MISCELLANEOUS

DARS	Degree Auditing Reporting System; produces the reports which help students and advisors track students' progress toward graduation.
PID	Person Identification Number, or P-Number, a unique number assigned to each person in SIS. This is the ID# printed on your student identification card.
RAC	Registration Access Code, a four-digit number unique to each student that, when used in conjunction with a PID or SSN, provides access to various information, electronically or via the telephone.
SIS	Student Information System, the central computer system that maintains and processes information related to records, registration, admission, student accounts, scheduling, and DARS.
SSN	Social Security Number.

General Information

ACADEMIC STATUS, STUDENT

A student is eligible to return unless otherwise notified. Academically dismissed undergraduate students may petition for reinstatement under certain conditions. Graduate students with academic deficiencies may be denied permission to continue enrollment in certain programs. If this happens, a student must apply and be admitted to a different degree or nondegree graduate program before continued graduate enrollment is allowed.

Disciplinary expulsion, which can apply both to graduate and undergraduate students, prohibits the student from ever attending Ohio University and from being present, without permission, on any campus of Ohio University.

Students are informed of academic drop actions by their academic deans and of nonacademic suspensions by the Office of University Judicials. These offices place holds on students' academic records. It is not possible for a student to register while such holds exist. Failure to receive notification by mail does not affect a student's status.

ADDRESS, CHANGE OF

It is the student's responsibility to maintain a current address on file with Ohio University. Students can easily update their addresses by accessing the Office of the University Registrar Web site, www.ohio.edu/registrar, and selecting Update MyAddress under Online Services.

In addition, a student may update his/her address via e-mail by sending his/her full name, the last four digits of his/her Person Identification Number (PID) (found on the student ID), and the new address to address@ohio.edu. Address updates may also be reported to Registrar Services first floor lobby, Chubb Hall.

It is very important to keep your local and permanent addresses and telephone numbers (including cell phone) current in order for the University to communicate important information to you.

Note: International students in F-1 or J-1 status are **required** to use the online address service to update their addresses with Ohio University to meet immigration reporting requirements.

ADMISSIONS

Learning takes place year round at Ohio University, and the campus is bustling in

the summer, although at a more relaxed pace. The summer quarter *Schedule of Classes* lists many opportunities for summer study, both formal and informal; on campus and off campus; in class and online.

Because Ohio University has an open admissions policy during the summer quarter, classes traditionally include a rich blend of visiting students from other campuses, interested members of the community, and our own Ohio University students. Together they participate in undergraduate and graduate courses taught by Ohio University's internationally known faculty, study in specialized summer workshops and institutes led by experts in their fields, and take credit and noncredit courses for professional development or personal interest. The summer quarter *Schedule of Classes* is your guide to a sensational summer in southeastern Ohio. Additional summer information can be found at www.ohiou.edu/summer.

Students Pursuing a Degree at Another College or University

Admission to Ohio University as a regular degree-seeking student is not required for summer study. Enrollment in summer quarter is open to all students without regard to age, sex, race, religion, color, creed, disability, national or ethnic origin, or marital status. You may study at Ohio University during summer quarter as a nondegree, noncontinuing, or visiting student. To do so, fill out Form A, Nondegree Undergraduate Application and Re-enrollment Form, as well as Form C, Nondegree Registration Form.

Credit generally can be transferred to other institutions. The accepting institution, however, establishes the policy in this matter. You are, therefore, urged to make arrangements in advance so you will know whether the credit you earn will transfer.

Ohio University operates on the quarter system. The course credit value in quarter hours is indicated after the course number and title in the course offerings. The following table shows the relative value of quarter and semester hours:

1.5 quarter hours = 1 semester hour
3.0 quarter hours = 2 semester hours
4.5 quarter hours = 3 semester hours
6.0 quarter hours = 4 semester hours
7.5 quarter hours = 5 semester hours

New and Transfer Degree-Seeking Students

If you are seeking a degree and are enrolling this summer as a new or transfer student, **do not use the application form in the summer quarter *Schedule***

of Classes. Contact Undergraduate Admissions, first floor, Chubb Hall, (740) 593-4100, for admission information. New and transfer students planning to continue enrollment for fall quarter must meet University application deadlines.

Re-Enrolling Students

See General Information: Re-enrolling Students.

New Student Orientation

New degree-seeking students enrolling during the summer quarter must attend orientation. Orientation for students attending either summer session will be held on **Friday, June 19, 2009**, at 8:00 a.m. For more information contact Student Orientation, (740) 593-1951.

Graduate Students

Registration for any graduate course offered during the summer quarter requires official admission to the University with degree or nondegree status. Postbaccalaureate and re-enrolling graduate students should complete Form B, Postbaccalaureate Nondegree Application and/or Graduate Re-enrollment Form, as well as Form C, Nondegree Registration Form.

The conditions of postbaccalaureate admission are the same as for nondegree graduate status (during the summer quarter only): (a) admission status terminates after completion of 18 graduate hours, (b) admission to nondegree status does not constitute admission to a graduate degree program, (c) credit earned cannot normally be applied toward a graduate degree at Ohio University. Some graduate courses, such as those in the MBA program, are not open to students admitted to postbaccalaureate status. If in doubt about the acceptability of postbaccalaureate status for a specific course, check with the department/school offering the course.

Enrollment as a new degree-seeking graduate student requires official admission to the University. To receive the necessary application material and information, contact the Graduate College, McKee House, (740) 593-2800.

AUDITING A CLASS

You may register to audit classes, which allows you to preview or review courses without receiving a grade or credit hours, but the choice to audit must be made and identified at the time of registration. Changes from audit to credit or from credit to audit must be made during the first 15 calendar days of the quarter (first eight days of summer subterm).

To request a class be changed from credit to audit or audit to credit between the eighth and 15th calendar days of the

quarter you must visit Registrar Services, first floor lobby, Chubb Hall, or your regional campus student services office. Audited classes count in calculating tuition, but they do not carry credit or count toward financial aid eligibility. Audited courses will appear on your official transcript but will not affect your GPA or hours earned.

Your instructor may set up specific requirements for auditing the class, and if you do not meet the requirements, you may be removed from the class at your instructor's discretion with a grade of WP or WF. Be sure to discuss your auditing status with your instructor at the first class meeting.

Do not confuse auditing a class with taking a class under the pass/fail option.

BOOKS, ONLINE PURCHASING

As an alternative to purchasing your books at local bookstores, you may purchase books online by accessing the Office of the University Registrar Web site, www.ohio.edu/registrar, and selecting Textbooks under Resources.

CANCELATION OF REGISTRATION/WITHDRAWAL FROM THE UNIVERSITY

Cancellation of registration is defined as dropping all classes **before** the first day of classes. You may do this by using Web Registration.

Withdrawal from the University is defined as dropping all classes on or after the first day of classes. This means all regular Ohio University classes for which you are registered, whether on one campus or multiple campuses. This may **NOT** be done by using Web Registration. You must go to the student services office in your college or regional campus student services office to initiate the withdrawal process. Graduate students must contact the Graduate College. Withdrawal is not permitted on or after the last day of classes (see Summer Quarter 2008-09 Calendar).

Note: Canceling your class registration does not cancel your housing. You are required to make an appointment with a Residence Life staff member in your building prior to your scheduled check out date and time to properly check out of your room, sign your Room Condition Report (RCR), and return all keys. If you have canceled your class registration you are no longer eligible to reside on campus

and must move out completely within 48 hours.

International students (F-1 or J-1 status) must contact the Office of International Student and Faculty Services (ISFS), (740) 593-4330, prior to withdrawing from the University. Failure to do so may lead to serious immigration problems.

CLASS ATTENDANCE (Two-Hour Rule)

A student who misses the first two contact hours of a class for which he/she is registered may be denied permission to remain in the class. A student who has missed the first two contact hours should verify his/her status in the class with the instructor. The instructor has the option of retaining the student. **A student NOT retained because of missing the first two contact hours must adjust his/her schedule by dropping the class.** Failure to do so can result in an F, FN (failure, never attended), or FS (failure, stopped attending) grade.

Note: A student not retained on the instructor's class roster is **NOT** automatically dropped from the class. The student **must** adjust his/her schedule by dropping the class. This policy applies to the first **two hours** of a class, not the first two days.

CLASSES CANCELED DUE TO INSUFFICIENT ENROLLMENT

Some classes and workshops listed in the summer quarter *Schedule of Classes* are offered only if enrollment is sufficient. To be certain that a specific course will be offered, contact the department/school offering the course. To be sure that a specific workshop or special program will be offered, contact the Office of Summer Sessions and Winter Intersession, (740) 593-2583, or 888-551-6446.

CLASS PERMISSION SLIPS

For Athens campus students, class permission slips may be requested from instructors or the academic departments/schools where the courses are taught. Return the signed class permission slip for processing to the appropriate office, as indicated on the class permission slip, no later than **Monday, July 6, 2009** for the full quarter, **Monday, June 29, 2009**, for the first session, or **Monday, August 3, 2009**, for the second session.

Class permission slips are to be used when one or more of the following conditions exist:

Permission is required from department/instructor to enroll in class and student has obtained permission.

Student does NOT meet prerequisites but has permission to enroll in class and enforced prerequisites are being waived.

Class is full but student has permission to enroll in class.

Permission to add class after 8th day. (Instructor's permission is required to add a class after the 8th day of the quarter.)

Student has reached maximum repeat/retake limit but has received permission to enroll in class and maximum repeat/retake limit is being waived. (Class permission slips must be returned to Registrar Services, first floor lobby, Chubb Hall, to be processed.)

Note: If your class permission slip has an expiration date, it must be processed on or before that date, but no later than **the dates listed above.**

CLASS SCHEDULE, CHANGE OF

All students must use Web Registration to make any changes to their class schedules. Dates as well as hours of operation for Web Registration are available on the Registration Schedule. Please pay close attention to the deadlines for adding and dropping classes. For information concerning fee changes, see General Information: Fee Assessment Information.

COMMENCEMENT/CAP AND GOWN/HONORS

Commencement

At the close of spring quarter, Ohio University holds one annual medical, one annual graduate, and two annual undergraduate commencement ceremonies. To be eligible to participate in commencement, have your name listed in the commencement program, and purchase a cap and gown, you must have graduated the previous summer, fall, or winter quarter or have filed a valid graduation application for spring quarter.

Cap and Gown

For students participating in commencement, the schedule for cap and gown sales will be available at

www.ohio.edu/commencement/.

Honors

Honors for spring commencement are determined based on the most recent accumulative GPA prior to spring quarter.

COMPUTERS (Technical Support)

If you have questions about any aspect of computer, e-mail, or Internet usage, you may call the Service Desk, (740) 593-1222, or stop by the Technology Depot, Baker University Center 112. Hours during summer quarter are 8:00 a.m. - 5:00 p.m., Monday - Friday. Questions also can be sent via e-mail to servicedesk@ohio.edu.

In addition to providing technical support, the Technology Depot offers:

Factory-authorized warranty repairs for Apple, Dell, Gateway, HP, and Lenovo/IBM computers that were purchased through the University.

Sales of wireless network cards, storage media and flash drives, cables, and other computer accessories.

Free virus recovery tools.

For more information, please visit www.ohio.edu/technology/depot.

COURSE LOAD

Undergraduate Students

Full-time undergraduate students usually carry a normal load of 16-20 quarter hours (even those students on academic probation). Eleven credit hours is considered full time by the University for fee purposes; however, student athletes and students receiving financial aid must carry a minimum of 12 quarter hours to be considered full time. Students receiving scholarships may have to carry up to 16 quarter hours, depending on scholarship criteria. Students scheduling more than 20 hours will be charged an additional fee for each hour taken above 20 hours.

Graduate Students

Students with graduate research, teaching, or graduate assistantship appointments must register for a minimum of 12 graduate hours. Some departments require more. Those with fellowships or tuition scholarships must register for a minimum of 15 graduate hours. Undergraduate courses, courses taken for audit, and OPIE language courses cannot be used to meet minimum requirements for graduate student course loads. Students scheduling

General Information

more than 18 hours will be charged an additional fee for each hour taken above 18 hours.

International Students

To comply with immigration regulations, international students (F-1 or J-1 status) must register as full-time students (undergraduates must take 12 hours per quarter and graduate students must take nine hours per quarter to maintain full-time status). Students must not drop any courses that would take them below full-time status without having the prior approval of an advisor in the Office of International Student and Faculty Services (ISFS).

