Students may also access the application form and pay the application fee online at www.ohio.edu/admissions/apply.

Step 2:

Applicants who are currently in high school, have been out of high school for less than one year, or who are transfer students with fewer than 20 semester hours or 30 quarter hours of college work, must request high school transcripts be sent to Undergraduate Admissions directly from the high school. Transfer applicants must request official copies of transcripts from **all** attended post-secondary institutions be sent directly to Undergraduate Admissions.

Step 3:

If applicants have not been out of high school for more than one year, they must submit standardized test results, either SAT or ACT. Undergraduate Admissions prefers that test results be sent directly from the testing agencies. OHIO's ACT code is 3314, and the SAT code is 1593.

Scholarships and Financial Aid

Financial Aid for U.S. Citizens and Permanent Residents

Ohio University participates in all federal and state financial aid programs, which require U.S. citizenship or permanent residency status for consideration. The Free Application for Federal Student Aid (FAFSA) is required for need-based financial aid and need-based scholarship consideration. OHIO's school code for the FAFSA is 003100. Visit www.ohio.edu/financialaid or call 740.593.4141 for more information.

Freshman Scholarship Information

Complete applicants (all required materials received by the deadline) by December 1, 2016, will receive priority consideration for direct entry to academic programs, merit scholarship programs, and University honors experiences. Scholarship decisions will be based on academic record (class rank, GPA, ACT/SAT). The highest standardized test score and high school GPA (weighted or unweighted) received by Ohio University by January 15, 2017, will be considered in determining eligibility for scholarships. The composite score of the ACT or the combined math and evidence-based reading and writing scores on the SAT will be considered. Undergraduate Admissions will consider both new SAT and old SAT scores. While we will continue to superscore (combine subscores from multiple test dates) across the same version of the SAT, we will not superscore between the new SAT and old SAT. ACT writing and SAT essay scores are not considered in the review process for scholarships.

No separate form is required for consideration for OHIO merit-based academic scholarships; however, some awards have a need-based component. OHIO must receive your FAFSA results by January 15, 2017, for priority consideration for these need-based awards. The Office of Student Financial Aid and Scholarships will notify students who are eligible to receive an academic scholarship.

Campus Visits

Ohio University offers a variety of campus visit options to meet students' needs. Information sessions and guided walking tours are available Monday through Friday and most Saturdays throughout the year. Visitors can schedule online at www.ohio.edu/admissions/visit or by calling 740.593.4100. Two weeks notice is recommended.

Applications are reviewed individually to provide a careful evaluation of academic preparation. View guidelines used to evaluate first-year applicants to more selective academic programs at www.ohio.edu/admissions/apply/instructions/freshman-selective.cfm.

Freshman Deadlines

Fall Early Action Deadline*	December 1
Fall Rolling Admission Deadline	February 1
Spring Rolling Admission Deadline	December 1
Summer Rolling Admission Deadline**	February 1

*Complete applicants (all required materials received by the deadline) will receive priority consideration for direct entry to academic programs, merit scholarship programs, and University honors experiences.

**In most cases, freshmen applying from high school will not be considered for direct admission to the summer term. Please note that entering in summer prevents freshmen from fully participating in Bobcat Student Orientation, disqualifies them from consideration for most scholarships, and may affect the financial aid award offer.

Admissions Tests

Freshman applicants must take either the ACT or SAT. Undergraduate Admissions strongly encourages taking the optional writing portion of the test. The composite score of the ACT or the combined math and evidence-based reading and writing scores on the SAT will be considered. Undergraduate Admissions will consider both new SAT and old SAT scores. While we will continue to superscore (combine subscores from multiple test dates) across the same version of the SAT, we will not superscore between the new SAT and old SAT. ACT writing and SAT essay scores are not considered in the review process for scholarships. For those who have been out of school for more than one year, test scores are not required unless specifically requested by Undergraduate Admissions. Ohio University requires that scores be sent directly from the testing agency. Ohio University's ACT code is 3314, and our SAT code is 1593.

Essay

Applicants who have been out of high school for more than one year must submit an essay detailing activities since graduation.

Applicants to the E.W. Scripps School of Journalism are encouraged, though not required, to submit an essay detailing how they want to help shape the future of journalism.

Applicants to the Honors Tutorial College (HTC) must answer three essay questions on the HTC application supplement.

For all other applicants, the essay is optional. If an applicant chooses to submit an optional essay, potential topics could include describing any academic challenges the applicant has faced, the applicant's academic and career objectives, or the applicant's involvement in community affairs. Recommended length is 250-500 words.

