Ohio University
Bachelor of Technical Operations Management Online Program

The Bachelor of Technical Operations Management (BSTOM) is intended for students who have already completed an applied associate’s degree program from an accredited community college, regional campus, or technical college, and who wish to pursue a baccalaureate degree. The BSTOM program builds upon the technical skills developed within applied associate degree programs by providing the knowledge and professional skills necessary for career advancement.

Online Convenience. Ohio University Quality.

- Review study materials and submit assignments online.
- Learn from distinguished professors.
- Progress through the degree in consultation with an Ohio University academic advisor.

Admission Requirements

- Completed technical associate degree (AAS, AAB or ATS) from a regionally accredited college or university.
- Completed an approved minimum of 15 semester hours of technology-based or management coursework
- Combined 2.0 gpa from all prior college-level coursework.
- Official transcripts sent directly to Ohio University from all colleges and universities you have attended.

Application Information

Apply online https://www.applyweb.com/ohiolife/ ($25 non-refundable application fee due at application)

Submit all college-level transcripts to:

The information on this guide is based off of the catalog requirements posted in the 2015-2016 Ohio University catalog and related Lorain County Community College equivalents as of the Last Updated date. All information is subject to change without notice. Students are responsible for tracking their degree completion on their DARS and are encouraged to work with an Ohio University academic advisor in their degree planning. Courses are subject to availability at each institution. It is suggested that students meet with CPM/Advisor to discuss course selection based on offered options.
