

Curriculum Vitae  
**Michele Morrone, Ph.D.**

*Associate Professor*

Environmental Health Sciences  
School of Health Sciences  
E342 Grover Center  
Athens, OH 45701  
(740) 593-9459  
morrone@ohio.edu

*Director, Environmental Studies*  
College of Arts and Sciences  
*Associate Director for Academic Affairs*  
Voinovich School of Leadership &  
Public Affairs  
Building 21, The Ridges  
(740) 593-9526

**ACADEMIC PREPARATION**

Ph.D., The Ohio State University; June, 1994

Major: *Environmental Planning*

Dissertation: *The Relationship of Values, Knowledge, and Trust to Perception of Risk and Behavior at the Low Level Radioactive Waste Public Hearings in Ohio*

M.S., The University of New Hampshire; December, 1986

Major: *Forest Resources and Community Development*

Thesis: *Land Use Change in a Rapidly Urbanizing Environment: A Case Study of Two New Hampshire Counties*

B.S., The Ohio State University; June, 1984

Major: *Natural Resources*

Registered Sanitarian #2884, January, 2001, expired 2010

Certified in Food Safety by the National Restaurant Association, March 1999

## PROFESSIONAL EXPERIENCE

*Ohio University, Athens, Ohio*

Associate Director for Academic Affairs, Voinovich School of Leadership and Public Affairs, July 2009-present.

Responsible for leading the transition from a Center to a fully functioning academic unit, including curriculum development, faculty evaluation and promotion, budget planning, and student services.

Director, Environmental Studies, June 2006-present.

Responsible for administering the Environmental Studies program which includes an interdisciplinary Master of Science, an undergraduate certificate, and a graduate certificate in environmental sustainability. Responsibilities include managing the Environmental Studies budget which consists of graduate student contracts, operating funds, and external funding sources.

Associate Professor of Environmental Health, July 2003- present.

Responsible for developing and teaching classes, coordinating this nationally-accredited Environmental Health Science program, advising students, and conducting research.

Assistant Professor and Coordinator of Environmental Health Program, August 1998-June 2003.

Responsible for developing and teaching classes, coordinating this nationally-accredited Environmental Health Science program, advising students, and conducting research.

*The Ohio Environmental Protection Agency, Columbus, Ohio*

Chief, Office of Environmental Education, August 1996-July 1998.

Administrator of the Ohio Environmental Education Fund which is a statewide environmental education grant program with an annual budget of \$2 million. Responsible for environmental education programs for Ohio Environmental Protection Agency.

Comparative Risk Project Director, November 1993-July 1998.

Director of the state comparative risk project which is a major environmental planning process involving more than 100 volunteers. Responsibilities include compiling scientific information, coordinating extensive public outreach, training volunteers, providing technical and financial assistance to local governments, and compiling and writing Ohio's first State of the Environment Report.

Environmental Planner, April 1992-October 1993.

Provided technical assistance to municipalities that were undergoing wastewater treatment improvements. Wrote environmental assessments and coordinated with agencies at all levels of government.

*The Ohio State University, Columbus, Ohio*

Graduate Research Assistant, September 1991-April 1992.

Mapped land use and collected water quality samples in the Big Darby watershed.

Assistant to the Editors, *Journal of Planning Literature*, September 1989- July 1991.

Edited manuscripts and abstracts for this quarterly academic publication.

Electron Microscopist, Department of Zoology, June 1988-September 1989.

Managed the microscope facility for the faculty and students. Assisted faculty in research and teaching, prepared specimens for electron microscopy, and developed photographs for use in academic publications.

*City of Upper Arlington, Ohio*

Planning Assistant, March 1987-December 1987

Assisted the planning officer with zoning code compliance in this suburb of Columbus.

*Trust for New Hampshire Lands, Concord, New Hampshire*

Land Inventory Agent, June 1986-November 1986

Identified and mapped land for protection under a multi-million dollar bond issue.

