

# UPDATE ON PARKING!

- Members must now obtain their WellWorks parking permit at **Parking Services** – **NO FEE!** **M-F 7:30am-4:30pm**
- **WellWorks will no longer be able to issue passes.** When you renew your membership, we will give you a “**Member Verification card**” to take to Parking Services to obtain your parking permit.
- Each eligible\* member must go to Parking Services in person to obtain their permit. You cannot have someone else pick up a permit for you. *\*No OU Employees or OU Students*
- **RENEW EARLY:** Members might consider renewing a few days early so you can get a new permit before your current tag expires on the **FIRST** of the month.
- **EXPIRED PERMITS:** If your current permit has already expired, please use a meter when you come in to renew and get your Member Verification card.
- **OU RETIREES** can now get a WellWorks permit at Parking Services – **NO FEE!** (However, you must chose ONE—either an OU Retiree permit OR a WellWorks permit. You cannot have BOTH.)
