care enough for the living
Make a better place for you and for me.

Chorus(2x)

Bridge:
And the dream we would conceived in
Will reveal a joyful face
And the world we once believed in
Will shine again in grace
Then why do we keep strangling life
Wound this earth, crucify it's soul
Though it's plain to see, this world is heavenly
Be God's glow.

We could fly so high
Let our spirits never die
In my heart I feel
You are all my brothers
Create a world with no fear
Together we'll cry happy tears
See the nations turn
Their swords into plowshares
We could really get there
If you cared enough for the living
Make a better place for you and for me.

Chorus:
Heal the world
Make it a better place
For you and for me and the entire human race.
There are people dying
If you care enough for the living
Make a better place for you and for me.

Chorus(2x)

There are people dying if you care enough for the living
Make a better place for you and for me.
There are people dying if you care enough for the living
Make a better place for you and for me.

You and for me / Make a better place
You and for me / Heal the world we live in
You and for me / Save it for our children

• If I Only Had a Brain
• From The Wizard of Oz
• I could while away the hours
• Conferin’ with the flowers,
• Consultin’ with the rain
• And my head, I’d be scratchin’
• While my thoughts were busy hatchin’
• If I only had a brain.
• I’d unravel every riddle
• For any individual
• In trouble or in pain.
• With the thoughts I’d be thinkin’
• I could be another Lincoln,
• If I only had a brain.
• Oh I could tell you why
• The ocean’s near the shore
• I could think of things I never thunk before
• And then I’d sit
• And think some more
• I would not be just a nuffin’
• My head all full of stuffin’
• My heart all full of pain.
• And perhaps I’d deserve you
• And be even worthy erv you,
• If I only
• Had a brain.

Oh, say, can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming?
Whose broad stripes and bright stars, thro' the perilous fight,
O'er the ramparts we watch'd, were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof thro' the night that our flag was still there.
O say, does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?