## **SCHOLARLY ACCOMPLISHMENTS**

### **Books**

1. Morrone, M. and Buckley, G. (In press). *Mountain Justice: Case Studies of Environmental Equity*. Athens, Ohio: OU Press (estimated publication date, Fall 2011)
2. Morrone, M. (2008). *Poisons on Our Plates: The Real Food Safety Problem in the U.S.* Westport, CT: Praeger.
3. Morrone, M. & Lohner, T. (2002). *Sound Science, Junk Policy: The Role of the Environmental Health Scientist in Decisionmaking*. Westport, CT: Greenwood Press.

### **Book Chapters**

1. Morrone, M. and Kruse, W. (2011). Housewives from hell: Perspectives on environmental justice and facility siting. In *Mountain Justice: Case Studies of Environmental Equity*, ed. M. Morrone and G. Buckley. Athens, OH: OU Press.
2. Morrone, M. (2008). Environmental Justice and Health Disparities in Appalachia, Ohio: Local Cases with Global Implications. In *Environmental Change and Human Security*:

*Recognizing and Acting on Hazard Impacts*, ed. P.H. Liotta, D.A. Mouat, W.G. Kepner. And J.M. Lancaster. Netherlands: Springer.

3. Morrone, M. (2007). Comparative Risk Assessment. In *Environmental Health Risk Assessment for Public Health*, ed. Robson, M.G. and Toscano, W.A. San Francisco, CA: Jossey-Bass.
4. Morrone, M. (2007). The Ohio Comparative Risk Assessment Project. In *Environmental Health Risk Assessment for Public Health*, ed. Robson, M.G. and Toscano, W.A. San Francisco, CA: Jossey-Bass.
5. Morrone, Michele (2006). Risk and Uncertainty in Decision Making. In *Environmental Leadership Text*, ed. R. Erchul, Lexington, VA: Virginia Military Institute.
6. Morrone, M. (2001). Environmental Health and Aging. In *Aging and Public Health* ed. By G. Lesnoff-Caravaglia. Springfield, IL: Charles C. Thomas.

### **Journal Articles**

1. Morrone, M. and Basta, T. (In review). Framing a National Energy Issue at the Local Level: Economic and Environmental Tradeoffs. Submitted to *Environmental Communication* , September 2010.
2. Morrone, M., Stuart, B., McHenry, J. I., and Buckley, G. (2009). The Challenges of Biofuels From The Perspective Of Small-Scale Producers In Ohio. *Energy Policy* 37: 522-530.
3. Morrone, M., Tres, A., and Aronin, R. (2005). Creating Effective Messages About Environmental Health. *Journal of Environmental Health* 68 (1): 9-14.
4. Morrone, M and Crist, K. (2004). Demographic Differences in Parental Perception of Children's Health. *Journal of Children's Health* 2 (1): 77-86.
5. Morrone, M. and Meredith, J. (November 2003). Underserved Audiences and Environmental Education in Ohio. *Applied Environmental Education and Communication* 2 (4): 203-212.
6. Mancl, K., Carr, K, and Morrone, M. (2003) Profile of Ohio Adults with Low Environmental Literacy. *Ohio Journal of Science* 103 (3): 38-41.
7. Morrone, M. (2003). Skills and Abilities Needed by Environmental Health Professionals in the Public Sector. *Journal of Environmental Health* 65 (6): 9-16.
8. Morrone, M and Rathbun A. (2003). Health Education and Food Safety Behavior in the University Setting. *Journal of Environmental Health* 65 (7): 9-15.
9. Morrone, M., Mancl, K., and Carr, K. 2001. Development of a Metric to Test Ecological

Knowledge as One Component of Environmental Literacy. *Journal of Environmental Education* 32 (4): 33-42.

