The Ohio University School of Nursing RN to BSN program is designed especially for registered nurses (RNs) who want to further their education and advance their career by earning a bachelor's degree in nursing (BSN). We realize that nurses juggle multiple demands — career, family and classes — and carving out time to drive to campus and sit for a lecture can be a challenge. The online RN to BSN program provides flexibility to earn a valuable degree through anytime anywhere learning.

Online Convenience. Ohio University Quality.

- Start your RN to BSN courses regardless of how many prerequisites you have completed.
- Review study materials and submit assignments online.
- Learn from distinguished professors while having the daily support of an academic coach.
- Complete each nursing course in only 5 weeks using our media-rich online learning system.
- Credits from your associate degree program at Tri-C can be applied toward BSN degree requirements (details on reverse).

Admission Requirements

- Hold a current license to practice as a registered nurse. You will be asked to provide your license number when you apply.
- Earned a state approved, regionally accredited associate degree or diploma program in nursing.
- Students must also have native or transfer credit for ENG 1510 to be admitted to the major. Otherwise, students will be reviewed for the pre-major.
- Combined 2.0 gpa from all prior college-level coursework.
- Official transcripts sent directly to Ohio University from all colleges and universities you have attended.
