Freshman Applicants

To be competitive for admission, you must complete secondary school in a college-preparatory program and receive grades equivalent to "B" (very good) or better in most of your academic program. Applications are reviewed individually to provide a careful evaluation of your academic preparation.

Secondary School Completion Requirements
If graduating from a US-style system, graduation with college preparatory courses from an accredited high school is required. In British-style systems, completion of at least six GCSE exams graded C or higher, including English (or the language of instruction), mathematics, social, and laboratory science is required. Credit is considered for A-level examinations. If your coursework was completed in other types of systems, visit www.ohio.edu/admissions/international for requirements.

Admissions Tests
SAT or ACT examination results are required only if you want to be considered for first-year student scholarships. Ohio University requires that scores be sent directly from the testing agency. Ohio University’s ACT code is 3314 and the SAT code is 1593. SAT or ACT results are strongly encouraged for applicants to the E.W. Scripps School of Journalism.

Optional Essay
Unless you meet one of the criteria below, an essay is not required. If you would like to submit an optional essay, the topics that you may wish to address could include a description of any academic challenges you have faced, your academic and career objectives, or your involvement in community activities.

An essay is required if one of these criteria applies to you:
- You are applying to the E.W. Scripps School of Journalism. Your essay should detail why you want to study journalism at Ohio University.
- Honors Tutorial College applicants should follow instructions detailed in the following section.
- You have been out of school for more than 3 months at any time. You must list all activities undertaken during this period on the application or in the optional essay. The list must account for all activities completed or planned up through your intended enrollment date.

Honors Tutorial College Priority Date Dec. 1
In addition to your application completion priority date of December 1, you also are required to submit the Honors Tutorial College Application Supplement, available at www.ohio.edu/admissions/forms as part of the online application. Students applying to the Honors Tutorial College are strongly encouraged to submit an ACT or SAT score. An interview, typically in January preceding the fall term you wish to enroll, is required for admission. Students who apply to the Honors Tutorial College but are not selected for admission to that program will be automatically considered for a similar major in another academic college.

Honors Tutorial Applicant Supplement

APPLICATION PRIORITY DATE: DEC. 1, 2017

Please complete this section only if you are applying to the Honors Tutorial College.

Last Name ____________________________________________

First Name ____________________________________________

Social Security Number __________________________________

Although the standard Ohio University application allows application to only one program, Honors Tutorial College applicants may apply for two programs of study. Note: Only apply for a program if you are seriously interested in pursuing that field of study. Applying for more than one program does not increase your chances of being accepted into the Honors Tutorial College. Honors Tutorial College does not offer an undecided option. All applicants must apply and be admitted to a specific program of study.

Honors Tutorial College Program(s) of Study for which you are applying:

Essay Questions

Please respond to each of the questions below on a separate piece of paper. Be sure to include your full name and social security number on each page. Your responses to these questions will be considered by all individuals involved in the Honors Tutorial College admission process. What and how you communicate are important in helping us determine if a tutorial education is the best fit for you. While it is acceptable to ask someone to review your answers for feedback, the writing and ideas should be your own. If you are applying to two programs of study, be sure to answer all essay questions appropriately for each program. Recommended word count is 500 words per essay.

1. Please explain fully why you have chosen your particular program(s) of study.

2. We expect that one reason you seek a tutorial education is for the one-on-one interaction with faculty, but other than that, what interests you about pursuing a tutorial-based undergraduate education? What aspects of your education and life experience have prepared you for a tutorial education with its emphasis on research and creative activity?

3. Please elaborate on an aspect of your admission materials or share additional information about your past successes or challenges.