10. Morrone, M. 2001. K-12 Environmental Health Science Education and the Education Crisis: A Survey of Science Teachers in Ohio. *Journal of Environmental Health* 63 (9): 26-30.
11. Morrone, M. and Ryan, T. 2000. County environmental health in Ohio: Perception and reality. Abstract published in the *Ohio Journal of Science* 100, 1: A-28.
12. Mancl, K., Carr, K., and Morrone, M. 1999. Environmental Literacy of Ohio Adults. *Ohio Journal of Science*, 99. 3: 57-61.
13. Morrone, M. , Mancl, K., and Carr, K. 1999. Adult Environmental Literacy in Ohio. Abstract published in *Ohio Journal of Science*. 99, 1: A-29.
14. Morrone, M. and Hawley, M. 1998. Improving Environmental Indicators through Involvement of Experts, Stakeholders and the Public. *Ohio Journal of Science* 98, 3: 52-8.
15. Morrone, M. Public participation and planning for low-level radioactive waste management: an analysis of public hearings in Ohio. *The Environmental Professional*. Accepted for publication March 1995, journal subsequently stopped publishing.
16. Morrone, M. 1992. Walking a tight rope: Planners and the environmental movement. *Journal of Planning Literature* 7, 1: 100-7.
17. Stetson, D.L., and Morrone, M. 1989. A flow-through staining system for use with multiple EM grids. *Journal of Electron Microscopy Technique* 13: 154-55.
18. Befort, W.A., Luloff, A. E. and Morrone, M. 1988. Rural land use change in a rapidly urbanizing environment. *Landscape and Urban Planning* 16, 4: 345-56.

### **Book Reviews**

1. *Epidemiologic Principles and Food Safety*. Risk Analysis 29 (5): 780-81 (2009).
2. *Fat Rights: Dilemmas of Difference and Personhood*. Law and Politics Book Reviews 18 (8): 706-708 (2008).
3. *Healthy Cities: The Intersection Of Urban Planning, Law And Health*. Law and Politics Book Reviews 17 (7): 569-571 (2007).
4. *Comparative Risk Assessment and Environmental Decisionmaking*. Risk Analysis 26 (1): 290-291 (2006).

5. *A Progressive Agenda for Public Health and the Environment*. Law and Politics Book Reviews 15 (5): 449-452 (2005).
6. *Environmental Politics: Interest Groups, the Media, and the Making of Politics*, Risk Analysis 23 (4): 857-858 (2003).
7. *Water Resources Planning: In Search of an Ethic*. Environment and Planning C: Government and Policy 11 (1): 121-122. (1993).

### **Non-refereed Publications, Technical and Research Reports**

1. Morrone, M. 2006. *Housing, Health and the Environment: 2006 NEHA Sabbatical Exchange*
2. Morrone, M. 2001. Environmental Education and the Science Curriculum. Abstract published in *Proceedings: Environment in Ohio Education: Support through Research*
3. McAfooses, J., Henry, M. A., Morrone, M., and Davis, A. 2001. *Protecting Your Environment: An Interactive CD-ROM*. Produced by Ohio EPA.
4. Morrone, M. 2001. Applied learning: Research and Service. *Environmental Health Food Safety Workshop Final Report*.
5. Morrone, M. and Ryan, T. 2000. Ohio County Health Professionals Assessment and Perception of Environmental and Human Health Conditions. *Ohio Journal of Environmental Health* 50, 1: 19-21.
6. Morrone, M., and Moraud, T. 1997. *Ohio Environmental Education Sites and Resources*. Columbus, OH: Ohio EPA. 144 pp.

17. Befort, W.A., A.E. Luloff, and M. Morrone 1987. *Land Use Change: Strafford County New Hampshire 1953-1982. Research Report 113*. Durham, N.H.: Agricultural Experiment Station.

### **Grant Authorship**

#### *Co-authored, funded grants*

1. *Public Outreach and Support and Solutions to Energy and Environmental Issues at the Gaseous Diffusion Plant in Piketon*, Department of Energy, \$500,000. March 2010.
2. *The Kanawha Environmental Education Project*. Ohio Environmental Protection Agency, \$49,500. August 2008.
3. *The Kanawha Project: Environmental Issues Across the Curriculum*. Internal Ohio University 1804 Grant, \$15,586. July 2007.
4. *A Multiscale Framework for Assessing the Biocomplexity of Materials Use: The Case of Transportation Fuels* with the Ohio State University College of Engineering. National Science Foundation. Total Award: \$1.7 million, OU share: \$42,000. October 2005.
5. *Enhancement of Environmental Health Program Recruiting Strategies*, Association of Environmental Health Academic Programs, \$3,000. November 2004.
6. *Environmental Education in Ohio*, U. S Environmental Protection Agency, Region 5, \$25,000. September 1998.

