## Some Questions to Ask at the Majors Fair

Not sure what to ask when you approach a Majors Fair table? Here is a list of questions you can ask to get the information that you need.

In what college is the major located?

What are the admission requirements to change into this major (deadlines, GPA, courses that need to be taken prior to applying, etc)?

What skills, qualities, and interests are needed to do well in this major?

What courses are required for this major?

Are there college requirements—if so, what are they?

Are practical experiences or internships required for this major? Are they optional (is it possible to get credit)? Can you tell me about any internships your students have completed?

Are there clubs or organizations for students connected to this major?

Is graduate study/professional school required or suggested to pursue career fields with this major?

What career options are available to students who graduate with this major?

# Great Web Sites to Assess Yourself and Research Majors and Careers

Compiled by University College, 140 Chubb Hall

Gathering information about majors and careers is an important part of the academic decision-making process. The following websites help you to take stock of your interests, abilities, and values and learn more about majors that might suit you best. You can also learn about career opportunities that are possible for different majors and gain tips on preparing for your future career.

Once you have gathered information, see an advisor in University College and/or a counselor in Career Services to help you evaluate your findings.

## Identifying Your Interests, Abilities, and Values

<http://www.ohio.edu/careers/students/resources2.cfm>

*Career Awareness Through Self-Assessment* offers advice and web-based tools, such as FOCUS and the “What can I do with this major?” to help you discover and learn about career options related to your personal attributes.

<http://www.princetonreview.com/careers-after-college.aspx>

Click on “5-min. Career Quiz” to take the 24-item test. Once you complete the quiz, you will receive a career work style and interest summary. Under your interest and style profile is a list of careers. Click on each one to read more about careers that might interest you and access the following information on each career field: a day in the life, quality of life, present and future, facts and figures, majors leading to the career field, and graduate programs.

<http://www.mncareers.org/careers/index.html>

Contains helpful information for career and educational exploration. You can “Take a Skills Assessment” and then “Research Career Clusters” to discover information about salary, employment outlook, skills, and job titles.

<http://www.keirsey.com>

By clicking on the section titled “Keirsey Temperament Sorter-II,” you can take a 70-item inventory to learn more about your personality. Once you have your results, go to <http://www.typelogic.com/>, to get a more detailed description of your personality.

## “What can I do with a major in. . .?”

<http://www.ohio.edu/careers/majors/>

Detailed website for learning about career possibilities for a range of majors and the strategies needed to get there.

<http://jobstar.org>

Choose “Career Guides,” then “Guides for Specific Careers” to assess a list of university majors and explore career options related to the major.

The following are outstanding sites containing lists of majors and corresponding career options one could pursue related to those majors.

<http://www.princetonreview.com/Majors.aspx>

<http://www.kucareerhawk.com/s/762/start.aspx> (click on Careers for You)

<http://www.uncw.edu/stuaff/career/Majors/>

<http://students.georgiasouthern.edu/career/> (click on Students and then on What can I do with a major in. . . under Major/Career Decisions) (includes resume examples)

<http://careerservices.rutgers.edu/CareerHandouts.shtml>

[http://www.collegeboard.com/csearch/majors\\_careers/profiles](http://www.collegeboard.com/csearch/majors_careers/profiles)

Office of Career Services (Baker University Center 533) has free handouts for Ohio University’s many different majors, and a library of books.

## Information Specific to Careers

<http://www.bls.gov/oco/>

This U.S. Department of Labor site features the most complete source of information and statistics on careers, the Occupational Outlook Handbook. You can learn everything you want to know about any career in the U.S.: 1) nature of the work; 2) training, other qualifications, and advancement; 3) current and projected employment; 4) job outlook; 5) earnings; 6) related occupations; and 7) sources of additional information.

<http://www.jobweb.com/> and click on Students

This site provides resources to help you with all stages of career planning. Includes extensive information on job outlook, salaries, the job search process, and companies. Also, check out various career options under the Career Planning link.

<http://www.ohio.edu/careers/students/resources2.cfm> and click on CareerBeam.

Offers company and industry information as well as international databases.

## If You’re Interested in Graduate School

<http://www.petersons.com>

You can search the database to find which universities offer programs in your area of interest as well as get information on preparing for graduate admissions tests.

<http://www.ohio.edu/careers/students/graduateschoolPlanning.cfm> and click on “Planning for Grad School.”