Other Optional Application Materials

Applicants may choose to submit additional application materials with the application form. Optional application materials could include teacher or counselor recommendations; lists of extra-curricular activities or employment; and/or descriptions of honors, awards, and achievements. The applicant's full name should be clearly displayed on any supplemental documentation.

Honors Tutorial College, Priority Date December 1

No separate application form is required for admission to the School. If an applicant is not offered direct admission to the School of Journalism but is admitted to the University, the applicant may still be eligible for other available programs in the Scripps College of Communication. An applicant may also enter University College as an undecided student or select another major for which he or she may qualify. Most admitted students not offered direct admission to Journalism may appeal the decision. If applicable, information on other available majors and appeal instructions will be included in the decision letter. For more information about the School, visit www.scrippsjschool.org.

Honors Tutorial College

The Honors Tutorial College (HTC) offers a nationally distinctive undergraduate education based on the British tutorial model developed at Oxford and Cambridge universities. Tutorials consist of courses taught either one-on-one with a student and a professor or a very small seminar consisting of several HTC students and a professor. In general, HTC students take one tutorial per academic semester along with a mix of traditional courses. An education grounded in this approach provides for exceptional faculty contact, substantial mentoring, and heightened intellectual development. Success in a tutorial program also requires a high degree of maturity, self-motivation, curiosity, and mental energy. To learn more about HTC, applicants should visit www.ohio.edu/honors and read the information in the Future Students section.

Application Process

Applicants must submit a complete application (form, fee, transcript, test scores, and HTC supplemental essays) by December 1, 2016, for priority consideration. On the Ohio University application form, be sure to check the box indicating that you are applying to the Honors Tutorial College and use the major codes specifically designated for HTC degree programs.

The College is highly selective, typically enrolling only 60 students each year across all of its programs of study. **For best consideration, it is recommended that applicants submit two letters of recommendation and any of the additional admission materials listed by program of study below.**

Complete applications received by December 1 will be reviewed by Undergraduate Admissions and HTC to determine whether the application will be forwarded to the Director(s) of Studies (faculty members responsible for administering each program of study) for further review. After December 1, 2016, Directors of Studies will select candidates for required on-campus interviews. Applicants who do not receive an invitation to interview for an HTC program automatically will be reviewed for admission to the appropriate OHIO college. **Because of the nature of a tutorial education, an on-campus interview with Directors of Studies and faculty tutors is required.** Interview dates are tentatively scheduled for January 14 and 21, 2017. Applicants will be assigned an interview date. Applicants interviewing in HTC music, dance, or performance theater will audition on Interview Day. After interviews are completed, offers of admission will be sent to selected applicants by mid-February. Interviewees who are not offered admission to an HTC program will automatically be reviewed for admission to the appropriate OHIO college.

Recommended Additional Admission Material

Historically, applicants have been able to provide better insight into their abilities by choosing to submit the optional materials below. Applicants who do not submit two letters of recommendation and the additional materials listed below by December 1 may be contacted and asked to submit them at a later date. Applicants should not send original artwork or other "one-of-a-kind" materials. Because of the number of applications received, it will not be possible to return materials.

Honors Tutorial Applicant Supplement

APPLICATION EARLY ACTION DEADLINE: DEC. 1, 2016

Please complete this section only if you are applying to the Honors Tutorial College.

Last Name _____

First Name _____

Social Security Number _____

Although the standard Ohio University application allows application to only one program, Honors Tutorial College applicants may apply for two programs of study. Note: Only apply for a program if you are seriously interested in pursuing that field of study. Applying for more than one program does not increase your chances of being accepted into the Honors Tutorial College. Honors Tutorial College does not offer an undecided option. All applicants must apply and be admitted to a specific program of study.

Honors Tutorial College Program(s) of Study for which you are applying:

Essay Questions

Please respond to each of the questions below on a separate piece of paper. Be sure to include your full name and social security number on each page. Your responses to these questions will be considered by all individuals involved in the Honors Tutorial College admission process. What and how you communicate are important in helping us determine if a tutorial education is the best fit for you. While it is acceptable to ask someone to review your answers for feedback, the writing and ideas should be your own. If you are applying to two programs of study, be sure to answer all essay questions appropriately for each program. Recommended word count is 500 words per essay.

1. Please explain why you have chosen your particular program(s) of study.
2. We expect that one reason you seek a tutorial education is for the one-on-one interaction with faculty, but other than that, what interests you about pursuing a tutorial-based undergraduate education? What aspects of your education and life experience have prepared you for a tutorial education with its emphasis on research and creative activity?
3. Please elaborate on an aspect of your admission materials or share additional information about your past successes or challenges.
