Plan an event for Earth Month in April

April is 'Earth Month' and the Office of Sustainability is organizing a variety of speakers, workshops, and events. Participants can add an event to the schedule or use this opportunity to plan a new one.

This year's theme, "Bold and Uncensored: Not Your Mama's Environmental Movement," will highlight unconventional and innovative approaches to environmentalism.

All events should be free, open to the public and located in Athens. Contact Amy Nordrum at an235806@ohio.edu to add an event or for more details.