Includes questions to consider, application process, entrance exams, and criteria.

# Get Involved in Student Activities!

- Expand your world at Ohio University
- Meet people with similar interests
- Have fun!
- Improve your abilities
- Organize your time better
- Gain experience

It is likely that you've heard of social organizations such as fraternities and sororities and that you are aware of honor societies, but did you know that there are hundreds of other organizations that you could join?

## ➔ **SEARCH BY TYPE, ALPHABET, OR WORD**

Visit <http://storg.admsrv.ohio.edu/storg/> to access the list of all student organizations. You can search by these types:

Arts	Honorary/honor society	Religious/Spiritual
Club Sports	Media	Residence Hall/Green Service
Department/Academic	Political	Social Justice
Fraternity (social)	Professional	Sorority (social)
Governing/Advising	Programming	Special Interest
Greek	Recreational	

## ➔ **SEARCH BY AREA OF CAREER INTEREST OR MAJOR:**

**College of Arts and Sciences:** <http://www.cas.ohiou.edu/undergrad/content/org/Studorglist.asp>

**College of Business:** <http://www.cob.ohio.edu/isms/cobContent.aspx?1209>. You don't have to be a College of Business major to join many of the organizations. For example, if you are interested in a career in marketing, you can join the American Marketing Association and gain relevant marketing experience (no matter what your major is!).

**College of Communication:** <http://www.scrippscollege.ohio.edu/student-organizations> and click on Student Organizations. You don't have to be a major in the College of Communication to join organizations like the Advertising Association or the Public Relations Student Society of America. If you are interested in working in communication, there is an organization for you, no matter what your major is.

**College of Education and Human Services:** Stop by the McCracken Lobby to learn about education-related organizations. Visit <http://www.cehs.ohiou.edu/news-events/coeorganizationdirectory.htm> to learn about partnerships.

**College of Engineering and Technology:** <http://www.ent.ohiou.edu/organizations.html>

**College of Fine Arts:** Search by choosing "Arts" on <http://storg.admsrv.ohio.edu/storg/>, visit the office of the School, or stop by Jennings House.

**College of Health Sciences and Professions:** [http://www.hhs.ohiou.edu/chhs/student\\_services\\_student\\_organizations.aspx](http://www.hhs.ohiou.edu/chhs/student_services_student_organizations.aspx)

**Honors Tutorial College:** <http://www.honors.ohio.edu> and click on Current Students.

**University College:** If you know which college you plan to enter, visit the above websites to identify areas that best fit your interests. If you are unsure about your plans for a major and/or career, visit <http://storg.admsrv.ohio.edu/storg/> to identify organizations to help you explore your interests.

# And Get Active!

➔ **VOLUNTEER YOUR TIME.** To find an opportunity that fits your interests, visit <http://www.ohio.edu/communityservice> or stop by the Campus Involvement Center, Baker Center 355.

➔ **FIND A PART-TIME JOB.** Dining Services Department <http://www.facilities.ohiou.edu/food/index.php> and click on Student Employment  
Centralized Student Employment Service/Hourly (CSES) <http://www.ohio.edu/hr/employment/student.cfm>.  
Program to Aid Career Exploration (PACE) [http://www.ohio.edu/financialaid/employment/emp\\_pace.cfm](http://www.ohio.edu/financialaid/employment/emp_pace.cfm)

➔ **ATTEND AN ARTS, LECTURE, OR SOCIAL/ENTERTAINMENT EVENT.** Visit <http://www.ohio.edu/calendar/> for current opportunities.

➔ **PARTICIPATE IN RECREATIONAL ACTIVITIES.** Visit <http://www.ohio.edu/recreation> to explore your opportunities.

➔ **EXPLORE THE MULTICULTURAL CENTER.** Visit <http://www.ohio.edu/culturalcenter/>.

➔ **DEVELOP YOUR LEADERSHIP SKILLS.** Visit <http://www.ohio.edu/campuslife/leadership/index.cfm> for information and opportunities.

➔ **LEARN ABOUT NATIONAL OPPORTUNITIES/AWARDS FOR COLLEGE STUDENTS.** Visit <http://www.onca.org/> and click on Awards.

➔ **SUPPORT AND EXPLORE REGIONAL ARTS AND CULTURE.** Visit <http://www.finearts.ohio.edu/pages/news/calendar.htm> for information.

