

**OHIO**  
UNIVERSITY

Office of the University Registrar

## E-mail Announcement

**Date:** Monday, October 23, 2006, 7:18 p.m.

**To:** All Students

**From:** Office of the University Registrar

**Subject:** Notice from the University Registrar

Priority registration opens today, and we thought you should be aware that the Winter Quarter 2006-2007 Schedule of Classes information is available exclusively online. The Schedule of Classes is located easily by accessing the Office of the University Registrar Web site at <http://www.ohio.edu/registrar> and selecting Schedule of Classes in the middle column. Also available online is a PDF version with bookmarks and links that allow you to easily search and navigate the PDF version.

The online Course Offerings application continues to be updated hourly. This is also available by accessing the Office of the University Registrar Web site at <http://www.ohio.edu/registrar> and selecting Course Offerings under Online Services. We recommend using this online function for the most up-to-date information on added, cancelled, or changed classes to plan your schedule for the Winter Quarter.

If you have any questions, please contact the Office of the University Registrar at <mailto:registrar@ohio.edu> or 740-593-4191.