*Single author, funded grants*

1. *Identification of Skills and Abilities Needed by Environmental Health Professionals in the Public Sector*, Centers for Disease Control and Prevention through the National Environmental Health Science and Protection Accreditation Council, \$2,000, December, 2001.
2. *Research Project to Identify Programs Reaching Underserved Audiences in Environmental Education in Ohio*, Environmental Education Council of Ohio, \$3100. September, 2001.
3. *Environmental Indicators for Northeast Ohio*, U.S. Environmental Protection Agency, Region 5, \$25,000. 1998.
4. *Ohio's Comparative Risk Project*, U.S. Environmental Protection Agency, Regional and State Planning Branch, \$100,000, 1993.

*Co-authored, unfunded grants*

1. *ARRA: Appalachian Ohio Healthy Communities Project*, National Institutes of Health, \$342,000. April 2009.
2. *Energize Ohio*, Ohio Board of Regents, \$454,000. March 2009.
3. *Integrative Model for Reclamation of Abandoned Mines in China and America (IMRAMCA)*, National Science Foundation, \$445,000. February 2009.
4. *Ohio Higher Education Environmental Curriculum Project (OHEEC)*, Sarah Scaife Foundation, \$110,000. April 2008.
5. *Appalachian Ohio Healthy Communities Project*, with Rural Action and OU faculty, National Institutes of Health. Rejected, September, 2005; resubmitted May 2006; decision December 2006—scored but not funded.
6. *An Eco-Region Approach to Public Awareness of Nonpoint Source Pollution*, with the Institute for Local Government Administration and Rural Development, Ohio Environmental Protection Agency, \$242,456. March, 2000.

*Single author, unfunded grants*

1. *CAREER: African Americans in Environmental Health Science Education and Professions*, National Science Foundation, \$499,948, 2001.
2. *A Statewide Initiative to Improve Delivery of Environmental Education to Underserved Audiences*, Ohio EPA, \$39,419. March 2001.

3. *A Statewide Initiative to Improve Delivery of Environmental Education to Underserved Audiences*, OURC, \$3,000., March 2001.
4. *High School Environmental Health Science Education*, National Institutes of Health, \$826,713. April, 2000.

## **Presentations/seminars**

### *Refereed Presentations and Posters*

1. *The Kanawha Project: Environmental Issues Across the Undergraduate Curriculum (poster)*, Association for the Advancement of Sustainability in Higher Education, Raleigh, NC, November, 2008.
2. *Environmental Health Disparities and the Rural Poor*. National Environmental Health Association Annual Meeting, Tucson, AZ, June 2008.
3. *Housing, the Environment, and Health: Off Campus Student Housing (poster)*, National Environmental Public Health Conference, Atlanta, GA, December 2006.
4. *Housing and Health, the 2005 NEHA Sabbatical Exchange*, National Environmental Health Association Annual Meeting, San Antonio, TX, June 2006
5. *Creating Effective Messages About Environmental Health*, National Environmental Health Association Annual Meeting, Providence, RI, June 2005.
6. *Parental Perception of Children's Health*, National Environmental Health Association Annual Meeting, Providence, RI, June 2005.
7. *Risk Communication in a Small Town with a Big Environmental Problem*. Association of Schools of Public Health, Minneapolis, MN, July 2004.
8. *Sound Science, Junk Policy: The Case of Food Irradiation*. Society of Environmental Toxicology and Chemistry, Austin, TX, November, 2003.
9. *Demographic Differences in Parental Perception of Children's Health*. Association of Schools of Public Health, Research Triangle Park, NC, August 2003.
10. *Electronic Delivery of Risk Information: Demonstration of a CDROM Version of Ohio's Comparative Risk Project*. Society of Environmental Toxicology and Chemistry, Baltimore, MD, November, 2001
11. *The Environmental Health Science Education Crisis in Primary Schools in Ohio*. Society of Environmental Toxicology and Chemistry, Baltimore, MD, November, 2001

