The Bachelor of Criminal Justice (BCJ) is intended for students who have already completed an applied associate’s degree program in the criminal justice field from an accredited community college, regional campus, or technical college, and who wish to pursue a baccalaureate degree. The guiding premise of the program is that the criminal justice system in America can be improved by providing a high-quality, liberal education to career-minded men and women. Upon graduation, you will have the opportunity for employment in law enforcement agencies, government agencies, and juristic and correctional agencies on the local, state, and federal levels, or in the private sector.