## **ADDITIONAL RESOURCES:**

Career Services <http://www.ohio.edu/careers/>  
Athens information and events <http://www.athensohio.com>  
Lesbian, Gay, Bisexual, Transgender Programs <http://www.ohiou.edu/lgbt/>

# Office of Career Services

Baker University Center 533, (740) 593-2909  
[www.ohio.edu/careers](http://www.ohio.edu/careers), [career.service@ohio.edu](mailto:career.service@ohio.edu)

The Office of Career Services provides assistance with making career decisions, exploring major and career options, attending career fairs, and conducting effective job searches. Our staff is committed to providing comprehensive career development to all Ohio University students and alumni. Some of our services include:

- Major and Career Advising
- Job Search Assistance
- Mock Interview Program
- FOCUS
- OCIS
- CareerBeam
- Workshops
- Career Resource Center
- Bobcat CareerLink
- Fall & Winter Career Fair
- Teacher Recruitment Consortium

No matter where you are in your major and career planning process, we can help. Stop by or call our office to find out how!

# Declaring/Changing Your Major

## 2011-2012 Transfer Requirements for OHIO Colleges

### College of Arts and Sciences

1st floor, Wilson Hall, 740-593-2845, <http://www.cas.ohiou.edu/>

Students interested in entering the College of Arts and Sciences must have a 2.00 cumulative GPA and may apply during the first two weeks of each quarter. Students with 45 or more hours may not transfer in as undeclared or "undecided."

### College of Business

Copeland Hall 214, 740-593-2000, <http://www.cob.ohiou.edu/>

- A. Students earning a **Bachelor of Business Administration** (B.B.A.) degree include the following majors: **Accounting, Business Economics, Business Prelaw, Finance, General Business, International Business, Management and Strategic Leadership, Management Information Systems, Marketing, and Sports Administration.**
- The College of Business allows a limited number of students from other Ohio University academic colleges to apply for transfer into the College of Business for the purpose of earning a B.B.A. The College of Business reserves the right to limit transfer admission as necessary. To apply to transfer into the College of Business for the B.B.A. majors above:
    - Your cumulative GPA must be no less than 2.75 and
    - You have successfully completed ECON 103, ECON 104, MATH 163A, and ENG 151 or 151A and
    - Any two courses from any combination of the following areas: PSY (except not 120 or 221), HIST, SOC, PHIL, POLS.
    - International students must submit documentation that confirms they have achieved a paper-based TOEFL score of at least 550 or an internet-based TOEFL of at least 79. NOTE: All of the above classes except the math and economics classes must have been completed at either Ohio University or another college or university at which English is the language of instruction.
  - First year students** may apply only during the month of May. On-line applications for freshmen are available during May at [cob.ohio.edu/transfer](http://cob.ohio.edu/transfer). The College of Business admissions committee reviews applications after grades are available at the close of spring quarter. All applicants will be notified of the final transfer decision by mail around July 15. The CoB reserves the right to limit transfer admission as necessary.
  - Sophomores and juniors** may apply any quarter and may pick up a transfer application at 214 Copeland Hall any time during the quarter in which they are completing the six requisite courses above. Sophomores and juniors do not use the online application process; instead, they should pick up a transfer application. Final transfer decisions will be made each quarter ASAP after grades are available for that quarter. The CoB reserves the right to limit transfer admission as necessary.
  - Residency Requirement: You must be enrolled in the college before your senior year to allow for the CoB 48-hour residency requirement. You must earn at least 50 percent of the business credit hours required for the business degree at Ohio University. A one-credit course, BA 497, "*Introduction to the CoB for Transfer Students*," is required for all transfer students as a substitute for BA 100A and BA 100B. The course must be taken in the student's first quarter of CoB enrollment. It is a seminar course in which all instruction is given in one day with several assignments due by the end of the quarter.
- B. Students majoring in **Sport Management** earn a **Bachelor of Science in Sport Sciences** (B.S.Sp.S.). All students interested in the Sport Management program will enter Ohio University with a pre-major code of ND8840 (Pre-Sport Management).
- To be admitted into the major, a student must apply and be accepted after successfully completing seven courses in the sport management requisite with at least a 2.5 cumulative GPA. Complete these seven requisite courses (28 credit hours total) with a grade of "C" (2.0) or better in each course: ACCT 101, ECON 103, MATH 163A, SASM 201, SASM 225, ENG 151 or 151A, COMS 101 or 103. Students are advised to make a decision about a major as early as possible in order to apply to the program in a timely manner.
  - For Pre-Sport Management Majors (ND8840) in the College of Business: The completed application and a current DARS report must be submitted by the end of the **second week** of the quarter following completion of the admission requirements to **your faculty advisor** for verification and signature prior to submitting your application.
  - For All Other Applicants: You must bring the completed application and a current DARS report to 603 Copeland to meet with the Chair of the Department of Sports Administration (or designated professor) for verification and endorsement by the **seventh day** of the quarter following completion of the admission requirements. If you are admitted to the major, you must take your copy of the signed form to Copeland 214 by the **end of week 2** to change your major code to BS8123 (Sport Management) and add the Business Minor (ORBSAD) to your academic record.

