Students who do not meet Ohio University's English proficiency requirements to begin full-time academic study. The English proficiency requirements may still be conditionally admitted to Ohio University.

Conditionally admitted students will be required to attend classes in the Ohio Program of Intensive English (OPIE) until they reach the required level of English proficiency to begin full-time academic study.

Freshman (first-year) students: If you have completed less than one year of university coursework, then a 3.0 GPA on high school coursework is also required. If you have completed 50 percent or more of a primary and secondary, college-preparatory program in your country, you may choose to pursue a different major. However, you may choose to pursue a different major. If you have completed 50 percent or more of a secondary school program, you may choose to pursue a different major.