Maximum Credit Hours Allowed Without Permission

Web Registration will allow an undergraduate student to register for a maximum of 20 credit hours and a graduate student to register for a maximum of 18 credit hours in a given quarter. Web Registration will not allow a student to register for a course that causes the total hours to exceed the maximum hours. For example, an undergraduate student already registered for 16 hours may not add a five-hour course, because this would exceed the limit. If there is a need for a student to exceed the maximum hours, an undergraduate student should contact the student services office in his/her college or regional campus student services office for permission, and a graduate student should contact his/her graduate program chair/director. Students granted permission to exceed the maximum hours will receive Permission to Exceed Maximum Hours forms, which should be returned to Registrar Services, first floor lobby, Chubb Hall. Note that graduate students registering for more than 18 hours or undergraduate students registering for more than 20 hours will see an increase in tuition charges.

A student who is close to the maximum and needs to add a class (and drop another section of the same course) may avoid exceeding the maximum by using the replacement feature in Web Registration.

COURSE OFFERINGS

In addition to the summer quarter *Schedule of Classes*, search for course offerings by accessing the Office of the University Registrar Web site, www.ohio.edu/registrar, and selecting Course Offerings under Online Services. This information is updated approximately twice an hour during registration periods. Listings of all classes currently offered and

General Information

detailed information about each class are included.

DAY KEY (Class Meeting)

The class meeting days of the week abbreviations are: **M**=Monday, **T**=Tuesday, **W**=Wednesday, **Th** or **R**=Thursday, **F**=Friday, **S**=Saturday, **SU**=Sunday. If a class meets seven days a week, the days will be displayed as **MTWRFSSU**.

DEGREE AUDIT REPORTING SYSTEM (DARS)

A DARS report is issued to currently enrolled students each quarter for priority registration by the college student services office or regional campus student services office (see General Information: Registration Material Locations). This report includes your Registration Access Code (RAC) and your registration access time. This report helps in determining requirements for graduation by showing progress toward completing those requirements. If you have enrolled at Ohio University Fall Quarter 2005-06 or later, you may view your DARS report online by accessing the Office of the University Registrar Web site, www.ohio.edu/registrar, and selecting MyDARS under Online Services.

If you are thinking about changing your major, you may request a "What - If" DARS report from the MyDARS site mentioned above, from the student services office of the college that offers the major you are considering, or from your regional campus student services office. This report will help you determine how courses already completed will apply to the new major as well as what additional courses are needed to complete that program.

Special Note Concerning Hours and Grades on the DARS Report:

Your official Ohio University transcript lists all courses you have taken or are taking at Ohio University, the grades you have earned, and your official grade point average (GPA). These totals are used to determine graduation rank, graduation with honors, financial aid and scholarship eligibility, fees, and total hours earned at Ohio University that **may** be applied toward graduation from any of the colleges.

Your DARS report shows how these courses and grades apply to the graduation requirements for a particular program. Most of the time the total hours attempted

(HA), hours earned (HE), and grade point average (GPA) displayed in the General Graduation Requirements section of your DARS report will match those on your transcript. However, legitimate differences may exist. For example, some colleges have limits on such things as the total number of physical education activity hours that can apply toward degree requirements, and some do not. Some have limits on other categories, such as the number of technical elective credits and number of hours with grades of "CR" that can count toward graduation. Also, there are limits on the total number of hours in developmental courses and the total number of hours with P (pass) grades. All of these count in the total number of hours earned at Ohio University on your transcript, but they may or may not count toward graduation depending upon the program you are completing and other limitations. DARS reflects these idiosyncrasies for each individual program counting only the hours and grades that are appropriate for that program, thereby giving you an accurate statement of your progress toward completing graduation requirements for that particular program.

Sometimes discrepancies can exist because students take courses they should not take (for example, Math 163A after passing Math 263A and B). In this case, DARS deducts the credit and grade for Math 163A, but Math 163A will still show on the transcript.

DEPARTMENTAL HONORS

Students in a recognized departmental honors program may take a maximum of three graduate courses in their major department during their senior year (i.e., after earning 135 or more hours of credit). Hours earned in these courses will count toward total hours required for graduation and the grades will be calculated into the undergraduate GPA. Registration in graduate courses requires permission from the instructor. Participation in this option is at the discretion of the department or school. Graduate courses taken in this manner will not apply to graduate credit at a future time.

For Athens campus students, permission slips for departmental honors students may be obtained through the academic departments where the courses are taught. Return the signed permission slip for processing to Registrar Services, first floor lobby, Chubb Hall, no later than **Monday, July 6, 2009** for the full quarter, **Monday, June 29, 2009**, for the first session, or

Monday, August 3, 2009, for the second session.

DESCRIPTION OF COURSE OFFERINGS

In the course offerings, a typical search will display course and class information including the following (with an option to expand for additional information):

Course number
Title
Call number
Section number
Meeting times
Meeting days
Quarter hour(s) of credit
Instructor
Additional course fees
Class begin date
Class end date
Number of students enrolled
Maximum class size
Class status
"Arranged" indicates that meeting time is an arrangement between the instructor and the student.

In a course carrying variable credit hours, credits may be expressed "1-4" indicating that one credit hour is the minimum and four credit hours are the maximum number of credits that can be earned for the course.

Course catalog numbers indicate the student classification for which courses are designed. The numbers are:
001-099 Noncredit courses
100-299 Undergraduate general program courses
300-499 Undergraduate advanced, specialized courses
500-699 Graduate program courses
700-899 Advanced graduate program courses
You may also audit a class with instructor permission. Fees for auditing a class are the same as taking a class for credit. Be certain to indicate audit when registering via Web Registration.

For course descriptions consult the undergraduate and graduate catalogs.

Some classes may be added or deleted subsequent to the publication of the *Schedule of Classes*, and some classes may be offered only if enrollment is sufficient. To be certain a specific course will be offered contact the department offering the course. Search for course offerings by accessing the Office of the University Registrar Web site,

www.ohio.edu/registrar, and selecting Course Offerings under Online Services. This information is updated approximately twice an hour during registration periods.

DIRECTORY INFORMATION DEADLINE

Students who do not want their directory information printed in the annual Campus Directory must complete the Ohio University Confidentiality Status Request form available at www.ohio.edu/registrar/ferpa.cfm or from Registrar Services, first floor lobby, Chubb Hall. This form must be returned to the Office of the University Registrar, Chubb Hall, **within the first 15 calendar days of fall quarter**. After this time, students may still have their directory information flagged for nonrelease in the Student Information System (SIS), and the Ohio University online eDirectory, but not the printed directory, which is updated only once per year.

It should be understood that by exercising their option for nondisclosure of directory information, students will no longer be provided with enrollment/degree verification service for employment, insurance discounts, or other purposes. Also, the student will not be listed in the graduation commencement program. Confidentiality status is permanent unless removed by written request from the student.

E-MAIL (YOUR OAK ACCOUNT)

Your Ohio University Oak e-mail account will be enabled when you activate your Oak ID. Your Oak e-mail account includes free software, spam and virus filtering, Web-based access option, network file storage, and personal Web page capabilities.

Please check your Oak e-mail regularly for official University correspondence. Quarterly grades, schedules, billing notification, and other University communications are sent to your Oak account. Many Ohio University departments and professors depend on Oak e-mail for both announcements and assignments. We do **not** recommend forwarding your Oak account.

If you have problems accessing your e-mail or have questions, call the Service Desk, (740) 593-1222.

FEE ASSESSMENT INFORMATION

Quarterly fees include the instructional fee and the general fee. Tuition and fee rates are available at www.ohio.edu/finance/bursar/tuitionfees.cfm. This figure excludes course fees, which are listed in the course offerings. Ohio University reserves the right to make, without prior notice, any fee adjustments that may become necessary.

Fees are assessed based on the following:

I. Campus

Fees vary based on the campus on which student is registered.

II. Course Load

Full-time or standard fees are charged when an undergraduate student schedules 11 or more hours and a graduate student schedules nine or more hours. **Part-time** fees are charged when an undergraduate student schedules fewer than 11 hours and a graduate student fewer than nine hours. An **Extra-Hour** fee is charged for each hour beyond 20 hours for undergraduate students and 18 hours for graduate students.

III. The Level of the Student (graduate or undergraduate) NOT the Level of the Course

Undergraduate students may not schedule graduate-level courses unless they are admitted to a special program for this purpose. Graduate students taking undergraduate courses pay graduate fees.

IV. Standing (regional campuses, undergraduate only)

Students who have earned 96 or fewer hours and are registered on a regional campus will pay a lower tuition rate than students who have earned more than 96 hours.

V. The Residence Classification of the Student

The difference between resident fees and nonresident fees is the out-of-state surcharge for non-Ohio residents. Petitions for change of residency must be submitted to either Undergraduate Admissions or Graduate Studies prior to the last day to register for class for the term you wish reclassification.

VI. Course Fees

Course fees are assessed in addition to instructional and general fees. Course fees for specific classes are listed in the course offerings.

VII. Insurance

Ohio University requires that all domestic

General Information

students taking seven or more credit hours and all international students taking one or more credit hours carry medical insurance if they are enrolled on the Athens campus. An accident and sickness insurance plan designed to supplement the care provided by the Student Health Service is automatically billed to all students meeting this guideline. Domestic students can complete a waiver declaration, if they have comparable coverage. Students must waive the insurance by accessing their current account statement at www.ohio.edu/bursar or by completing a waiver with the Office of the Bursar, ground floor lobby, Chubb Hall, by **Monday, July 13, 2009**. International students must carry the Ohio University Student Accident and Sickness Insurance Plan unless they have a government sponsor. Only the Office of International Student and Faculty Services (ISFS) can waive the insurance plan for an international student.

The accident and sickness insurance plan is also available for dependents. International students are required to purchase the Ohio University policy for their dependent spouses and children. An enrollment card for dependents is available at the Hudson Health Center insurance office. The insurance premium is a nonrefundable charge.

Regional campus students should contact their regional campus student services office for enrollment information. Regional campus students are not automatically enrolled in an insurance plan.

For further information about the Ohio University Student Accident and Sickness Insurance Plan, contact Hudson Health Center, (740) 597-1816, 10:00 a.m. - 2:00 p.m., Monday - Friday.

VIII. WellBeing Plan

The WellBeing Plan is a waivable student health option of \$40 per quarter that allows health and counseling services to enhance service to students. The office added evening and weekend hours, new counselors, a new provider, additional psychiatrist hours, 24/7 crisis help line, and additional women's health services. The plan eliminates co-pays and co-insurance of up to \$15 for office visits, lab work, and x-rays at the Student Health Center. The fee also provides students with 13 free individual sessions and unlimited free group mental health services per year with Counseling and Psychological Services. The waiver must be completed by **Monday, July 13, 2009**, with the Office of the Bursar, ground floor lobby, Chubb Hall.

General Information

IX. Student Legal Service Fee

The Center for Student Legal Services (CSLS) is entirely supported by the fee. All Athens campus students are automatically billed the student legal service fee. If you do not want access to the services, you can opt out by accessing your current account statement at www.ohio.edu/bursar or by completing a waiver with the Office of the Bursar, ground floor lobby, Chubb Hall, by **Monday, August 17, 2009**. Remember, for only \$8.00 you can talk with an attorney, get advice, information, and free mediation referrals.

Regional campus students are not eligible for this service, but multicampus students may be eligible. If a student takes classes on the Athens campus as well as a regional campus, it is the student's responsibility to have his/her home campus code changed to Athens to be eligible for this service. The student must contact Registrar Services, first floor lobby, Chubb Hall, or regional campus student services office to have the campus code changed.

Unlike the Student Health Insurance program, the CSLS fee must be processed each quarter. All Athens campus students will be charged and enrolled each quarter. Removal of the fee will occur upon receipt of a written request or completed waiver. The student may complete the waiver/enrollment card at the Office of the Bursar, ground floor lobby, Chubb Hall. The waiver must be completed by **Monday, August 17, 2009**.

X. Technology Fee

Students with majors or admission to academic programs in the College of Arts and Sciences, the College of Business, the College of Education, the College of Health and Human Services (graduate students only), the Russ College of Engineering and Technology, and the Scripps College of Communication will be assessed a fee for computing and other types of technology (regardless of schedule) based on the following charts. Students who are being charged a technology fee for a college where they are no longer pursuing a degree should contact that college to officially drop the program. Graduate students should contact the Graduate College. Requests should be made prior to **Monday, July 6, 2009**.

XI. Zanesville Security Fee

A \$5.00 security fee is assessed as part of the regular tuition for any course taken on the Zanesville campus.

