Ohio University
RN to BSN Online Program

The Ohio University School of Nursing RN to BSN program is designed especially for registered nurses (RNs) who want to further their education and advance their career by earning a bachelor's degree in nursing (BSN). We realize that nurses juggle multiple demands — career, family and classes — and carving out time to drive to campus and sit for a lecture can be a challenge. The online RN to BSN program provides flexibility to earn a valuable degree through anytime anywhere learning.

Online Convenience. Ohio University Quality.

- Start your RN to BSN courses regardless of how many prerequisites you have completed.
- Review study materials and submit assignments online.
- Learn from distinguished professors while having the daily support of an academic coach.
- Complete each nursing course in only 5 weeks using our media-rich online learning system.

Admission Requirements

- Hold a current license to practice as a registered nurse. You will be asked to provide your license number when you apply.
- Earned a state approved, regionally accredited associate degree or diploma program in nursing.
- Students must also have native or transfer credit for ENG 1510 to be admitted to the major. Otherwise, students will be reviewed for the pre-major.
- Combined 2.0 GPA from all prior college-level coursework.
- All official transcripts submitted to Ohio University at the time of application.
