Subject: Message from Provost Krendl

Dear Colleagues,

The Office of the University Registrar has historically provided a printed Schedule of Classes. Effective Winter Quarter 2006-2007 all Schedule of Classes information will be available exclusively online. The University chose to move to an exclusive online publication for many reasons, including:

1. The printed Schedule of Classes was out-of-date before it was distributed.
2. The online Course Offerings is updated hourly during priority registration.
3. An html version of the Schedule of Classes is available online.
4. A PDF version of the Schedule of Classes is also available online with bookmarks and links to allow you to navigate the document. You may also use the search feature to quickly find what you are looking for. (The PDF version may be downloaded and saved on your computer for future reference.)

Debra Benton, university registrar, met with deans, assistant deans and chairs and directors to review the change and transition plan.

Academic advising begins for Winter Quarter registration on October 16. The Winter Quarter 2006-2007 Schedule of Classes is currently available online.

The Schedule of Classes is located easily by accessing the Office of the University Registrar Web site, <<http://www.ohio.edu/registrar>><http://www.ohio.edu/registrar>, and selecting Schedule of Classes in the middle column. In addition, there is a direct link to Course Offerings in the left column under Online Services.

If you have questions, please direct them to University Registrar Debra Benton, at 3-4260 or registrar@ohio.edu.