Payment/Deadline - Bills

Undergraduate students registering for summer quarter between **Tuesday, April 7, 2009**, and **Saturday, May 16, 2009**, must pay all fees on or before **Monday, June 8, 2009**. eBills will be generated **Monday, May 18, 2009**. By registering for classes, a student incurs a legal obligation to pay tuition and fees. This debt may be cancelled only if the student officially cancels his/her registration **BEFORE Monday, June 22, 2009**, for the full quarter, or **Monday, June 22, 2009**, for the first session, or **Monday, July 27, 2009**, for the second session. All undergraduate students not paying fees by the due date will be charged a \$100 late payment fee. Students must obtain a copy of their eBill or current account statement at www.ohio.edu/bursar.

Payment can be made by cash, by check, or electronically using eCheck or credit card. Payment by eCheck or by credit card can be made by visiting the student eAccount

at www.ohio.edu/bursar. eCheck has no service charge and is available to all students. Credit card payments (excluding VISA) online through the student eAccount will have a service charge assessed based on the transaction amount. Checks are to be made payable to Ohio University. Be sure the check is properly completed (date, amount due, and signature). Postdated checks will not be accepted. Please indicate the student's Person Identification Number (PID) on the front of the check. Checks may be mailed to: Ohio University, Chubb Hall 010, PO Box 960, Athens, OH 45701. Credit cards are accepted at regional campuses for regional campus students only.

If a student is on the Monthly Payment Plan, the two monthly installments will be due on **Wednesday, July 1, 2009** and **Monday August 3, 2009**. If payment is not received by the above listed due date, the student will be assessed a late fee of \$30 for each late payment.

Payment Plan

If you wish to pay summer fees in two installments, apply for the monthly payment plan at www.ohio.edu/bursar.

If you were on the monthly payment plan for fall, winter, or spring quarter, you are automatically on the monthly payment plan for the summer quarter. Summer quarter installments will be due on **Wednesday, July 1, 2009**, and **Monday, August 3, 2009**.

Refund Information

I. Refund of Housing Charges

See General Information: Housing and Food Service Regulations for the refund schedule for housing charges.

II. Refund of Registration Fees - Withdrawal from the University and Withdrawal from a Class

Official cancellation from the University, dropping all classes before the first day of classes, entitles the student to a refund of 100 percent of registration fees. Official withdrawal during the first 15 calendar days of the quarter entitles the student to a refund of 80 percent of the registration fees. There is NO refund of registration fees for withdrawals after the 15th calendar day of the quarter (see Summer Quarter 2008-09 Calendar).

If a student withdraws from the University before completing full payment of fees, he/she is considered indebted to the University for the amount determined according to the refund regulations. Dropping a class within the first 15

calendar days of the quarter entitles a student to a 100 percent refund if the reduction places the student in a lower fee category. All courses dropped effective the 16th calendar day of the quarter will not result in a fee change. Corrected registration that results in increased hours could increase tuition (see Summer Quarter 2008-09 Calendar).

III. Refund of Registration Fees - Flexibly Scheduled Classes

Flexibly scheduled classes (classes that do not meet for the full session/quarter) follow a different schedule for refunds and to remove classes from a student's academic record. Please check with the Office of the University Registrar, Chubb Hall, (740) 593-4324, or your regional campus student services office for the drop deadline.

IV. Withdrawal Policy for Financial Aid Recipients

See General Information: Financial Aid Withdrawal Policy for Financial Aid Recipients.

V. Withdrawal Policy for International Students

International students (F-1 or J-1 status) must meet with an advisor in the Office of International Student and Faculty Services (ISFS) prior to withdrawing from all classes or dropping below full-time enrollment.

VI. Special Course/Workshop

When available, information about fees is included in the workshop information. The comprehensive fee does not cover such fees. Payment deadlines for workshops vary. For specific payment deadlines, contact the Office of Summer Sessions and Winter Intersession, (740) 593-2583, or 888-551-6446. Course fees are assessed in addition to instructional and general fees. Course fees for specific classes are listed in the course offerings.

FINAL EXAMINATIONS

Final examinations are scheduled for the last meeting time of each class.

FINANCIAL AID

Registered for Summer Quarter

eBills for summer quarter are generated by the Office of the Bursar, ground floor lobby, Chubb Hall, and will show ALL financial aid awards that have been awarded at that time. All financial aid recipients **must pay** the balance due by the regular payment deadline of **Monday, June 8, 2009**, for summer quarter fees and housing charges. Failure to meet this

deadline will result in a \$100 late payment fee being added to your student account.

Enrollment Status for Financial Aid Recipients

For financial aid purposes, full-time enrollment is 12 credit hours for undergraduate students and nine credit hours for graduate students. All undergraduate Ohio residents receiving the The Federal Pell Grant or the Ohio College Opportunity Grant (OCOG) must be registered full time (at least 12 credit hours) to receive the maximum grant. Most Ohio University Athens campus undergraduate scholarship recipients must be registered for at least 16 credit hours per quarter and earn at least 48 credit hours for the academic year. Federal Direct Student and PLUS Loan recipients must be registered at least half time (six undergraduate credit hours or five graduate hours) to receive these loans. Aid recipients registered for less than full-time enrollment may be eligible to receive a proportionately adjusted award amount for certain aid programs.

Financial Aid Credits

The financial aid credits that will be applied to your account include the following: Federal Pell Grant or the Ohio College Opportunity Grant (OCOG), Federal Supplemental Educational Opportunity Grant (SEOG), Federal Academic Competitiveness Grant, National SMART Grant, TEACH Grant, Federal Perkins Loans, Federal Direct Student and PLUS Loans, Ohio University Grants, Ohio University and Corporate Scholarships, and Outside Agency Scholarships (applied once donor check has been received and deposited by the University). If you have been selected for verification, no disbursements of federal, state, or institutional aid will be made unless all requested documents have been received and processed. Federal Work-Study awards are not credited to your account. Those funds are disbursed biweekly in the form of a payroll check or direct deposited, based on your hours worked for that pay period.

Financial Aid Refunds

Financial aid awards that exceed the amount you owe to the University for summer quarter will be disbursed to you as a "refund(s)" during summer quarter if you have satisfied the eligibility requirements (i.e., enrolled for sufficient hours, meeting the Satisfactory Academic Progress (SAP) standards, not in default on Title IV Loan, etc.) for each award. Refunds for summer quarter will start being direct deposited on or about **Monday, June 22, 2009**, or mailed to your local address beginning

General Information

Friday, June 26, 2009. Refunds will be mailed to local school addresses or direct deposited. **Please be sure your local school address is correct** (see General Information: Address, Change of).

Refunds will be processed daily for those students enrolled in direct deposit with the Office of the Bursar. Paper checks will only be printed once a week. Choosing a paper check over direct deposit will delay receipt of your refund. Please note that if you have direct deposit for your University payroll, you will still need to enroll in direct deposit with the Office of the Bursar. Sign up is easy...just visit www.ohio.edu/bursar and select Direct Deposit or visit the Office of the Bursar, ground floor lobby, Chubb Hall, on the Athens campus or your regional campus student services office.

Withdrawal Policy for Financial Aid Recipients

Title IV Funds

You are a Title IV financial aid recipient if you receive Federal Direct Loans (Subsidized, Unsubsidized, or PLUS), Federal Perkins Loans, Federal Pell Grant, Federal SEOG, Federal Academic Competitiveness Grant, National SMART Grant, TEACH Grant, or Federal Stafford Loans (for College of Osteopathic Medicine students). If you receive Title IV financial aid and officially withdraw from Ohio University, the amount of aid earned and unearned will be calculated using the Federal Return of Title IV Funds policy. This policy is a formula that measures the percentage of days enrolled during a quarter. The percentage is determined by dividing the number of days enrolled by the number of calendar days in the quarter, including weekends and holidays. Based on this percentage, financial aid will be prorated to reflect the amount of aid that was earned during the period of enrollment. The amount of aid that was earned will remain on your student account, and the amount of aid that was unearned will be returned to the appropriate programs. Once the attendance percentage reaches 60%, all Title IV financial aid is considered to be earned.

If it is determined that Title IV funds need to be returned, by Federal Law, they will be returned in the following order:

- Unsubsidized Federal Stafford Loans
- Subsidized Federal Stafford Loans
- Unsubsidized Federal Direct Loans
- Subsidized Federal Direct Loans
- Federal Perkins Loans
- Federal Direct PLUS Loans

General Information

Federal Pell Grant
Federal Academic Competitiveness Grant
National SMART Grant
Federal SEOG
Federal TEACH Grant
Other Title IV Assistance

State and Institutional Grants

If you receive financial aid that consists of state or University grant funds, they are subject to the University refund policy. If you officially withdraw during the first 15 calendar days of the quarter, 80 percent of the grant funds will be returned to the appropriate program. After the 15th calendar day of the quarter, 100 percent of the grant funds will remain on your student account.

Undergraduate and Graduate Scholarships

If you receive financial aid that consists of undergraduate or graduate scholarships, it is subject to a special University policy. If you officially withdraw during the first 15 calendar days of the quarter, 100 percent of the scholarship funds will be returned to the appropriate program. After the 15th calendar day of the quarter, 100 percent of the scholarship funds will remain on your student account.

College of Osteopathic Medicine Loans and Scholarships

If you receive financial aid that consists of College of Osteopathic Medicine Scholarships, Scholarships for Disadvantaged Students, Loans for Disadvantaged Students, Primary Care Loans, or other non-Title IV aid, you are subject to a special University policy. If you officially withdraw during the first 15 calendar days of the quarter, 100 percent of the scholarship funds will be returned to the appropriate program. After the 15th calendar day of the quarter, 100 percent of the scholarship funds will remain on your student account.

Unofficial Withdrawals

If you are receiving financial aid and stop attending the University and do not withdraw officially, it is considered an unofficial withdrawal and will be subject to the above withdrawal policies. The date of withdrawal will be the date of a student's last attendance at an academically related event. If the last date of attendance is unknown, the midpoint of the quarter will be used as the withdrawal date. If you have not attended any classes you are registered for, you are considered an unofficial withdrawal and have not earned any financial aid. Therefore, all aid will be returned to the appropriate program. You will receive FN (failure, never attended) or 20

FS (failure, stopped attending) grades.

Enrollment Status

If you are receiving financial aid, a change in your enrollment status or your withdrawal from the University may result in you having to repay programs from which you received financial assistance. In addition, you may owe fees to the University after funds are returned to the financial aid programs.

A student is not eligible for a refund until all Federal Title IV programs and other grants and scholarships are reimbursed as required and all outstanding balances with the University have been cleared.

Specific questions regarding this withdrawal policy can be answered by the Office of the Bursar, ground floor lobby, Chubb Hall, (740) 593-4130.

FINANCIAL ASSISTANCE is provided by the following offices:

Bursar Chubb Hall 010

All sponsored student accounts.

All student account inquires.

Disbursement of refunds.

Graduate College McKee House

Graduate students holding a Graduate Assistantship contract.

International Student and Faculty Services (ISFS)

Baker University Center 348

All international students except graduate students holding contracts, AID participants, and University scholarship recipients.

Regional Campus Student Services

Regional campus students should contact their regional campus student services office.

Student Financial Aid and Scholarships Chubb Hall 020

All undergraduate scholarship and federal and state financial aid recipients.

University Human Resources Human Resources and Training Center

All employees and eligible dependents of employees.

FLEXIBLY SCHEDULED CLASSES

Flexibly scheduled classes are classes that do not meet for the full session/quarter. Therefore, the last day to add or drop these classes is different from the dates listed in the Summer Quarter 2008-09 Calendar. Last day to add and drop dates can be viewed on Course Offering. Contact the Office of the University Registrar, Chubb Hall, (740) 593-4324, or your regional campus student services office for more information.

GENERAL EDUCATION REQUIREMENTS

If you are a transfer student, your requirements are determined by when you enroll and the number and type of credit hours transferred. Honors Tutorial students are not required to complete General Education requirements.

General Education - Tier I English Composition

A first-year composition course and an advanced junior-level composition course are required. Any English 151, 151A, 152, 153, 153A, or 153B will satisfy the University General Education first-year writing requirement (1E). These courses are alternative, not sequential, courses in writing. You should select your course by reviewing the descriptions and choosing the one that appeals to you. (All regional campus students are given a placement test.)