### Scripps College of Communication

RTVC Building 497, 740-593-4168, <http://www.scrippscollege.ohio.edu/>

All students wishing to transfer into a school in the college must meet the minimum standards indicated by the individual school. Completion of those requirements does not guarantee acceptance into one of the programs; students are admitted on a space available basis, up to the school's enrollment ceiling. A "C" or better is required in the core classes for each school (see *Undergraduate Catalog* for list).

- A. **J. Warren McClure School of Information and Telecommunication Systems:** Philip Campbell, Lindley Hall 282, 740-593-4907, [campbelp@ohio.edu](mailto:campbelp@ohio.edu).
- Students must have a 2.5 cumulative GPA or higher. Students must meet with the school's director or associate director and fill out a form.
- B. **School of Communication Studies:** Jerry Miller, Lasher Hall 202 (schedule appointment through staff assistant by telephoning 740-593-4842).
- Students should review the school website ([www.coms.ohiou.edu/undergraduate-program](http://www.coms.ohiou.edu/undergraduate-program)), print a "What If" DARS, and attend a transfer workshop (offered in September, February and May). Students must have a 2.75 accumulative GPA or higher. Students must apply online at: <http://www.coms.ohiou.edu/transfer-application-form>.
  - First-year students may apply between Feb. 15–March 1 for fall admission if they will complete at least 48 hours with a 2.75 accumulative GPA or higher by the end of spring quarter.
  - Students who have completed more than 48 hours must have a 2.75 accumulative GPA or higher when they apply and may apply either September 15–October 1 for winter quarter admission or February 15–March 1 for spring quarter admission.
- C. **E.W. Scripps School of Journalism:** Hugh Martin, Scripps Hall 105A, 740-597-2199.
- The faculty of the E.W. Scripps School of Journalism is dedicated to quality instruction in preparing students for a career in the journalism disciplines. To provide this quality of instruction, the school's policy is to maintain an enrollment at a number that may be served effectively by its faculty. The following policy is a means by which the school can better maintain its academic quality.
- Applicants must have a minimum accumulative grade point average of 3.0 overall or an average of 3.0 in the last three quarters to be considered for admission. Please note that a 3.0 qualifies a student only for consideration and does not guarantee admission. Applicants must have completed a minimum of 45 quarter hours (30 semester hours) by the time of application.
  - Students are encouraged to take journalism courses before applying for transfer. The school also encourages students to attend one of the transfer workshops offered by the school each fall and spring quarter before applying. Information about the date and location of workshops is available in the school office.
  - Applications for transfer are accepted twice per academic year. The deadline of 5 p.m. October 1<sup>st</sup> (or the following Monday if on a weekend) is for admission for winter quarter. The deadline of 5 p.m. March 1<sup>st</sup> (or the following Monday if on a weekend) is for admission for the following fall quarter. Any application received after the October 1/March 1 (or the following Monday if on a weekend) deadlines will not be considered.
  - To apply:
    - Fill out the application available at <http://www.scrippsjschool.org/about/admission.php>.
    - Submit a college transcript or DARS showing your most recent grades.
    - Include at least two letters of recommendation from references best able to comment on the applicant's journalistic abilities. Recommendation letters are an important part of the transfer committee's deliberations. Applicants who do not include at least two letters will not be considered. Please note: recommendation letters should not be from high school teachers.
    - Complete a 500 word written essay on the theme, "Why I want to be a journalism major."
    - The transfer committee recommends that applicants submit examples of journalism work not to exceed six samples. Samples of work cannot be returned.
    - The application must be typed, signed and dated, and submitted in a binder.
  - Any application that is incomplete will not be considered. It is the responsibility of the applicant to make sure that his or her transfer packet is complete.
  - The school's transfer committee will evaluate applications and make recommendations to the Director and Associate Director. The school's Director and Associate Director will make final decisions on transfer admissions. Applicants will receive written notification of acceptance or denial. Students who are denied admission may re-apply during the next academic year. However, students may only apply once per academic year. Applications will not be carried over to the next year. Re-application is necessary.
- D. **School of Media Arts and Studies:** Jeff Redefer ([redefer@ohio.edu](mailto:redefer@ohio.edu)), 202D RTVC Building, 593-4870.
- A minimum 3.0 cumulative GPA is required for consideration. Applications are accepted once per year by the fifth Friday in spring quarter. Students who will have completed at least 48 hours with a minimum 3.0 accumulative GPA by the end of spring quarter may apply by the fifth Friday in spring quarter for fall admission. In some exceptional cases (e.g. professional experience), a student may be considered with less than the required 3.0 GPA.
  - Students are encouraged to attend one of the transfer workshops sponsored by University College (offered each winter and spring quarter) before applying.

