Official Grades will be listed followed by the Term Statistics followed by Academic Standing.

Please note effective Summer Quarter a new academic probation policy was implemented. The details of the policy are available below and in the Undergraduate Catalog 2010-12:

At the close of the quarter, the academic record of each enrolled undergraduate student (regardless of student enrollment status) will be reviewed to verify the accumulative GPA. At the time of the review, if you do not have the required 2.0 minimum accumulative GPA, you will be placed on academic probation. To be removed from probation, your accumulative GPA must reach at least a 2.0.

Students with fewer than 135 credit hours earned: If you have fewer than 135 credit hours earned and are not removed from probation, you will be continued on probation or academically dismissed. To be continued on probation, you must have either 1) term quarter GPA at least 2.0 or 2) accumulative GPA equal to or greater than the minimum GPA defined by your hours earned:

<i>Total Hours Earned</i>	<i>Minimum Accumulative GPA to be Continued on Probation</i>
<i>0 — 44.9</i>	<i>1.6</i>
<i>45.00 — 89.99</i>	<i>1.8</i>

90.00 — 134.99

1.9

If you are on probation and fail both of the criteria described above, you will be academically dismissed.

Students with 135 or more credit hours earned: If you are on probation in a given term and you have 135 or more credit hours earned at the end of that term, you must achieve a 2.0 accumulative GPA to avoid academic dismissal.

If you have questions regarding your academic standing (probation) please contact your college student services office.