12. *Environmental Health Science and the Science Education Crisis in Ohio*. Ohio Academy of Science Annual Meeting, Alliance, OH, April 2001.
13. *Using Risk Communication Techniques to Communicate the Biodiversity Message*. Society of Environmental Toxicology and Chemistry, Nashville, TN, November, 2000.
14. With T. Ryan. 2000. County Environmental Health in Ohio: Perception and Reality. Ohio Academy of Science Annual Meeting, Ada, Ohio, April 2000.
15. With K. Mancl and K. Carr. *Global-Local Distinctions in Ecological Literacy of Ohio Adults*. Society of Environmental Toxicology and Chemistry, Philadelphia, PA, Nov. 13, 1999
16. With K. Mancl, and K. Carr. *Adult Environmental Literacy in Ohio*. Ohio Academy of Science, Annual Meeting, Cleveland, Ohio, April, 1999
17. *Public Participation and Planning for a Low-Level Radioactive Waste Disposal Facility*. Association of Collegiate Schools of Planning, October 1995.
18. *The Relationship of Values, Knowledge, and Trust to Perception of Risk and Behavior at the Low Level Radioactive Waste Hearings in Ohio*. (Dissertation Research) Department of Energy, National Low Level Waste Management Program, Communications Working Session, March 1994.
19. *Public Participation in Planning for Low-Level Radioactive Waste Management: An Analysis of Public Hearings in Ohio*" Fifteenth Annual U.S. Department of Energy Low-Level Radioactive Waste Management Conference, December 1993.
20. *The Ohio State Revolving Loan Fund: Small Community Assistance*. Association of Collegiate Schools of Planning, October 1993.
21. *Group Differences in Environmental Perception*. Association of Collegiate c Schools of Planning, October 1992.

*Guest/Keynote Speaker*

1. *Creating a Community Vision at the Portsmouth Gaseous Diffusion Plant*. Southeast Ohio Environmental Health Association, Portsmouth, OH. September, 2010.
2. *Greening the Curriculum*. Southwest Ohio Consortium on High Education, Dayton, OH. February 2010.
3. *Environmental Justice in Appalachia*. Southeast Ohio Environmental Health Association, Marietta, OH. September 2009.
4. *Environmental Health and Nursing*, Sigma Theta Tau Nursing Honor Society, Salve

Regina University, Newport, RI. April 2009.

5. *Poisons on Our Plates*, The Pell Center for International Relations and Public Policy, Newport, RI. April 2009.
6. *Is Science Anti-Environmental?* University of Illinois-Springfield, Earth Day, April 2005.
7. *Skills and Abilities Needed by Environmental Health Professionals in the Public Sector* Illinois Environmental Health Association, March, 2003.

*Non-refereed presentations*

1. *The Kanawha Project: Environmental Issues Across the Undergraduate Curriculum (poster)*, Appalachian Regional Commission Annual Meeting, October, 2009.
2. *Risk Ranking in Ohio*, National Conference for Environmental Professionals, Airlie, Virginia, January 1996.
3. *State Agency Constraints in Implementing Environmental Justice Initiatives*, National Conference for Comparative Risk Practitioners, Colorado, January 1995.
4. *Public Participation in Ohio's Comparative Risk Project*, U.S. EPA CommonSense Initiative, Iron and Steel Producers, Washington, D.C., October 1995

*Invited Panelist*

1. *Environmental Justice in Appalachia Ohio*, Addressing Cancer Health Disparities in Appalachia, Ohio State University Research Seminar, May, 2010.
2. *Sustainability Across Campus: From Facilities to Curriculum*, University System of Ohio Sustainability Conference, Columbus, OH, April, 2010.
3. *Agricultural Policy Panel: Is Ohio Food Policy Sustainable?* Ohio University Earthweek Celebration, Athens, OH, April, 2010.
4. *Environmental Literacy and Higher Education Curriculum*. Southwest Ohio Consortium on High Education, Dayton, OH. February, 2010.
5. *A Pedagogical Approach to Energy and Environmental Sustainability in SE Ohio*, Ohio Appalachian Educators Institute, August, 2009.
6. *The Kanawha Environmental Education Project*, University Clean Energy Alliance of Ohio, Columbus, OH. April, 2009.
7. *Creating Effective Messages About Environmental Health*, Ohio Environmental Health Association (OEHA) Annual Meeting, April 2006; SE OEHA, September 2006; NW

OEHA, October 2006.