3. Prospective students must submit:
    - The application
    - Three letters of recommendation, 2 from university professors and 1 from the professional community.
    - A statement of intent/purpose (what the career goals are and why MDIA will help realize these goals).
    - Submission of a portfolio of work is optional.
  4. Students transferring into MDIA must be enrolled for a minimum of one academic year (3 consecutive quarters or 2 consecutive semesters) or their final 48 quarter hours/30 semester hours of earned credit in the school in order to graduate from this program.
- E. **School of Visual Communication:** Stan Alost, 301 Seigfred Hall, 597-1756.  
The following policy has been established by the School of Visual Communication as a means of selecting the best-qualified students for the program. The academic quality of the curriculum depends in part on maintaining enrollment at a number that may be effectively served by our faculty and our facilities. The school is dedicated to top-quality instruction, and this policy is one means to maintain that goal.
1. The School of Visual Communication will consider applicants twice a year, and only when openings are available. A very limited number of openings usually occur in each major sequence each academic year. Please call the school to determine the status of transfer openings.
  2. Students transferring with over 90 quarter hours of credit will find it difficult to complete the school's curriculum in two years.
  3. To apply, you must:
    - Have a 3.0 or higher GPA at the time of transfer.
    - Attend a transfer information session held at 10AM on the 4th Friday of fall or winter quarter in 306 Seigfred Hall.
    - If there are openings in the sequence you are seeking, sign up in 301 Siegfred Hall during the 8<sup>th</sup> week for an interview time on the Friday morning of that week.
    - For the interview bring: a current copy of your DARS or transcript, a resume, three letters of recommendation, a statement of intent letter, and a portfolio.
    - Successful applicants will be enrolled conditionally, and then have two consecutive quarters to complete VICO 120 or VICO 140, and JOUR 133 with a grade of C or better before final admission.
  4. Transfer sequence requirements for students inside the School of Visual Communication: Students with 45 to 90 earned quarter credit hours may apply to transfer sequences within the school after meeting with their advisor and making a written request to the school's faculty. Faculty approval and available openings in the requested major sequence are required before students will be allowed to transfer sequences.

## College of Education and Human Services

<http://www.cehs.ohio.edu/>

- A. **Human and Consumer Sciences Education:** E160 Grover Center, 740.593.2880.  
Students interested in transferring to majors in Human and Consumer Sciences Education must have an accumulative GPA of 2.0 or higher and may apply during the first two weeks of each quarter.
- B. **Retail Merchandising and Fashion Product Development**  
Students interested in this major will enter as pre-majors with the code of ND8835 (Pre-Retail Merchandising and Fashion Product Development).
  1. To be admitted into the major, students must apply and be accepted after successful completion of the following admission requirements:
    - "C" or better grade in RFPD 201, and one of: RFPD 150 or RFPD 181 or ART 113 or ART 116
    - MATH 113 or 163A or 263A, ECON 103, ECON 104, PSY 221, ACCT 101
    - cumulative GPA of at least 2.0.
  2. Submit the Retail Merchandising application (available online at [http://www.cehs.ohio.edu/gfx/media/word/RM\\_major\\_application.doc](http://www.cehs.ohio.edu/gfx/media/word/RM_major_application.doc)) by the end of the 2<sup>nd</sup> week of the quarter following successful completion of the admission requirements.
- C. **Teacher Education:** 124 McCracken Hall, 740.593.4400.
  1. Students interested in transferring to Teacher Education majors in the College of Education are required to have a 2.75 accumulative GPA and may apply during the first two weeks of each quarter. Applications are accepted each quarter.
  2. Students who want to take 200-level education classes must be admitted into Professional Education by meeting the following requirements:
    - 45 quarter hrs
    - Praxis I (PPST/CBT) entrance test score or 21 or better on ACT or 990 or better on SAT
    - "C" or better grade in COMS 103, Tier I Math and English, EDTE 150\*, and PSY 101
    - 2.75 overall GPA
    - successful background check