In your junior year, you must take an approved junior writing course unless you demonstrate advanced writing proficiency by passing the junior-level exemption exam. For information about the exemption exam, contact the Center for Writing Excellence, (740) 597-1313. The following courses fulfill the junior-level composition requirement: ART 300J; B A 325J; CLWR 385J; ENG 305J, 306J, 307J, 308J, 309J, or 384J; FILM 344J; HCGE 345J; HIST 301J, or 396J; HLTH 370J; IART 360J; JOUR 441J; M L 321J or 370J; PBIO 418J; POLS 305J; PRCM 325J; REC 370J.

General Education - Tier I Quantitative Skills

First-year and transfer students entering Ohio University after 1980 must demonstrate an acceptable level of quantitative skills in order to satisfy General Education requirements. The University uses a student's ACT or SAT math score (see chart below) to determine the student's skill level for placement, unless the Tier I quantitative skills requirement has been satisfied by transfer or advanced

General Information

placement credit. Students in some majors are required to have a math placement regardless of transfer or advanced placement credit in order to meet prerequisite requirements. The choice of the course in which you should enroll (if any) depends on your major, University catalog of entry, and math placement, and should be discussed with your academic advisor.

Students without ACT scores, SAT scores, advanced placement, or a transferable math course must take an online math placement test. Direct questions to the placement testing coordinator, University College, (740) 593-1935. Regional campus students should contact their student services offices.

Math Placement Scores		
Math Placement Level	ACT math score	SAT math score
DV1	0 - 15	0 - 379
DV2	16 - 19	380 - 479
PL1	20 - 23	480 - 559
PL2	24 - 29	560 - 679
PL3	30 - 36	680 - 800

Following is a chart and description of each math placement level:

Math Placement Levels	
Math Placement Level	First Course
DV1	MATH 101, (Basic Mathematics does not meet General Education requirements)
DV2	MATH 102, (Elementary Algebra does not meet General Education requirements)
PL1	MATH 109 (Consumer Mathematics), or MATH 113 (College Algebra), MATH 120 (Elementary Topics in Math), or PHIL 120 (Principles of Reasoning), or PSY 120 (Elementary Statistics)
PL2	MATH 163A (Intro to Calculus I), or MATH 115 (Pre-Calculus), or

	PSY 221 (Statistics for Behavioral Science)
PL3	MATH 263A (Calculus I), or MATH 266A (Calculus with Applications to Biology I)

Developmental (DV1)

Placement at this level indicates inadequate preparation to enroll in a Tier I quantitative skills course. You must complete MATH 101 before enrolling in MATH 102. Students receiving this recommendation who plan to major in an area requiring advanced math (e.g. engineering, or business majors) should discuss their choice with the faculty or professional advisors.

Developmental (DV2)

This level indicates inadequate preparation to enroll in a Tier I quantitative skills course. You must complete MATH 102 before enrolling in a Tier I quantitative skills course.

Placement Level 1 (PL1)

Placement at this level indicates preparation for any of the following Tier I-fulfilling courses: MATH 109, 113, 117, 118 (available only at regional campuses and through correspondence), 120 (early childhood, middle childhood, and intervention specialist education majors only), 147, PHIL 120, PSY 120.

Placement Level 2 (PL2)

Placement at this level indicates preparation for Level 1 courses as well as these additional Tier I-fulfilling courses: MATH 115 (recommended only for students who plan to enroll in MATH 263A or 266A), 150, 163A, 250, PSY 221.

Placement Level 3 (PL3)

Placement at this level demonstrates quantitative skill competence sufficient to fulfill the Tier I quantitative skills requirement. If your major requires that you enroll in a quantitative skills course, placement at Level 3 indicates preparation for MATH 263A (or MATH 266A for natural science majors) and any course in Levels 1 or 2.

General Education - Tier II

All students (except Honors Tutorial students) must fulfill Tier II General Education requirements. The University revised the General Education requirement for students entering Fall Quarter 2008-09 or later. Students who completed their first classes Summer Quarter 2007-08 or earlier are subject to the requirements in effect at the time, unless their University catalog of

entry is updated to a later catalog. Students who completed their first classes Summer Quarter 2007-08 or earlier are required to take 30 hours of coursework with at least four hours from four of the following five areas: Applied Science and Technology, Cross-Cultural Perspectives, Humanities and Fine Arts, Natural Sciences and Mathematics, and Social Sciences. Students should consult with their advisors in planning their selections of Tier II courses.

Students who complete their first classes Fall Quarter 2008-09 or later are subject to the new General Education requirements. Students are required to complete a total of 32 credit hours from an approved list of courses in the following six distribution areas:

Applied Science and Mathematics (2AS)
 Cross-Cultural Perspectives (2CP)
 Fine Arts (2FA)
 Humanities and Literature (2HL)
 Natural Sciences (2NS)
 Social Sciences (2SS)

You are required to take at least three credit hours in each of the six areas and may satisfy no more than two of the required six areas with courses from the same department/school. You may satisfy no more than 12 of the 32 hours with courses from the same department/school.

You may apply no more than two approved Tier II courses in your major department/school or area of concentration (for B.S.S. students) toward partial fulfillment of the Tier II requirement.

Approved courses are marked in Course Offerings and the Course Descriptions section of the *Ohio University Undergraduate Catalog* with 2AS, 2CP, 2FA, 2HL, 2NS, or 2SS as the general education code.

General Education - Tier III

Students are required to complete at least four hours in Tier III or Tier III-equivalent course(s). At least two of the four hours must be taken at senior rank (135 hours). A complete list of Tier III and equivalent courses is available by searching for Tier III in course offerings, or in the *Ohio University Undergraduate Catalog* by going to course descriptions and searching for the keyword "T3." Approved courses are marked in the Course Descriptions section of the catalog with T3 as the general education code. Students may fulfill this requirement by taking at least four hours in Tier III-equivalent course(s) in their major; they should see their major advisor for

General Information

information as to whether their discipline offers such a course or courses.

GRADE APPEALS

Once grades are submitted to the University Registrar, they are final and cannot be changed unless evidence of an error can be presented or a formal grade appeal process is completed in accordance with Ohio University's official grade appeal policy (see the Faculty Handbook section "Final Examinations and Change of Grade").

GRADE REPORT, STUDENT

Final grade reports are sent to students' Oak e-mail accounts after grades are processed. Students can also retrieve their grades by accessing the Office of the University Registrar Web site, www.ohio.edu/registrar, and selecting MyGrades under Online Services. By following instructions to request a grade report and successfully submitting a request, grade information is sent to students' Oak e-mail accounts or viewed online. Student grade information is maintained online allowing students to obtain any updated grade, GPA, and academic status information almost as soon as it changes.

Grade changes made before the end of the second and sixth weeks of the following quarter will result in corrected grade reports being sent automatically to students' Oak e-mail accounts.

GRADUATE COURSES

Courses numbered 500 or above carry graduate credit. Graduate students should use care to register for the graduate level in dual-numbered courses. Graduate status is required for registering for graduate courses.

Undergraduate students may not schedule graduate courses unless they are in Honors Tutorial College, have been approved as a senior for graduate credit, or qualify under Departmental Honors. Honors Tutorial College students who want to take graduate courses for graduate credit must complete and submit an HTC for Graduate Credit form. For information, refer to the *Undergraduate Catalog* or contact the Graduate College, McKee House.

GRADUATE SCHOOL ADMISSIONS TESTS

Ohio University offers the GRE General, GRE Writing Assessment, Praxis I, and TOEFL. Call (740) 597-1537, e-mail testcenter@ohio.edu, or visit www.ohio.edu/technology/testing/etc.cfm for additional information.

Need to Prepare?

Conferences and Professional Development offers GMAT, CSAT, LSAT test prep to help students prepare for these vital tests right here on campus. Visit www.lifelong.ohio.edu/prof_dev/ExamPrep for additional information.

GRADUATION APPLICATION

Graduation is not automatic. To graduate, apply online by accessing the Office of the University Registrar Web site, www.ohio.edu/registrar, and selecting Apply for Graduation under Online Services, or receive assistance at Registrar Services, first floor lobby, Chubb Hall, or at your regional campus student services office. For your convenience, computers are located in the first floor lobby, Chubb Hall. Applications must be completed no later than the deadline listed for the quarter in which graduation is planned (see Graduation Application Deadlines). Questions about applying for graduation can be directed to graduation@ohio.edu or (740) 593-4196.

When applying for graduation, the name that appears in University records will be the name that prints on your diploma. If there is a discrepancy between the name you wish to appear on your diploma and the name we have for you in our University records, you must contact the Office of the University Registrar with supporting documentation. You will need to submit a copy of one of the following:

Passport
Court action document
Divorce decree (the appropriate page of the decree)
Marriage certificate
Valid driver's license and social security card (you must submit both) or
Federal or state issued identification card and a social security card (you must submit both)

You can submit one of these forms of validation in person, via mail to the Office of the University Registrar, Attention: Graduation, Chubb Hall, Ohio University, Athens, OH 45701-2979, or fax to (740) 593-0216, Attention: Graduation.

HOLDS

Some students may find they are prevented from registering or receiving diplomas, grades, transcripts, and other University services because holds have been placed on their academic records. Holds are placed when students fail to meet financial or other obligations. Students must clear the holds with the offices that placed the holds before they will be allowed to register or receive other University services.

HOUSING AND FOOD SERVICE REGULATIONS - Athens Campus

All undergraduate students with fewer than 90 earned credit hours (excluding AP, Senate Bill 140, and senior to sophomore) or two academic years (six quarters) in the residence halls must reside in University-owned housing and participate in the associated mandatory board plan for the entire academic year, subject to the exemptions listed below. Continuing students must achieve 90 credit hours or six quarters in residence prior to the beginning of fall quarter to be exempt. Credit hours earned by students while attending high school (via advanced placement, Senate Bill 140, senior to sophomore, etc.) will not be considered toward exemption eligibility from the housing requirements. For transfer and re-enrolling students, the number of hours earned will be subject to certification by the director of Undergraduate Admissions. Failure to comply with housing regulations is cause for denial or cancellation of registration.

The exemptions (which must be requested in writing) are:

Students with fewer than 90 earned credit hours or fewer than two academic years (six quarters, full-time enrollment) in residence enrolled as a part-time student. (Eleven hours constitutes full-time status.)

Married students, or single parent students, with fewer than 90 earned hours or two academic years in residence residing with their spouses or children within commuting distance of the University.

Students with fewer than 90 earned credit hours or two academic years in residence residing with parents or legal guardians whose permanent residence is within commuting distance (50 miles) of the University .

Students with 45 or more earned credit hours or one academic year (three quarters) in residence living in recognized fraternity or sorority houses. Continuing students

must achieve 45 hours or one academic year in residence prior to the beginning of fall quarter to be exempt. This exemption is not available to continuing students once the academic year begins.

Student veterans with fewer than 90 earned credit hours or two academic years in residence that have 18 months or more of active military service.

Students 23 years of age or older prior to the quarter in which they enroll.

Note: Continuing students with 90 or more hours of credit earned or two years in residence at the beginning of fall quarter and new students with 90 or more credit hours or two years in residence may reside in off-campus housing that coincides with their individual needs. The University bears no responsibility for the living conditions or problems arising therein with either the homeowner or the student resident.

Refund of Housing Charges

The amount of refund is based on the following percentages of the quarterly room and board charge less the nonrefundable deposit.

Prior to opening of the residence halls - 100% of amount paid less deposit

For all or part of the first week - 60% of amount charged

For all or part of the second week - 40% of amount charged

Third week or after - No refund
For purposes of this policy, the week begins on the day the residence halls open.

Deposit amount equals \$200 for all students.

Note: Amount of refund may vary if a change of rate occurs. In extraordinary instances when the University is unable to provide services described herein due to circumstances beyond its control, refunds of prepaid room and board will be determined by the Ohio University Board of Trustees.

IDENTIFICATION CARDS - Athens Campus

The ID card is a permanent card to be used during your attendance at Ohio University. An ID card is required for **all** Athens campus students. Registration for classes validates the card for access to services on campus. The ID card is the meal card for students selecting a meal plan (see General Information: Meal Plan Procedure). A

\$10.00 replacement fee will be charged if a new card is required. If a student's name changes, he/she may obtain a new card free of charge if the old card is returned. All identification card services are provided in the Technology Depot, Baker University Center 112, (740) 593-1046.

INTERNATIONAL STUDENTS

To comply with immigration regulations, international students (F-1 or J-1 status) must register as full-time students (undergraduates must take 12 hours per quarter and graduate students must take nine hours per quarter to maintain full-time status). Students must not drop any courses that would bring them below full-time status, register late, or withdraw from all classes without having the prior approval of an advisor in the Office of International Student and Faculty Services (ISFS).