8. *A Research Project to Identify Underserved Audiences in Environmental Education in Ohio*, Environmental Education Council of Ohio, Annual Meeting, April 2002.
9. *Skills and Abilities Needed by Environmental Health Professionals in the Public Sector*. National Environmental Health Science and Protection Accreditation Council Workshop, Sponsored by the Centers for Disease Control and Prevention, New Orleans, La., March 2002.
10. *Explaining Risks to the Public*. Manufacturer's Education Conference, Cincinnati, OH, March 2001.
11. *Risk Communication Workshop*. Ohio Alliance for the Environment, Annual Meeting, Columbus, Ohio, October 31, 2000.
12. *Communicating the Biodiversity Message*. Connecting Ohio's Biodiversity Interests—A Collaborative Workshop, December 16, 1999.
13. *Explaining Environmental Risks*. Manufacturer's Education Conference, Cincinnati, Ohio, March 1999
14. *Joining Scientific Assessment of Risk With Public Values*. Indiana Environmental Institute, Indianapolis, IN. February 1995

*Keynote Speaker about Comparative Risk*

1. Science Policy Committee of American Industrial Health Commission, October 1997
2. Water Management Association of Ohio, November 1997, 1996, 1995
3. Ohio Rural Development Association, May 1997
4. Hamilton County Environmental Action Coalition, April 1997
5. Ohio Manufacturer's Association, January 1997
6. Association of Ohio Health Commissioners, September 1996
7. Natural Resources Conservation Service, March 1996
8. Commission for Community Health in Mahoning County, March 1996
9. National Conference of Environmental Practitioners, January 1996
10. Association of Civil Engineers, Central Ohio Chapter, December 1995
11. Ohio Chamber of Commerce, Energy and Environment Committee, December 1995
12. Association of Collegiate Schools of Planning, October 1995
13. Indiana's Governor's Conference on the Environment, September 1995
14. Ohio Environmental Health Association, September 1995
15. Ohio Academy of Science, Annual Meeting, April 1995.
16. Ohio Environmental Health Association, Annual Educational Conference, April 1995;
17. Ohio Chemical Council, Seventh Annual Conference, April 1995;
18. Ohio River Basin Commission, March 1995;
19. Heidelberg College, February 1995

20. Toledo Metropolitan Area Council of Governments, February 1995;
21. Ohio Conference of Women Environmental Professionals, November 1994;
22. Water Management Association of Ohio, November 1995 and 1994;

### **Professional**

Peer reviewer, *Environmental Policy: Air Pollution, Global Climate Change, and Wilderness*, Jossey-Bass, 2010

Promotion and Tenure Dossier Reviewer,  
Bowling Green State University, 2009  
Boise State University, 2009

Scholarship Reviewer, Ohio Academy of Science, 2009

Peer reviewer, *Environmental Health Fund—Israel*, 2009

Peer reviewer, *California Journal of Environmental Health*, 2008-present

Editorial Board, *Environmental Health Insights*, 2008-present

Peer Reviewer, Ohio Environmental Education Fund, 2002-present

Member, Ohio River Basin Consortium for Education, 2006-2008

Program for Excellence in Environmental Health (PEEH) Advisory Council, (through Ohio State University School of Public Health), 2002-2006

Chair, National Environmental Health Science and Protection Accreditation Council, 2002-2004 (Secretary, 2001-2002), member 2001-2006

Trustee, Ohio Academy of Science, 1996-2003

Chair, Steering Committee for Ohio EE 2000, 1999-2002

Expert Panel of Comparative Environmental Risk Management, American Chemical Council, June 2000

Vice Chair, Ohio Environmental Education Fund Advisory Board, 1998-2000

Board Member, National Audubon Society, Ohio Chapter, 1998-2000

U.S. EPA Expert Panel on Risk Characterization, 2000

U.S. EPA Expert Panel on Comparing Risks in Drinking Water, 1997  
National Environmental Health Association (NEHA), member, 1999-2006  
NEHA, Subcommittee Chair, Environmental Health Education Committee, 1999

### **Community service**

Liberty Union Music Boosters, 2004-present; treasurer, 2007-2010  
Co-chair of Liberty Union School Levy Campaign, 2002, 2003, 2004  
Liberty Union Elementary School Boosters, 1998-2002  
Strategic Planning Committee, Liberty Union School District, 2000-2002  
Appalachian Cove Advisory Committee, 1998-99  
Union County Health Department Volunteer, 1997  
Upper Arlington Mentor Program, 1996  
Judge, Ohio State Science Fair, 1993, 1994, 1995, 1997, 1998

