

Division of Student Affairs Focus Goals for 2009-2010

The Division of Student Affairs recognizes that our human resources and Student Affairs/Academic Affairs partnerships are vital to student success and core to fulfillment of our mission. With these things in mind, the 2009-10 Division of Student Affairs Focus Goals will be:

1. Complete the second year Vision Ohio goals for the Division of Student Affairs.
2. Brand the division and create a **marketing** plan for each department that promotes our work and services.
3. Each department will develop two departmental goals to enhance the **well-being** of staff in their areas.
4. Each department must show significant growth and development toward **Student Affairs/Academic Affairs partnerships**.
5. The **Values of Ohio (5Cs)** will be prominently displayed in our offices, and utilized in our marketing and services to students and other constituents. (We will have one Division meeting in the winter quarter in which departments will report on the progress they have made to infuse the Values of Ohio into their work with students.)