International students in F-1 or J-1 status must use the online address update service to update their address with Ohio University to meet immigration reporting requirements. Students can easily update their address by accessing the Office of the University Registrar Web site, www.ohio.edu/registrar, and selecting Update MyAddress under Online Services. For details, contact the Office of International Student and Faculty Services (ISFS), (740) 593-4330.

An international student must meet with an advisor in ISFS to have a new visa document issued prior to registering for a new major or program or starting a new degree level.

LEVEL CHANGE - Undergraduate to Graduate/Graduate to Undergraduate

A student requesting a change from undergraduate to graduate level must submit an application to the Graduate College, McKee House. A student with graduate status will be billed for graduate fees regardless of the level of the courses for which he/she registers. Graduate credit will not be awarded for undergraduate courses.

A student requesting a change from graduate to undergraduate level for a current or future quarter must process a change of level through Undergraduate Admissions on the Athens campus or at his/her regional campus student services office. Students switching to undergraduate status may not register for graduate-level courses until a new level

General Information

change to graduate status is requested and processed.

MAJOR PROGRAM OR COLLEGE, CHANGE OF

If your major program is listed as undecided and you wish to declare a major, or if you would like to change your major, you will need to visit the college in which the major is offered to see if you meet the entry requirements.

Sometimes a change in major will necessitate transferring to another college (e.g., Arts and Sciences to Scripps College of Communication). You then make application for transfer in the student services office of the college to which you would like to be admitted. If you are an Honors Tutorial student, go to your college prior to making application in the student services office of the college to which you would like to be admitted. **The change must be processed within the first 15 calendar days of the quarter or you will remain enrolled in the initial college for the rest of that quarter.** You must fulfill degree requirements of the college into which you transfer. You may, however, simultaneously pursue programs in one college or more than one college. (Consult the student services office in your college about dual degree and double major opportunities.)

Graduate students seeking to change degree programs or colleges must apply and be admitted to a new program.

MEAL PLAN PROCEDURE - Athens Campus

All students requesting University residence hall housing and/or a meal plan who did not make previous arrangements, report to Residence Services, ground floor lobby, Chubb Hall.

Those students who wish to eat in the dining halls as outside boarders must report to Residence Services, ground floor lobby, Chubb Hall, so that necessary arrangements can be made to validate the meal plans. Outside boarder meal plans are for the academic year unless the student requests a meal plan cancellation prior to the beginning of the quarter.

MINORS/CERTIFICATES

If you wish to add a minor or nonteacher education certificate to your program, you must contact the student services office in

General Information

your college or the certificate director of the program, as appropriate, and complete the Application for Update of Program(s).

MOTOR VEHICLE REGISTRATION - Athens Campus

Ohio University students must register their vehicle or motorcycle with Parking Services prior to purchasing a parking permit. If it is possible that more than one vehicle or motorcycle will be driven, it is recommended that the license plate number for each vehicle or motorcycle be registered. You must know your license plate number in order to register your vehicle. To register, visit www.facilities.ohiou.edu/parking or call (740) 593-1917.

NAME, CHANGE OF

A change of name requires an official document and/or court order verifying the correct information at the time the request is made. Name changes are processed by the Office of the University Registrar only. You can submit one of the following forms of validation in person, to the Office of the University Registrar, Chubb Hall.
Passport

Court action document

Divorce decree (the appropriate page of the decree)

Marriage certificate

Valid driver's license and Social Security card (you must submit both) or

Federal or state-issued identification card and a Social Security card (you must submit both)

A valid passport is required for a change of name for an international student.

International students (F-1 or J-1 status) must notify International Student and Faculty Services (ISFS) of their change of name.

OAK ID

The University issues a network login called an "Oak ID" to all students, faculty, and staff. When you first are admitted to Ohio University, you will receive instructions on how to activate your Oak ID and choose a password. It is imperative that you know and protect your Oak ID and password, as many Ohio University services use these credentials to authenticate access. If you have questions, please call the Service Desk at (740) 593-1222. For more information, visit technology.ohio.edu/myaccount.

PARKING

Resident Parking - Surface Lots and University Garages

On-campus resident parking is available on a limited basis for students with sophomore status (45 credit hours or more) in the University garages, the red lots, and the blue lots. Freshmen living on campus are not permitted to purchase parking permits. A list of off-campus alternative parking can be found at www.facilities.ohiou.edu/parking/std_off_campus.htm. Garage parking is \$330 per year while surface lots are \$165 per year. Residential permits must be requested online via the Parking Services Web site, www.facilities.ohiou.edu/parking.

All permit purchases must be billed to the student's account.

Commuter Parking

Commuter parking is available to all students who live outside a certain radius of campus (determined by Parking Services). If eligible, permits are \$105 per year. Proof of residency must be shown at the time of purchase (i.e., recent bill, lease, or other recent mailing at address), and all commuter permits must be purchased in person at Parking Services, 100 Factory Street.

Visitor Parking

Parents and grandparents are required to obtain a parking permit from Parking Services, 100 Factory Street, when visiting campus. Other visitors may utilize any metered space or the pay-to-park facility located beneath Baker University Center. Time restrictions and fee amounts are posted on each meter and at the garage entrance. All vehicles parked on campus without a valid permit are subject to being ticketed and/or towed.

Handicap Parking

Handicap parking spaces are provided for the benefit of physically challenged persons. Any student, faculty/staff member, or visitor wishing to park on the campus of Ohio University with a state-issued handicap permit is required to register the handicap permit with Parking Services. In order to register a handicap permit, please bring the following items to Parking Services: the actual disability permit, the disability permit registration form, and a photo ID. Individuals parking on the campus of Ohio University displaying a nonregistered handicap permit may receive a violation for displaying a nonregistered permit. Please be aware that this registration process has been set in place to protect disability parking for those who are truly disabled. For more

information, please refer to: www.facilities.ohiou.edu/parking/disabled.htm

Motorcycle Parking

Motorcycles are required to be parked in designated motorcycle lots as indicated on the campus parking map. No permit or fee is required.

Boot/Impounding Procedures

Any illegally parked vehicle or any vehicle that has outstanding parking violations may be booted/impounded. If your vehicle is booted/impounded, all outstanding fees must be paid in order to release the vehicle. In addition to the violation(s) charged by the department and boot release fees, the towing company will charge a fee at the time of release. Please do not assume your tickets are being billed to your student account. Citations are not billed to your student account unless the vehicle is registered with parking services.

For a full list of parking regulations and information, please visit www.facilities.ohiou.edu/parking or call (740) 593-1917.

PASS/FAIL GRADING OPTION (NOT available through Web Registration)

A student interested in taking a class under the pass/fail grading option, should register for the class via Web Registration, then contact the student services office in his/her college or regional campus student services office (during the first 15 calendar days of the quarter ONLY) to request that a course be taken pass/fail. A pass/fail request by a regional campus student is reviewed by the appropriate college's student services office on the Athens campus and may be denied if an inappropriate choice has been made.

A regular grade course may NOT be changed to pass/fail option and pass/fail course may NOT be changed to regular grade option after Monday, July 6, 2009, for the full quarter, Monday, June 29, 2009, for the first session, or Monday, August 3, 2009, for the second session.

Students may complete no more than 20 quarter hours under the pass/fail option. No course taken pass/fail may be used to fulfill any graduation requirement (college, school, or department) other than total hours. To be eligible for the pass/fail option the student must have earned a GPA of 2.5 or better for his/her last quarter of full-time enrollment or have an accumulative GPA of 2.0 or better. First-quarter freshmen are not subject to the GPA requirements. A

General Information

student may take only one course per quarter or summer session pass/fail.

Note: This option is NOT available through Web Registration. Graduate-level courses (500 and higher) may not be taken under the pass/fail option. Do not confuse the pass/fail option with auditing a class.

PERMISSION REQUIRED/BLOCKED CLASSES

Classes that have been blocked from Web Registration require permission and must be added in person. Athens campus students use a class permission slip from the department/school office of the course or the instructor of the class (see General Information: Class Permission Slips). Regional campus students contact their regional campus student services office.

PERSONAL INFORMATION, CHANGE OF

All changes of student personal data must be reported to the appropriate office (see your DARS report for current information on file). Forms are available at Registrar Services, first floor lobby, Chubb Hall, or regional campus student services offices.

Changes of name, Social Security number, or birth date require official documents and/or court orders verifying the correct information at the time the requests are made. These changes (name, Social Security number, or birth date) are processed only by the Office of the University Registrar, Chubb Hall.

PREREQUISITE KEY

The prerequisites listed for each class in the course offerings section of the summer quarter *Schedule of Classes* are the minimum requirements for each class. Students may petition instructors/departments/schools to override listed prerequisites. This requires a class permission slip (see General Information: Class Permission Slips and Prerequisite Key).

PREREQUISITE PROCESSING

You are required to meet all of the prerequisites for a given course. Failure to meet prerequisites can block your registration for the course or result in a drop or withdrawal from that course. Prerequisites are listed in the course offerings section of the *Schedule of Classes* (see Prerequisite Key).

RECREATIONAL OPPORTUNITIES

See Campus Recreation, www.ohio.edu/recreation, for information about recreational opportunities on campus. The general fee includes admission to the Ping Center, Aquatic Center, Bird Ice Arena, and outdoor tennis courts. Admission covers the quarter period only.

Baker University Center

Named for Ohio's 14th President John Calhoun Baker, the Center opened in January, 2007. The building provides facilities, programs, services, and amenities that serve the University community, the Athens community, and visitors. It is operated by the Division of Student Affairs. Visit www.ohio.edu/center/ to take a floor-by-floor tour of this amazing Ohio University focal point!

RE-ENROLLING STUDENTS

Enrolled Since Fall Quarter 1985

Undergraduate students previously registered for classes at Ohio University and planning to continue in their previous status may contact the Office of the University Registrar at (740) 593-4191, Registrar Services, first floor lobby, Chubb Hall, or their regional campus student services offices for assistance. Graduate students should contact the Graduate College, McKee House, for assistance. Students may register by using Web Registration (see Registration Schedule). Access to the registration system requires the student's current Registration Access Code (RAC). The RAC is confidential information and, therefore, **cannot be given over the telephone.**

Enrolled Prior to Fall Quarter 1985

Students enrolled prior to Fall Quarter 1985 wishing to register for summer classes must complete a re-enrollment form. Undergraduate students must complete Form A and Form C. Graduate students must complete Form B and Form C. Contact Registrar Services, first floor lobby, Chubb Hall, (740) 593-4191.

REGISTRATION

I. Students New to the University Undergraduate Students

Students who are new to the University must go through the orientation process as indicated in their admission material. Information can be obtained by calling the Orientation Office, (740) 593-1951, or contacting regional campus student services offices.

Graduate Students

Contact the academic school or department.

International Students

All incoming undergraduate and graduate students must report to the Office of International Student and Faculty Services (ISFS), Baker University Center 348, with their passports and visa documents to check in before registering for classes. In addition, these students are required to attend the international orientation program, which may include TOEFL testing. Questions concerning these requirements may be directed to ISFS, (740) 593-4330. (This information applies to students at both the Athens and regional campuses.) Undergraduate international students must also attend the undergraduate student orientation; see www.ohio.edu/precollege for more information. Graduate international students should contact their academic department regarding departmental orientations.

II. Continuing Students

Continuing students may register using Web Registration beginning on Tuesday, April 7, 2009, according to the Registration Schedule. Students not wishing to register using Web Registration may register on **Monday, May 4, 2009**, at Registrar Services, first floor lobby, Chubb Hall, or their regional campus student services offices.

III. In-Person Registration

Eligible students (current or former OU students) not wishing to register using Web Registration may register on **Monday, May 4, 2009**, at Registrar Services, first floor lobby, Chubb Hall, or their regional campus student services offices.

IV. Re-enrolling Students

See General Information: Re-enrolling Students.

V. Registration for Transfer Degree Students and Visiting Students Pursuing a Degree at Another College or University

To register for classes or workshops at Athens or a regional campus, complete Forms B and C for graduate classes, or Forms A and C for undergraduate classes. These forms may be mailed to the Office of Summer Sessions, Haning Hall 205, Ohio University, Athens, OH 45701-2979. Registration forms are processed in the order they are received.

If a class is closed or canceled, you will be notified by the Office of the University

General Information

Registrar so you can make adjustments to your schedule.

