Bachelor of Science in Communication in Applied Communication Pathway

The Scripps College Bachelor Degree Completion Program in Applied Communication is ideally suited for professionals in a variety of public, non-profit, and organizations who have positions that emphasize internal and external communication. The program cross-trains individuals in visual, written, and oral communication, emphasizing both practical application and theory-based communication strategy. The major will is specifically tailored for individuals who have already completed an associate degree that will translate to Ohio University general education requirements. The program is delivered in a flexible online format, requiring no face-to-face meetings.
