Bachelor of Technical & Applied Studies Pathway

The Bachelor of Technical and Applied Studies (BTAS) is intended for students who have already completed an applied associate’s degree program from an accredited community college, regional campus, or technical college, and who wish to pursue a baccalaureate degree. The BTAS builds upon the technical skills developed within applied associate degree programs by providing the knowledge and professional skills necessary for career advancement.

Select OHIO courses to meet requirements not satisfied by selections at Clark State Community College.

Not all courses will be made available through eCampus or online. Please work with your advisor to determine appropriate courses.

Refer to the OHIO catalog for course prerequisite information: [www.catalogs.ohio.edu](http://www.catalogs.ohio.edu)

The information on this guide is based off of the catalog requirements posted in the 2017-2018 Ohio University catalog and related Clark State equivalents as of the Last Updated date. All information is **subject to change without notice**. Students are responsible for tracking their degree completion on their DARS and are encouraged to work with an Ohio University academic advisor in their degree planning. Courses are subject to availability at each institution. It is suggested that students meet with an advisor to discuss course selection based on offered options.