REGISTRATION ACCESS CODE (RAC)

The summer quarter RAC is the last two digits of your birth year and the two digits of your birth month (YYMM). Example: If your birthdate is 05/16/1984 then summer quarter RAC is 8405.

REPEATING A COURSE

A repeatable course is defined as a course taken for additional hours of credit toward graduation requirements (i.e., MUS 340, PSY 490). Some departments place limits on the total number of credits that may be earned in repeatable courses.

RETAKING A COURSE

A regular undergraduate course with fixed content can be retaken to affect your accumulative grade point average. Undergraduate courses that are retaken to improve a grade will be automatically identified at the time you register. Retaking the course removes the hours and the effect of the earlier grade from the calculation of the grade point average. However, all grades are printed on the student's academic record (transcript). Please note that the later grade is the one calculated in the grade point average even if it is lower than the first and that the course credit hours duplicated by retaking coursework are not accepted toward the credit hour requirement for graduation.

Graduate courses cannot be retaken to improve a low grade on the first attempt. All grades received are calculated into the graduate grade point average.

As a rule, a course designated as a prerequisite may not be retaken to affect the grade point average after you have completed higher-level coursework in the same subject area. Also, courses taken at Ohio University and retaken at another university are not eligible for grade point adjustment under this policy. You should be aware that some departments place limits on the number of times a course may be retaken, so check with the student services office in your college regarding restrictions.

Please note that retaking a course after graduation will not change your graduation grade point average, honors status, or rank in class. Some graduate and professional schools include all grades in their calculations of grade point averages while

determining eligibility for admission even though Ohio University calculates only the last grade in a retaken course.

SCHEDULES, STUDENT

Official academic class schedules will be sent to registered students' Oak e-mail accounts beginning **Saturday, June 13, 2009**.

Students can also retrieve their class schedule by accessing the Office of the University Registrar Web site, www.ohio.edu/registrar, and selecting MySchedule under Online Services. By following instructions to request a class schedule and successfully submitting a request, schedule information is sent to students' Oak e-mail accounts or viewed online. Student class schedule information is maintained online allowing students to obtain any updated schedule information almost as soon as it changes.

It is the student's responsibility to check the accuracy of his/her schedule prior to the 15th calendar day of the quarter.

SELECTIVE SERVICE REGISTRATION - Attention: Male students between the ages of 18 and 26.

Section 3345.32 of the Ohio Revised Code (O.R.C.) **requires** that male students between the ages of 18 and 26 who are Ohio residents register for selective service and verify that they have registered with the selective service in order to be considered in-state residents to attend Ohio public colleges and universities. Failure to register with selective service and provide verification of such will result, as the law stipulates, in the assessment of the out-of-state surcharge and the loss of student financial aid. The Office of the University Registrar will notify those who, according to the selective service office, have not complied with the law and ask for a statement from the student verifying his selective service status. For additional information about the Selective Service System or for online registration, visit www.sss.gov.

If you are registered for the selective service but have not received or have lost your selective service number, call (847) 688-2576 or visit www.sss.gov. If you have questions regarding the above, please call (740) 593-4186, or visit Veterans Affairs, Chubb Hall 115K, or your regional campus student services office.

SIXTY PLUS PROGRAM

Ohio State Law (Section 3345.27 of the Ohio Revised Code - House Bill 147 - effective March 30, 1999) permits the qualifying student to attend any state college or University without paying "tuition or matriculation" fees. (Course fees, technology fees, laboratory fees, etc., are the responsibility of the student and will not be waived.) This program is available only for regular classroom undergraduate courses offered on the Athens and regional campuses and only if space is available in the class. Registration will be processed only after priority registration for other students is completed. A qualifying student is defined as "any person who is sixty years of age or older and who has resided in the state for at least one year." Under this provision, the student has two options:

Option A - Noncredit

The qualifying student who wishes to participate in classes but not for credit asks permission of the instructor to sit in on the class. The student should complete the Application for Sixty Plus Program, obtain appropriate signature(s), and return the application to the Office of the University Registrar or regional campus student services office with proof of age and Ohio residency.

Option B - For Credit

The Option B procedures are for the qualifying student who wishes to earn credit for the tuition-free courses. The academic load under this arrangement for a given quarter must be less than full time; i.e., less than 11 quarter hours. In addition to being a "qualified student" as described above, the student's family income must be "less than two hundred percent of the federal poverty guideline, as revised annually by the United States secretary of health and human services in accordance with Section 673 of the 'Community Services Block Grant Act,' 95 Stat. 511 (1981) 42 U.S.C.A. 9902, as amended, for a family size equal to the size of the family of the person whose income is being determined." The student should complete the Application for Sixty Plus Program and follow the instructions for processing as described on the application.

Students interested in participating in the Sixty Plus Program should contact the Office of the University Registrar, Chubb Hall, or their regional campus student services offices for more information. The form for this process is available at www.ohio.edu/registrar/forms.cfm.

SPECIAL EVENTS

Beginning in June, watch for the Summer Quarter Calendar of Special Events listing all of the extracurricular activities available on and off campus! Some of the featured annual events include:

- Intramural sports
- Free Summer Cinema series
- "Under the Elms" concert series
- Ohio Valley Summer Theater
- Noon-time Jazzfest
- Day trips to off-campus locations

Contact the Office of Summer Sessions and Winter Intersession, (740) 593-2583, or 888-551-6446, or visit www.ohiou.edu/summer/events.html for information.

STUDENT IDENTIFICATION NUMBER

Transactions for students are handled on the basis of unique Person Identification Numbers (PIDs). Each student is assigned this number upon admission to the University. Social Security numbers are collected from students at admission and are used for federal reporting purposes only.

TB SKIN TEST - Athens Campus

All international students (except Canadian citizens) who are new to campus or who are re-enrolling after a two-year absence are required to undergo a tuberculosis skin test. The test is administered without charge at Hudson Health Center on **Tuesday, June 23, 2009**, 8:00 a.m. - 11:30 a.m. and 1:00 p.m. - 4:00 p.m. The results must be read 72 hours later on **Friday, June 26, 2009**, 8:00 a.m. - 11:30 a.m. and 1:00 p.m. - 4:00 p.m.

TRANSCRIPTS

Official academic transcripts are normally processed within 2-3 business days after receipt of a student's request or release letter. To issue a transcript of academic records, the Office of the University Registrar must have a written release from the student. The release can be in the form of a signed letter or a signed transcript release form obtained from Registrar Services,

The release authorization can be delivered in person, mailed to the Office of the University Registrar, Chubb Hall, Ohio University, Athens, OH 45701-2979, or faxed to (740) 593-4184. Requests should not be returned to regional campus student services offices. The written release must include:

Full name, typed or printed, with all name changes

Signature

Person Identification Number (PID) or Social Security number

Date of Birth

Student's last year enrolled. If the student is currently enrolled and wants final grades and/or degree certification noted, the student must state this in the transcript request and expect a delay. (Delay for grades is one week after end of term. Delay for degree(s) is one month after end of term.) Otherwise, transcripts will be sent noting current course registration without current term grades.

Transcript Fee

The fee for a transcript (in 2-3 business days) is \$5.00 per transcript. Faster service is available for \$10.00 per transcript. Transcripts-Now Service means transcripts are processed and available the same day the request and fee payment are received. Payment may be made by check or money order (payable to "Ohio University"), or by Visa, MasterCard, or Discover credit cards. Requests/payments may also be mailed to the Office of the University Registrar, Ohio University, Athens, OH 45701-2979. Credit card information must include name on card, type of card, account number, and date of expiration. Transcript requests

faxed to the Office of the University Registrar must include credit card information.

Delivery - Restrictions and Requirements

Transcripts are sent by first class mail. Transcripts are sent electronically to certain colleges and universities in Ohio for undergraduate admissions purposes only. Certain users of transcripts, such as college admissions offices, require transcripts be sent directly to them and refuse hand-carried transcripts. Some users (especially graduate admissions) require validated envelopes, which we can provide if requested initially. Any additions/changes after delivery will require a new release and fee payment. **We do NOT fax transcripts. However, we do fax unofficial copies of academic records for students transferring to another school in the USA, for admission purposes, in addition to mailing official follow-up transcripts.** We offer FedEx Priority Overnight Delivery in the U.S. and internationally for an extra fee. Saturday delivery is not included with these services and FedEx does not ship to PO boxes. Please visit the Office of the University Registrar Web site, www.ohio.edu/registrar, for details.

Processing Delays

Processing of transcripts may be delayed until current term grades and/or degrees are posted, if requested. Otherwise, transcripts will be processed within three business days. Transcripts will not be processed if financial obligations or other "holds" exist for the student.

More Information

More transcript request information may be obtained by calling (740) 593-4206, or by visiting the Office of the University Registrar Web site, www.ohio.edu/registrar.

UNIVERSITY CLOSING INFORMATION

Upon the declaration by the University President/designee, Ohio University will close and classes will be canceled when the Athens County Sheriff's Department determines a Level III emergency exists for Athens County. Appropriate closing and reopening times will be announced through all media sources. For more detailed information and updates during an emergency closing, call (740) 593-1000, view channel 5 on CATvision, or visit www.ohio.edu.

UNIVERSITY PROFESSOR PROGRAM

The University Professor Program identifies outstanding teachers and allows them to bring innovative courses to Ohio University. University Professors are nominated by the undergraduate student body and selected by a committee composed of undergraduate students. University Professor courses are open to undergraduate students who wish to take them and who can meet the prerequisites listed in the course offerings section of the *Schedule of Classes*. For additional information regarding the University Professor Program, contact the Center for Teaching & Learning, (740) 593-2681, or visit

www.ohiou.edu/teacher/up/up.htm

VETERANS BENEFITS

Students who wish to receive veterans education assistance should report to the Office of the University Registrar, Chubb Hall 115K, or their regional campus student services office to complete the appropriate application and submit required forms.

Continuing students will receive an e-mail notice each summer reminding them to complete the Veterans Educational Assistance File card for the next academic year and complete information about the summer quarter.

For more information regarding veterans education assistance, visit www.ohio.edu/registrar and select Veteran Affairs, call (740) 593-4186, or e-mail veteransaffairs@ohio.edu.

Note: Undergraduate students must register for at least 12 quarter hours for full benefits. Graduate students must register for at least nine quarter hours of graduate work for full benefits.

WITHDRAWAL FROM THE UNIVERSITY/CANCELLATION OF REGISTRATION

Cancellation of registration is defined as dropping all classes **before** the first day of classes. You may do this by using Web Registration.

Withdrawal from the University is defined as dropping all classes on or after the first day of classes. This means all regular Ohio University classes for which you are registered, whether on one campus or multiple campuses. This may **NOT** be done by using Web Registration. You must go to

the student services office in your college or regional campus student services office to initiate the withdrawal process. Withdrawal is not permitted on or after the last day of classes.

Note: Canceling your class registration does not cancel your housing. You are required to make an appointment with a Residence Life staff member in your building prior to your scheduled check out date and time to properly check out of your room, sign your Room Condition Report (RCR), and return all keys. If you have canceled your class registration you are no longer eligible to reside on campus and must move out completely within 48

hours.

International students (F-1 or J-1 status) must contact the Office of International Student and Faculty Services (ISFS), (740) 593-4330, prior to withdrawing from the University. Failure to do so may lead to serious immigration problems.

WORKSHOPS

Registration for workshops will be accepted beginning with the priority registration period. Certain workshops and programs, however, do have earlier registration or application deadlines than others, as noted in the descriptions. If you need further

General Information

information about these deadlines, contact the Office of Summer Sessions and Winter Intersession, Hanning Hall 205, (740) 593-2583, or 888-551-6446.

Some classes and workshops listed in the summer quarter *Schedule of Classes* are offered only if enrollment is sufficient. To be certain that a specific course will be offered, contact the department/school offering the course. To be sure that a specific workshop or special program will be offered, contact the Office of Summer Sessions and Winter Intersession, (740) 593-2583, or 888-551-6446.

Drug Free Schools - Information and Guidelines for Ohio University Students

Ohio University is unequivocally opposed to the misuse of lawful drugs and the possession and use of unlawful drugs. Pursuant to the requirements of the Drug-Free School and Community Act Amendments of 1989 (PL 101-226), Ohio University has adopted and implemented a Drug and Alcohol Policy and program designed to prevent drug and alcohol problems within the university setting.

The policy and programs are designed to identify problems at the earliest stage, motivate the affected individuals to seek help, and to direct the individual toward the best assistance available.