- TB test results
  - completed application for Professional Education
  - \* Note: Students who want Early Childhood should NOT take EDTE 150.
3. Students interested in the **Early Childhood Education** program will enter Ohio University with a pre-major code of ND8837 (Pre-Early Childhood). To be admitted into the major, students must apply and be accepted after successful completion of the following admission requirements:
    - "C" or better grade in PSY 101, COMS 103, Tier I Freshman Composition, EDEC 160, EDEC 160A, EDEC 170, two Math courses 120 or above, one Science course with a lab (BIOL 101 or BIOS 170 or GEOG 101 or GEOL 101 or PSC 101L or PSC 105L or P BIO 100L or P BIO 114 or PHYS 201 or PSC 100 and 140 or PSC 100D and 140)
    - Cumulative GPA of at least 2.75.
    - Students who want Early Childhood should **not take EDTE 150**.
    - Applications for Early Childhood are accepted **once per year**, and the deadline to apply is **June 1**. Applicants will be notified of the outcome of their applications by August 1.
  4. Enrollment in **Special Education** programs is limited. Students who seek admission into Special Education Block 2 courses are subject to additional selective admission criteria beyond the college requirements. The selective admission process includes review of the prospective student's application to Professional Education, academic record and autobiography. Before a student may register for Block 2 courses, a student must be admitted to SELECTIVE ADMISSIONS. The application form can be downloaded from: <http://www.cehs.ohio.edu/academics/te/degree-programs/special-ed.htm>.
  - D. **Recreation and Sport Pedagogy:** E160 Grover Center, 740.593.4656.
    1. Students interested in transferring to majors in Recreation and Sport Pedagogy must have an accumulative GPA of 2.0 or higher and may apply during the first two weeks of each quarter. Physical Education has additional selective admission requirements. Students may enter as pre-majors while completing the requisite courses.
    2. Students interested in the **Physical Education** program will enter Ohio University with a pre-major code of ND8838 (Pre-Physical Education). To be admitted into the major, the students must apply and be accepted after successful completion of the following admission requirements:
      - "C" or better grade in BIOL 101 or BIOS 103, ENG 151, HLTH 202, COMS 103, PESS 126, PETE 202, EXPH 227, PSY 101, one quantitative skills course
      - Cumulative GPA of at least 2.75
      - Submit the Physical Education program application (available from the school office, E160 Grover, or the Program Coordinator) by the 2<sup>nd</sup> week of the quarter following successful completion of the admission requirements.

## College of Engineering and Technology

Ken Sampson ([sampson@ohio.edu](mailto:sampson@ohio.edu)) 178 Stocker, 740-593-1474, <http://www.ohio.edu/engineering/index.cfm>

To transfer into an engineering program, you must have earned a C or better in a math course (113 or higher) and a science course (CHEM 121 or higher OR PHYS 201 or higher) at Ohio University. Students transferring into **Engineering Technology and Management** or **Aviation** are not subject to these admission criteria.

1. You cannot transfer into any major in Russ College if you would be on academic probation after transferring into that major. The probation rules for the College are stricter than those for the University as a whole. In order to not be on probation, you must have a GPA of 2.0 or higher for all courses you've taken in Russ College, and for all courses you've taken in your intended major. You must also have successfully completed all required courses in three attempts and have no required course that you have attempted twice without success (see below).
2. Success means getting a C or C- in some courses. The specific courses that require a C or C- depend on your intended major. An attempt is defined as any time you are enrolled in a course long enough for it to appear on your DARS. Grades of WF and FS count as an attempt.

