### **Online Grading System is Available**

The Online Grading System is up and running for spring quarter final grades. Over 50 percent of all faculty members used the system during its "live" opening in winter quarter. To access the system home page, [visit the Faculty/Staff Web site](#), and select Online Grading from the Online Services + Forms menu.

There are enhancements to this system for spring:

- Safari is a valid browser for Macintosh users
- Pop-up messages provide instant feedback about the grades you submitted
- A warning message appears if the system is about to log you out for inactivity

The system is up 24 hours per day, 7 days per week and is a secure means of submitting your grades. Please contact [grades@ohio.edu](mailto:grades@ohio.edu) if you have any questions.