Student Compliance with Ohio University's Drug and Alcohol Policy

All Ohio University students are expected to abide by the terms of this policy. A student found to be in possession or illegally using drug and/or alcohol may be subject to appropriate sanctions. Such sanctions may include:

referral for prosecution
expulsion, and/or
referral to the proper authorities for violations of the Student Standards of Conduct as described in this policy

A disciplinary sanction may include the completion of an appropriate rehabilitation program. Students are guaranteed due process.

Standards of Conduct

Ohio University is committed to maintaining a campus free of illegal drugs or the unlawful use of alcohol or illicit drugs. It is the policy of Ohio University to permit the possession, consumption, and sale of alcoholic beverages on campus in accordance with the laws of the State of Ohio, all ordinances of the City of Athens, the regulations of the Ohio Department of Liquor Control, and the policies of Ohio University.

Residents who are of legal age may possess or consume alcoholic beverages in their own room or the room of another who is of legal age. Sale or use of alcoholic beverages in public areas, mods, lounges, recreation areas, or outdoors requires approval of the resident director as well as compliance with the campus-wide policy listed in the student handbook.

Ohio University has the responsibility of upholding federal, state, and local laws regarding the use of drugs and alcohol. Students who choose to possess or use unlawful drugs or misuse lawful drugs or alcohol subject themselves to both arrest and prosecution and Ohio University judicial action.

Ohio University Student Sanctions

In cases of civil or criminal action against an Ohio University student, the University does reserve the right, for educational purposes, to review any action taken by authorities. The University may, at its discretion, introduce further sanctions if the student's conduct has interfered with the University's exercise of its educational objectives or responsibilities to its members.

The Ohio University Code of Conduct expressly prohibits the manufacture, distribution, sale, offer for sale, or possession of drugs or narcotics. Violation of this standard constitutes a "Code A" offense and the student will be subject to the full range of sanctions (reprimand, disciplinary probation, suspension, or expulsion). Being under the influence of drugs and/or alcohol does not diminish or excuse the violation of the Code of Conduct.

The Code of Conduct also prohibits the possession and/or use of marijuana and the unauthorized use of alcohol as defined in the student handbook. Violation of these standards constitutes a "Code B" offense and the student will be subject to a maximum sanction of disciplinary probation or any sanction not less than a reprimand. Being under the influence of drugs and/or alcohol does not diminish or excuse a violation of the Student Code of Conduct.

A student admitted to Ohio University accepts the responsibility to conform to all Ohio University rules and regulations. Proven failure to meet this obligation will justify appropriate disciplinary sanctions, including

expulsion, suspension, disciplinary probation, or reprimand.

Local, State, and Federal Laws and Sanctions

Applicable legal sanctions under local, state, or federal law for the unlawful use, possession, or distribution of illicit drugs or alcohol are set forth in the referenced laws and are available upon request from the Office of Legal Affairs.

Local: Athens Municipal Code
State: Ohio Revised Code Chapters:
2925 – Drug Offenses
3719 - Controlled Substances
4301 – Liquor Control Laws
Federal: Federal (Harrison) Narcotic Act
Federal Narcotic Drugs
Import and Export Act
Federal Food Drug and Cosmetic Act and
Federal Alcohol Administration

These sanctions can include probation, fines, driver's license suspension, and/or incarceration. Future revisions, amendments, or additions to these or other applicable codes are incorporated into this policy by this reference.

Health Risks

Physical or psychological damage may occur when the following substances are abused. Here are some of the health risks related to each substance.

Alcohol – Alcohol consumption causes a number of marked changes in behavior. Even low doses impair judgment and coordination and increase the incidence of aggressive behavior. Very high doses can cause respiratory depression and death. Alcohol intoxication is equivalent to a drug overdose. If combined with other depressants of the central nervous system, the effects of alcohol are multiplied. Repeated use of alcohol can lead to change in tolerance and dependence. Cessation of alcohol intake can produce withdrawal symptoms including tremors, hallucinations, convulsions, and death. Long-term consumption of large quantities of alcohol can lead to permanent damage to vital organs such as the brain and the liver. Women who drink even small amounts of alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. Children of alcoholic parents have a 40 percent greater risk of developing alcoholism than those whose parents are not alcoholic.

Anabolic Androgenic Steroids – Steroid users can experience serious cardiovascular, liver, central nervous system, gastrointestinal, and reproductive disorders. In many, use can result in testicular atrophy, sterility, impotence, and arrested growth. Irreversible masculinization and sterility can result when women use steroids. Psychological impairments include mood swings, depression, and very aggressive behavior.

Depressants – The use of depressants can result in a change in tolerance and physical, as well as psychological dependency. The combining of several depressants (e.g. valium and alcohol) will potentiate the depressant effects, multiplying the health hazards. Withdrawal systems include anxiety, vomiting, acute psychotic episodes, seizures and death.

Hallucinogens Phencyclidine (PCP) – Large doses of PCP may result in a convulsive seizure, coma and death. Mood disorders occur and the user may become violent, irrational and potentially harmful to self and others. Lysergic acid (LSD), mescaline and Psilocybin cause sensations and feelings to change rapidly. The user may experience panic, confusion, anxiety, depersonalization and loss of control. While relatively rare, flashbacks, the spontaneous reappearance of the drug experience after use has ceased, may occur.

Narcotics – Tolerance, especially to the euphoric effect of narcotics and physical dependence develops rapidly. In order to avoid the abstinence syndrome, the addict becomes preoccupied with acquiring the drug. Withdrawal symptoms are extremely uncomfortable; however, they are seldom life threatening.

Stimulants – High doses of stimulants result in intense personality disturbances including visual

and auditory hallucination, delusions and paranoia. Tolerance develops rapidly. Cross-tolerance does develop among stimulant drugs (e.g. methamphetamine and cocaine). The use of cocaine can cause death by cardiac arrest or respiratory failure. Stimulants are addictive and while withdrawal from stimulants is less dangerous than with depressants, depression can make a person vulnerable to suicide.

Cannabis – The mood altering effects of marijuana are the result of the chemical Delta-9 tetrahydrocannabinol (THC). THC is fat-soluble and can remain in the body up to three weeks after smoking one marijuana cigarette. Consequently, even the occasional user can be detected through urinalysis. Research indicates that regular use may have long term effects on the user's brain, heart and reproductive organs. The numerous carcinogenic chemicals found in marijuana make it particularly harmful to the lungs. Loss of memory, lack of motivation and diminished attention span are some of the effects of regular marijuana use. Long-term use may result in psychological dependence and change in tolerance.

Distribution and Review – The Office of Legal Affairs shall submit the drug-free campus certification as required by Section 22 of the Drug-free Schools and Communities Amendments of 1989 (Public Law 101-226) to the Secretary of the U.S. Department of Education.

Certification – This document will be distributed annually to each Ohio University student and reviewed biannually to assess its effectiveness, implement needed changes, and insure that disciplinary sanctions are consistently enforced.

Substance Abuse Resources

Resource information (booklets, brochures, pamphlets, etc.) regarding health and safety concerns from substance abuse and information regarding the availability or, and/or referral to, community based approved substance abuse counseling and rehabilitation services are available through a variety of University and community based services including:

If a class is closed or canceled, you will be notified by the Registrar's Office to make adjustments. **No money is necessary at this time. eBills will be generated Monday, May 18, 2009. Students must obtain a copy of their eBill or current account statement at www.ohio.edu/bursar and payment will be due on or before Monday, June 8, 2009.**

Privacy - Notification of Student Rights

The Family Educational Rights and Privacy Act of 1974 (FERPA) affords students certain rights with respect to their education records. They are:

- 1. The right to inspect and review the student's education records within 45 days of the day the University receives a request for access.** Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
- 2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights.** Students may ask the University to amend a record that they believe is inaccurate or identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- 3. The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent.** One exception which permits disclosure without consent is disclosure to University officials with legitimate educational interests. A University official is a person employed by the University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the board of higher education; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another University official in performing his or her tasks. A University official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility. Upon request, the University discloses education records, without a student's consent, to officials of another school, in which a student seeks or intends to enroll.
- 4. The right of nondisclosure of designated directory/public information.** Ohio University has designated the following items as directory/public information that may be released to the public without the student's consent: student's name; local and permanent addresses; local and permanent telephone numbers; University e-mail address; current major program(s); participation in officially recognized activities and sports; weight and height of members of athletic teams; dates of enrollment at Ohio University; degrees and awards received from Ohio University, including dates and major programs; the most recent previous educational agency or institution attended by the student; student's "also known as" (AKA) name; student standing and degree level (1st year undergraduate, 2nd year graduate, etc.); enrollment status (full time, etc.), including total hours enrolled by term; primary advisor; expected graduation date; current college and campus; residency status (Ohio resident, out-of-state student); admission status (new, continuing, etc.); record hold(s). Students who do not want their directory/public information (including a listing in the annual Campus Directory) released to third parties must complete the **Ohio University Confidentiality Status Request form** and return it to the Office the University Registrar, Chubb Hall, **within the first 15 calendar days of fall quarter**. Students who do not want to be listed in the Ohio University online e-Directory must complete the same form, but may submit it at any time.
- 5. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Ohio University to comply with the requirements of FERPA.** The office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue SW, Washington, D.C. 20202-4605.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act

In accordance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, Ohio University makes available a document describing the policies and procedures of Ohio University, as well as statistics on crimes reported on campus. You may request the document in several ways, either by telephone at (740) 593-1911, in person at Scott Quad 135, or via our Web site at www.ohio.edu/police/rtk.

Prerequisite Key

The prerequisite listed for each course in the course offerings section of the *Schedule of Classes* is the **minimum** requirement for the class. Students may petition departments to override the listed prerequisite. This is done only with a class permission slip obtained from the instructor or the department offering the course.

The following information will assist you in reading prerequisites:

PREREQUISITE	EXPLANATION
	Graduate Courses: Note that all courses with catalog numbers of 500 and above are graduate level courses and require graduate standing even though this fact is not listed for each course.
PERMISSION REQUIRED OR PERM REQUIRED	Permission is required for the class and it is not available through Web Registration. Register for this class with a class permission slip obtained from the instructor or the department offering the course.
HTC	Honors Tutorial College students only.
CONCURRENT OR CONCUR	Take concurrently with other course. Example: LING 475 or CONCURRENT
IT 221 AND (PHYS 202 OR 252)	Indicates (for example) IT 221 and either PHYS 202 or PHYS 252 must be completed (the second PHYS is implied and not printed).
C OR BETTER	Indicates (for example) a "C" is the lowest acceptable grade for the prerequisite course. Example: C or BETTER in JOUR 133
TIER I ENG	Indicates that the freshman Tier I English requirement must be completed.
TIER I MATH	Indicates that the freshman Tier I Quantitative Skills requirement must be completed.
JR COMP	Indicates that the junior level composition requirement must be completed.
FR ONLY	Indicates student must be freshman rank.
FR OR SOPH	Indicates student must either be freshman or sophomore rank.
FR OR SOPH OR JR	Indicates student must be freshman, sophomore, or junior rank.
SOPH ONLY	Indicates student must be sophomore rank.
SOPH OR JR	Indicates student must be either sophomore or junior rank.
SOPH OR JR OR SR	Indicates student must be sophomore, junior, or senior rank.
JR ONLY	Indicates student must be junior rank.
JR OR SR	Indicates student must be either junior or senior rank.
SR ONLY	Indicates student must be senior rank.
EQUIVALENT OR EQUIV	If this appears in the prerequisite, students who feel that they have comparable courses or experience may ask for permission to enroll in the course. They must obtain a class permission slip from the instructor or the department offering the course in order to register for the course.
RECOMMENDED	Indicates this course is a recommended prerequisite. However, it is not a requirement for registering for the course.
NOT PSY 120	Indicates (for example) the student who has completed PSY 120 may not register for this course.
MAJOR OR MJR	Indicates student must be a major of that department.
MAX RETAKE	Maximum number of times the student may retake this course to improve the GPA.
MAX REPEAT	Maximum limit of total accumulated credit that may be earned in this course.

Chillicothe Campus

In most instances, regional campus students are bound by the dates, deadlines, policies, and procedures as published in the *Schedule of Classes*. Exceptions and variations applicable to the Chillicothe campus are noted below.

CHANGES OF CLASS SCHEDULE

Students who find it necessary to add, replace, or drop a class can do so by using Web Registration. See the Academic Calendar for all registration deadlines.