## College of Fine Arts

Jennings House, 740-593-1808, <http://www.finearts.ohio.edu/>

Students interested in transferring to majors in the College of Fine Arts must have an accumulative GPA of 2.0 or higher and may apply during the first two weeks of each quarter. *n.h.\_11*

- A. **School of Art:** Rosemarie Basile, Assistant Director, 528 Seigfred Hall, 740-593-4288. The School of Art welcomes students transferring from other programs. Admission is based on grade point average. Students transfer in as a BA in Art or Art History during the first two weeks of each quarter.
  1. To apply as a **BA in Art**, you must have a 2.75 minimum accumulative GPA and a minimum of 3.0 in all art classes. If you want Art, it is recommended that you complete at least 3 Foundations courses (from ART 110, 112, 113, 114, 116, 117, 118 and 211) as well as 3 of these art history courses (211, 212, 213, 214) before applying.
  2. To apply as a **BA in Art History**, you must have a 3.0 minimum accumulative GPA and a minimum of 3.0 in art history classes that you have completed. To apply to Art History, it is recommended that you complete AH 211, 212, 213 and 214 before applying.

3. Registration is open to all students for ART 110, AH 211, 212, 213 and 214. Because several programs on campus require the Foundation Studio courses, registration in those classes is restricted during Priority Registration (the first 3 weeks of registration) to students already in a major who require those classes. After that point all remaining seats become available.
  4. Students are strongly encouraged to make an appointment with the Assistant Director for Student Services during priority registration in order to discuss the transfer process, the School of Art programs and requirements, and the possibility of pink-slipping into (getting a permission slip to register for) a Studio Foundations course. A student may not transfer into the School of Art as a senior.
  5. After completing 7 Studio Foundations courses, 3 of the above Art History classes, and 5 200-level program-specific courses, with the minimum GPA's above, a student may choose to apply to the **BFA program** by submitting a portfolio for review in the spring. Those opting not to apply and those not accepted into the BFA program may remain in the BA Art track.
  6. The BFA programs all have two years of sequential coursework upon acceptance into the major. Students who transfer into the School of Art after the first year and intend to apply to a BFA program may find their course of study extended.
  7. **Interior Architecture:** Matt Ziff, W361 Grover Center, 740-593-2869. The Interior Architecture major requires students to begin as B.A. in Art majors and complete the Foundations Studio sequence, (or an equivalent set of courses for transfer students), and then submit a portfolio that contains the visual work done in these courses, at the end of Summer Session I. The portfolio may also contain additional visual work that communicates the skills, knowledge, and aptitude of the student. Interior Architecture faculty review portfolios once each academic year, currently in mid-July. The portfolio review determines the students admitted into the Interior Architecture major each year. If admitted into the major, what follows is a three year sequential studio and support course curriculum that cannot be shortened. Students transferring to Ohio University with previous interior design or equivalent academic course work may, at the discretion of the faculty, be placed further ahead in the studio curriculum.
- B. **School of Dance:** Madeleine Scott, 137 Putnam Hall, 593-1824. Acceptance to the BFA or BA degree programs and to the dance minor in choreography and performance is determined by audition. Please contact the school to arrange for an audition.
- C. **School of Music:** Chris Hayes, Associate Director, Glidden Hall, 593-4244. Students intending to major in music must audition on their major instrument or voice as part of the admission process. An appointment for an audition and information concerning proficiency requirements may be secured by contacting the associate director.
- D. **School of Theater:** Director, School of Theater, Kantner 307, 593-4818. Students must enroll as general theater majors and complete requisite courses before applying for acceptance into the intended major.

## College of Health Sciences and Professions

W370 Grover Center, 740-593-9336, <http://www.ouchsp.org/>

Students interested in transferring to majors in the College of Health Sciences and Professions must have an accumulative GPA of 2.0 or higher and may apply during the first two weeks of each quarter. These majors have additional selective admission requirements: athletic training, exercise physiology, and nursing. Students may enter the selective majors below as pre-majors while completing the requisite courses.

