

**OHIO**  
UNIVERSITY

**Campus Recreation**

## **Code of Ethics**

In providing programs and services, Campus Recreation shall:

- Endeavor to offer the safest and highest quality program achievable with available resources.
- Take responsibility for employing qualified individuals in positions that require special credentials and/or experience.
- Strive to keep abreast of current skills and knowledge and encourage innovation.
- Encourage the ideals of sportsmanship, fair play and an atmosphere which promotes equitable opportunity for all.

In relations with employers and employees, Campus Recreation shall:

- Promote and implement equal opportunity and fairness.
- Secure the trust of employees by maintaining privileged information until properly released.
- Support the contributions of fellow employees by properly crediting their achievements.
- Assist and encourage the education of employees.

*Above statements were selected from the National Intramural Recreations Sports Association, Code of Ethics.*