### **University**

College of Health and Human Services Restructuring Committee, 2010  
Vision Ohio Steering Committee, 2009-present  
University Curriculum Council, 2009-2011  
President's Advisory Council on Sustainability Planning, 2009-present  
Review Committee for OU Cartographic Center, May 2009  
Communication and Development Studies Faculty, 2008-present  
Judge, Undergraduate Research Expo, 2008  
University Interdisciplinary Council, 2007-2010  
Voinovich School Senior Leadership Group, 2006-present  
Member, OU Consortium for Energy, Economics, and Environment, 2006-present  
Member, School of Health Sciences Promotion and Tenure Committee, 2004-present  
Chair, School of Health Sciences Promotion and Tenure Committee, 2006-present  
Member, Ohio University Tropical Disease Institute, 2007-present  
Faculty mentor, New Faculty Orientation, 2005, 2006  
Chair, Child Development Center Review, 2006  
CHHS Dean's Evaluation Committee, 2006  
CHHS Teaching Evaluation Committee, 2004-2006  
Chair, Curriculum Committee, School of Health Sciences (SHS), 2002-2006  
Chair, Search Committee for Community Health faculty, 2004-2005, 2005-2006  
University Graduate Stipend Enhancement Committee, 2005  
Chair, Professional Enhancement Committee, SHS, 2002-03  
Search Committee for Director of School of Health Science, 2000-01  
Advisory Committee, Master of Science in Environmental Studies, 2000-present  
Search Committee for Dean of College of Health and Human Services, 1999  
Search Committee for Faculty in Health Education, 1999  
Library Representative, SHS, 1998-2003  
Graduate Student Committee, SHS, 1999-2000  
Professional Development Committee, SHS, 2000-02  
Undergraduate Committee, SHS, 1999-2000, 2001-02

## **Awards/ Recognition**

Guest Coach, Ohio University Women's Volleyball Team, November, 2009  
Ohio University in the Media, Top 10 University Spokespersons, 2009  
College of Health and Human Services Exemplary Teacher Award, 2009  
Finalist for University Professor teaching award, 2007-08 and 2008-09  
Outstanding Teacher for School of Health Sciences (student-nominated), 2004-2005;  
2005-2006  
Director's Award for Research and Scholarly Activities, School of Health Sciences,  
2004, 2005, 2006, 2007  
Director's Award for Teaching and Advising, School of Health Sciences, 2003, 2008  
National Environmental Health Association, Sabbatical Exchange Award, 2005  
Faculty Fellow, Voinovich Center, 2002-present  
President's Award, Environmental Education Council of Ohio, 1997.

## **INSTRUCTION**

### **Ohio University, Athens, OH**

Environmental Studies Graduate Seminar  
Introduction to Environmental Health  
Environmental Health Planning and Program Administration  
Food Quality Control  
Institutional Environmental Health  
Solid and Hazardous Waste Management  
Environmental and Occupational Health and Safety Regulations  
Shelter Environments  
Risk Communication

### **Denison University, Granville, Ohio**

Environmental Risk Assessment, 1997. Adjunct Professor for this 300-level environmental studies course; developed this new course for fall 1997.

Environmental Policy and Problem Solving, 1996, 1997, 2001. Guest lecturer.

### **Otterbein College, Westerville, Ohio**

Environmental Studies, 1997. Adjunct Professor.

### **The Ohio State University, Columbus, Ohio**

Preventative Medicine, 1997. Guest lecturer for undergraduate course and professional development course on risk assessment.

Public Policy, 1996. Guest lecturer for graduate level environmental policy class.

Environmental Planning 1995 and 1996. Guest lecturer for graduate level course in environmental planning.

Introduction to Planning, 1992, 1994, 1995, 1996. Guest lecturer for undergraduate introductory course.

Microcomputers in City and Regional Planning, 1990 and 1991. Principal instructor for this course that applies database management and spreadsheets to planning situations.

Planning for Housing, 1991 and 1993. Principal instructor for this undergraduate course that focuses on the meaning of housing, housing markets, and housing policy.