- A. **Athletic Training:** Students begin as pre-majors (ND8142) and must complete the following requirements before applying in spring quarter:
1. "C" or better in: AT 155, 160 & 165 with a cumulative GPA of at least 3.0
  2. Complete BIOS 170 and 171 successfully
  3. Earn at least 45 credit hours
  4. Documented clinical observations
  5. Completion of clinical proficiencies through AT 180A, 180B and 180C
- B. **Exercise Physiology:** Students begin as pre-majors (ND8122) and must complete the following requirements before applying during the first 2 weeks of any quarter:
1. "C" or better in: BIOS 170 and 171, CHEM 121-122-123 or CHEM 151-152-153, MATH 163A or 263A or 266A, EXPH 125, 203, and 348, PHYS 201 with a cumulative GPA of at least 2.0
  2. Bring application form (available in Grover E160 or from program coordinator) and a current DARS in the first two weeks of the quarter following completion of the courses above to the program coordinator in E337 Grover or assigned advisor (if a pre-major). Students outside of the College of Health Sciences and Professions must also submit the Application for Update of Programs.
  3. When transferring a course in the pre-major to Ohio University from another institution, the student must also provide the official transcript to show that a grade of "C" or better was earned for that course.
- C. **Nursing:** Approximately 100 students will be admitted to Nursing from pre-major status (ND1220) each year. Applications are reviewed during spring quarter.

1. Students must complete the following requirements before applying:
    - "C" or better in: CHEM 121-122 or 151-152 (Note: MATH 113 or Math Placement Level 2 is a requisite for chemistry); BIOS 130 and 131; NRSE 101, 102, 103; and 3 of the following courses: PSY 101, SOC 101, COMS 101, PSY 273 or EDEC 160, NUTR 128
    - Application form available at <http://www.ouchsp.org/bachelor-of-science-in-nursing>
    - HESI pre-nursing examination
    - Report of history and physical exam within past 12 months (form available on Nursing website above)
    - Documentation of completion of required immunizations
    - Documentation of completion of recommended immunizations or signed waiver of responsibility
    - Documented results of Mantoux two-step tuberculosis test
    - Report of clear criminal background check
  2. A point system for admission is based on the following: cumulative GPA for all college coursework, cumulative GPA for all required requisite courses listed above, score on HESI pre-nursing exam, work or volunteer experience, written essay, and average score of individual interviews with School of Nursing faculty/staff.
- D. Students interested in **Social Work** will enter with a pre-major code of ND6603 (Pre-Social Work).
1. To be admitted into the major, students must apply and be accepted after successful completion of the following admission requirements:
    - "C" or better grade in SW 102 and 290
    - ENG 151, BIOS 103, PSY 221, PSY 273
    - one course from each of two of these disciplines: ANTH, ECON, POLS, SOC
    - cumulative GPA of at least 2.5
  2. Upon successful completion of the above requirements, students apply to the Social Work major following the guidelines in the Department of Social Work Undergraduate Handbook. Applications are submitted to the Department Administrator by the end of the second week of the quarter following completion of the admission requirements.

## Honors Tutorial College

35 Park Place, 740-593-2723, <http://www.honors.ohio.edu/>

Transfer opportunities in the Honors Tutorial College are limited due to the academic requirements of the college and the tutorial nature of instruction.

1. Ohio University students beyond the freshman year will not be considered for transfer. Freshmen currently on the Ohio University campus must apply by December 1<sup>st</sup> to be considered for transfer into the college. Applications cannot be made on-line. Interested freshmen must contact the college office for guidance (phone: 740-593-2723 or [honors.college@ohio.edu](mailto:honors.college@ohio.edu)).
2. Off campus students who seek to transfer must apply early in their freshman year by the December 1<sup>st</sup> deadline along with other applicants. They should contact the Honors Tutorial College office for guidance (phone: 740-593-2723 or [honors.college@ohio.edu](mailto:honors.college@ohio.edu)).
3. The mission of the Honors Tutorial College is to serve the academic goals of students entering directly from high school. Therefore, non-traditional students are best served by applying to Ohio University's other undergraduate colleges.

## University College

Chubb Hall 140, 740-593-1935, <http://www.ohio.edu/univcollege/degree/index.cfm>

Students interested in transferring into University College must have a cumulative GPA of 2.0 or higher and may apply during the first two weeks of each quarter.

- A. The **Bachelor of Specialized Studies** (B.S.S.) permits students to combine curricula to create a unique field of study. Students design an area of concentration that stands as the equivalent of an established Ohio University major.
1. To enter the BSS program, students must have earned at least 45 hours, have an accumulative GPA of 2.0 or higher, and complete an application.
  2. Students on the Athens campus must attend a B.S.S. Information Session before meeting with a member of the University College advising staff. B.S.S. Information Sessions are offered each quarter.
- B. The **Bachelor of Criminal Justice** requires a completed associate's degree in law enforcement or a related area.