CONTINUING STUDENTS

Register for your classes using Web Registration. See Information about using Web Registration. See Summer Quarter 2008-09 Calendar for all registration deadlines.

If you have trouble registering, contact the Advising Office. Hearing impaired students may contact the Registration Office located on the first floor in Bennett Hall.

Students who registered for classes are subject to a late payment charge of \$100 for balances remaining on their accounts past deadlines. Please check your eBill for tuition deadline information.

Reminder: Classes dropped after University-established deadlines will not remove fees for hours dropped and will reflect a grade of (WP/WF) on the student's academic record.

FEE ASSESSMENT INFORMATION

Graduate students taking undergraduate courses pay graduate fees (see General Information: Fee Assessment Information).

FEE PAYMENT

Payment can be made at the Student Services Office located in Bennett Hall by money order, check, VISA, MasterCard, or Discover (NO CASH, PLEASE!).

FINAL EXAMINATIONS

All final exams are scheduled for the last meeting time of each class. Each examination period is two hours and will be held in the regular classroom.

IDENTIFICATION CARDS

Ohio University student identification cards are available in the Student Services Office in Bennett Hall. Photo ID (e.g., driver's license) is required to obtain an Ohio University identification card.

IMPORTANT

Any student unable to complete the quarter should contact the Student Services Office, (740) 774-7240, for information and instructions. Students who do not follow University policy for withdrawal will receive an F, FN, or FS grade. FN/FS grades calculate as Fs in the GPA.

INTERNATIONAL STUDENTS

See special information for international students.

NEW STUDENTS

New students who will be attending the Chillicothe campus for the first time will be notified by mail about registration and placement tests. Should new students need further information, please contact Student Services, (740) 774-7240.

REMINDER

When reading the introductory pages of the *Schedule of Classes*, please pay careful attention to the following:

Information and instructions on using Web Registration

Information on using the Web for obtaining class schedules and grades

Web Registration availability dates

University deadlines and procedures

Final deadline for applying for graduation for summer quarter. Apply online at www.ohio.edu/registrar.

BE SURE TO CHECK THE INFORMATION ABOUT YOUR CLASSES AS YOU REGISTER

Any changes to day, times, etc., are visible on the Web. If a section is changed, an attempt is made to contact those students who registered. However, success of such notification cannot be guaranteed. It will be expected that those who register after a change is made will see the change while registering. STUDENTS SHOULD PERIODICALLY CHECK COURSE INFORMATION ON THE WEB. Those with conflicts should consult with an advisor.

STUDENT INSURANCE

Student insurance is NOT required at the Chillicothe campus, but forms for purchasing insurance are available at the Student Services Office.

STUDENT RESPONSIBILITY

It is the responsibility of students to familiarize themselves with all portions of the University catalog pertaining to their eligibility status, requirements for graduation, and various deadlines.

TRANSCRIPTS REQUESTS

Transcript request forms are available at the Chillicothe campus or online at www.ohio.edu/registrar. Completed forms must be returned to the Office of the University Registrar, Chubb Hall, Ohio University, Athens OH 45701-2979. See transcripts for more information.

TWO-HOUR RULE

Students who miss the first two contact hours of a class may be denied permission to remain in the class. Permission to add a class may also be denied to students who are not attending the class. If you will be absent for the first two contact hours of a class, be sure to notify the instructor and seek permission BEFORE the class.

Remember to activate your Oak account at technology.ohio.edu/myaccount/activate.html

Eastern Campus

In most instances, regional campus students are bound by the dates, deadlines, policies, and procedures as published in the *Schedule of Classes*. Exceptions and variations applicable to the Eastern campus are noted below.

CONTINUING STUDENTS

Go to your assigned academic office and get your DARS report and a trial schedule form.

Begin planning your schedule. Don't forget to choose several alternate classes - just in case.

Make and keep an appointment with your advisor. Take your DARS report, a copy of *The Quarterly*, and your trial schedule with you.

Register for your classes using Web Registration. Registration begins April 7, 2009. See information about using Web Registration.

If you have trouble registering, contact the Advising Office. Hearing impaired students may contact the Registration Office, first floor, Shannon Hall.

Mail your payment with your bill by the payment deadline to Ohio University, PO Box 711891, Columbus, OH 43271-1891. Students who registered for classes are subject to a late payment charge of \$100 for balances remaining on their accounts after the **June 8, 2009**, payment deadline.

FINAL EXAMINATIONS

All final exams are scheduled for the last meeting time of each class.

INTERNATIONAL STUDENTS

See special information for international students.

NEW STUDENTS AND TRANSFERS

All new students, including transfer students, must take a skills assessment (dates will be announced). There is no

charge for the skills assessment, but an appointment is required.

Note: Transfer students must take the skills assessment, but we will NOT require them to retake courses for which they receive transfer credit.

New and transferring students will receive a copy of the quarterly schedule through the mail. These students should call the Advising Office, (740) 699-2517, and make individual appointments during which we will help them create schedules for the upcoming term.

RE-ENROLLING STUDENTS

If you were not enrolled for the preceding quarter but have been an Ohio University student in the past, you must file the appropriate forms (no cost involved) to reactivate your records. Contact the Admissions Office on the Eastern campus and ask for a re-enrollment packet. Before registering for classes, you should also talk with an advisor who can assist you in selecting appropriate courses to meet your requirements.

REMINDER

When reading the introductory pages of the *Schedule of Classes*, please pay careful attention to the following:

Information and instructions on using Web Registration

Information on using the Web for obtaining class schedules and grades

Web Registration availability dates

University deadlines and procedures

Final deadline for applying for graduation for spring quarter. Apply online at www.ohio.edu/registrar.

Lancaster Campus

In most instances, regional campus students are bound by the dates, deadlines, policies, and procedures as published in the *Schedule of Classes*. Exceptions and variations applicable to the Lancaster campus are noted below.

FEE ASSESSMENT INFORMATION

Graduate students taking undergraduate courses pay graduate fees (see General Information: Fee Assessment Information).

FINAL EXAMINATIONS

All final exams are scheduled for the last meeting time of each class.

INTERNATIONAL STUDENTS

See special information for international students.

REMINDER

When reading the introductory pages of the *Schedule of Classes*, please pay careful attention to the following:

Information and instructions on using Web Registration

Information on using the Web for obtaining class schedules and grades

Web Registration availability dates

University deadlines and procedures

Final deadline for applying for graduation for summer quarter. Apply online at www.ohio.edu/registrar.

BE SURE TO CHECK THE INFORMATION ABOUT YOUR CLASSES AS YOU REGISTER.

Any changes to days, times, etc. are visible on the Web. If a section is changed, an attempt is made to contact those students who registered for it before the change. However, success of such notification cannot be guaranteed. It will be expected that those who register after a change is made will see the change while registering. **STUDENTS SHOULD PERIODICALLY CHECK COURSE INFORMATION ON THE WEB.** Those with conflicts should consult an advisor.

Southern Campus

In most instances, regional campus students are bound by the dates, deadlines, policies, and procedures as published in the *Schedule of Classes*. Exceptions and variations applicable to the Southern campus are noted below.

ACADEMIC ADVISING

Students are encouraged to consult an advisor to review a schedule and make adjustments. Call Student Services in Ironton, (740) 533-4600, or the Proctorville Center, (740) 886-7655, for information or an appointment.

CHANGES OF CLASS SCHEDULE

Students who find it necessary to add or replace a class can do so by using Web Registration. See Summer Quarter 2008-09 Calendar for all registration deadlines. The last day to add a class without instructor's approval is **Monday, June 29, 2009**, full quarter. The last day to add a class is **Monday, July 6, 2009** for the full quarter, **Monday, June 29, 2009**, for the first session, or **Monday, August 3, 2009**, for the second session.

Students may use Web Registration to drop any class through **Monday, July 27, 2009** for the full quarter, **Wednesday, July 8, 2009**, for the first session, or **Wednesday, August 12, 2009**, for the second session. However, classes dropped **Tuesday, July 7, 2009 - Monday, July 27, 2009** for the full quarter, **Tuesday, June 30, 2009 - Wednesday, July 8, 2009**, for the first session, or **Tuesday, August 4, 2009 - Wednesday, August 12, 2009**, for the second session, will remain on student's academic record with WP/WF grade with no fee adjustment.

FEE PAYMENT

Payment may be made at Student Services located in the Collins Center by money order, check, VISA, or MasterCard (NO CASH, PLEASE!).

FINAL EXAMINATION PROCEDURES AND SCHEDULE

All final exams are scheduled for the last meeting time of each class. Each examination period is two hours and will be held in the regular classroom.

FINANCIAL AID ASSISTANCE

Financial aid questions should be directed to Student Services, (740) 533-4600.

IMPORTANT

Any student unable to complete the quarter should contact Student Services,

(740) 533-4600, for information and instructions. Students who do not follow University policy for withdrawal will receive an F, FN, or FS grade. FN/FS grades calculate as Fs in the GPA.

INSURANCE

Insurance forms will be available at the time of registration. Students who want insurance should complete the form and mail it to the indicated address.

INTERNATIONAL STUDENTS

See special information for international students.

NEW STUDENTS

New students who will be attending Southern campus will be required to attend an orientation - dates to be announced. Student Services will advise new students with the details a few weeks prior to the event. Contact Student Services for more information regarding these sessions.

RE-ENROLLING STUDENTS, RELOCATING STUDENTS, AND TRANSFER STUDENTS

Students in this category should call or meet with an advisor in Student Services.

REMINDER

When reading the introductory pages of the *Schedule of Classes*, please pay careful attention to the following:

Information and instructions on using Web Registration

Information on using the Web for obtaining class schedules and grades

Web Registration availability dates

University deadlines and procedures

Final deadline for applying for graduation for summer quarter. Apply online at www.ohio.edu/registrar.

ROOM SCHEDULE

The classroom schedule will be posted on bulletin boards and Web prior to the first week of classes.

Zanesville Campus

In most instances, regional campus students are bound by the dates, deadlines, policies, and procedures as published in the *Schedule of Classes*. Exceptions and variations applicable to the Zanesville campus are noted below.

NOTICE Register Early!

Most Zanesville campus classes are closed for registration after the second day of classes.

CLOSED CLASSES - WAITING LISTS

If you wish to register for a CLOSED CLASS, go to the Information Center in Elson Hall, sign the waiting list, and pick up a PETITION to enter a CLOSED CLASS. You must attend the first two contact hours of the class and, if an opening occurs, the instructor will admit petitioning students based on their waiting list number.

FEE PAYMENT

Payment can be made at the Information Center by money order, check, VISA, MasterCard or Discover (NO CASH, PLEASE!).

FINAL EXAMINATION SCHEDULE

All final exams are scheduled for the last meeting time of each class.

IDENTIFICATION CARDS

Identification Cards are available in the Learning Advancement Center.

INTERNATIONAL STUDENTS

See special information for international students.

MOTOR VEHICLE REGISTRATION

Motor vehicle registration is NOT required at the Zanesville campus.

OUZ ON THE WEB

Please visit the OUZ Web site, www.zanesville.ohiou.edu, for this quarter's most up-to-date schedule.

While visiting www.zanesville.ohiou.edu, you can also explore tentative course schedules, dates and deadlines, admissions information, and scholarships. In addition, you can access campus resources such as the Library for online resources or the Learning Advancement Center for tutoring and other academic support resources.

Zanesville campus but forms for purchasing insurance are available at the Information Center.

SUMMER QUARTER 2008-09 REGISTRATION ADVISING

Summer quarter advising and scheduling for advising appointments will be available at the Information Center.

Nursing Students:

Admitted nursing students will receive information from the Nursing Office regarding registration meetings. Prospective nursing students call (740) 588-1514 for individual appointments.

Education Majors:

There will be priority registration meetings for education majors. Watch the education bulletin board for dates and times.

DARS reports will be available at the Information Center (watch for availability dates).

TRANSCRIPT REQUESTS

Transcript request forms are available at the Zanesville campus or online at www.ohio.edu/registrar. Completed forms must be returned to the Office of the University Registrar, Chubb Hall, Ohio University, Athens, OH 45701-2979. See transcripts for more information.

TWO-HOUR RULE

Students who miss the first two contact hours of a class may be denied permission to remain in the class. Permission to add a class may also be denied to students who are not attending the class. If you will be absent for the first two contact hours of a class, be sure to notify the instructor and seek permission BEFORE the class.

WORKSHOPS

Workshops are listed in the *Schedule of Classes*. For further information about workshops, contact Continuing Education, (740) 588-1400.
