From: Debra M. Benton, University Registrar
Subject: Announcement from the University Registrar

Good morning:

The Office of the University Registrar is writing to let you know of the retirement of TRIPS - the Touch-tone Registration & Information Processing System.

At the end of the business day on Friday, September 1, 2006, TRIPS will no longer be available for registration activity or for listening to grades. Beginning September 2, students should use the institution's Web-based systems for these services - all accessible from the Office of the University Registrar's Web site: <http://www.ohio.edu/registrar>.

For students who do not have Internet access, please be aware that there are open computer labs on each campus. In addition, students may contact the Office of the University Registrar or the regional campus student services office to request a printed copy of their schedule and/or grade report. Schedules and grades will continue to be sent to student Oak e-mail accounts as well.

Please let us know if you have any questions.

Debra Benton, University Registrar
