Tentative Thesis Title:

Thesis proposal: The proposal should be a minimum of 3 pages, including:

- a detailed statement of the problem of the question to be investigated. Provide evidence that the topic is interdisciplinary;
- a statement of the specific objectives of the inquiry;
- a section describing the overall research methodology to be employed and the analytical tools to examine the data;
- a time line for the various stages of the research and writing; and
- a bibliography.

FACULTY ADVISORS

By signing this form, the two faculty advisors consent to serve as the above listed student's BSS departmental honors advisors. (Reference the "Guidelines for Faculty Advisors of BSS Departmental Honors Students" for specific responsibilities.)
