OHIO IS AN EXCELLENT VALUE

As the state's Best Value Public University, according to U.S. News & World Report, Ohio University takes value seriously. We are dedicated to college accessibility and offer online tuition rates that are significantly lower than the rates of many comparable universities.

Online courses are offered at these tuition rates:

- **\$332 per credit hour for Ohio residents**
- **\$337 per credit hour for non-Ohio residents**

Rate is a combination of the instructional and the general fees. Courses offered by OHIO's Athens and regional campuses may have different tuition/fee structures.*
