Subject: Division of Duties of Associate Provost for Academic Affairs
Attachments: Division of Responsibilities of Associate Provost for Academic Affairs.pdf

Categories: Fidler

This email is sent on behalf of Executive Vice President and Provost Benoit to Deans, Associate Deans, Assistant Deans, Chair, Directors, and other members of the university community who work with student and faculty issues.

Dear Colleagues:

Over the summer I will be working to restructure senior staff responsibilities and positions in my office. For the time being, you should contact the individuals listed below who will assume temporary responsibility of specific duties of the Associate Provost for Academic Affairs. A PDF with this information is also attached. If you need assistance with an issue that does not fall into one of the listed categories, please contact Ann Fidler (fidler@ohio.edu) who will determine who can best address your concern.

I know that there are transitions in leadership taking place in departments, schools, and on the regional campuses. If you are no longer serving as the chair, director, or division head of your unit, please forward this message to the individual who is currently undertaking that role.

Sincerely,

Pam Benoit
