Ohio University
Bachelor of Technical & Applied Studies partnership

The Bachelor of Technical and Applied Studies (BTAS) is intended for students who have already completed an applied associate’s degree program from an accredited community college, regional campus, or technical college, and who wish to pursue a baccalaureate degree. The BTAS builds upon the technical skills developed within applied associate degree programs by providing the knowledge and professional skills necessary for career advancement.

Online Convenience. Ohio University Quality.

- Review study materials and submit assignments online.
- Learn from distinguished professors.
- Progress through the degree in consultation with an Ohio University academic advisor.

Admission Requirements

- Completed technical associate degree (AAS, AAB or ATS) from a regionally accredited college or university or 60 total credit hours including 24 related technical hours.
- Combined 2.0 gpa from all prior college-level coursework.
- Official transcripts sent directly to Ohio University from all colleges and universities you have attended.

Application Information

Apply online: https://www.applyweb.com/ohiolife/ ($25 non-refundable application fee due at application)

Submit all college-level transcripts to:

Select OHIO courses to meet requirements not satisfied by selections at Owens Community College.

Not all courses will be made available through eCampus or online. Please work with your advisor to determine appropriate courses.

Refer to the OHIO catalog for course prerequisite information: www.catalogs.ohio.edu

*Italicized courses are pending approval

The information on this guide is based off of the catalog requirements posted in the 2016-2017 Ohio University catalog and related Owens Community College equivalents as of the Last Updated date. All information is subject to change without notice. Students are responsible for tracking their degree completion on their DARS and are encouraged to work with an Ohio University academic advisor in their degree planning. Courses are subject to availability at each institution. It is suggested that students meet with an advisor to discuss course selection based on offered options.
