

Belmont College – Ohio University Plan

Ohio University Associate of Technical Study Program Pathway (AS5513)

Belmont College HVAC Certificate to OHIO A.T.S. Professional Pathway (Type A)

If you wish to pursue a two-year program of study in a field other than those available through one of the other Ohio University associate degrees, you may design your own program of study to meet particular goals through the Associate of Technical Study (A.T.S.) Type A degree program. This program can be used to design an individualized associate degree for a specialized career objective and may recognize work previously completed in certificates. The A.T.S. is available to students registered through the Chillicothe, Lancaster, and Southern campuses.

The A.T.S. (Type A) coursework is collaboratively selected by the student and ATS advisor and may involve faculty from selected content areas as subject matter experts. A planned course of study that is approved by the faculty consists of a coherent combination of 30 credits from at least two content areas and must be aligned to meet a clearly identifiable career objective which would not be adequately addressed by an existing program. Use of transfer credit would depend on appropriateness to the career objective and as approved by the Technical Study Review Committee.

Students completing the A.T.S. may choose to continue their education with credits being selected so as to be applicable to the Bachelor of Technical Studies, Organizational Studies (B.T.A.S.) that builds their credentials to support leadership roles related to their A.T.S. field of study. (Students using this program design generally have not earned credit as specified in the Ohio Career-Technical Credit Transfer (CT)² that would be used in an A.T.S. (Type B) program. See Catalog for A.T.S. Type B program requirements and work with a program advisor on details.)

Admission Requirements

- No additional requirements beyond University admission requirement for freshman or transfer admission.
- Transfer applicants must have a cumulative grade-point average of a 2.0 or higher from all institutions previously attended to be considered for admission.
- Official transcripts and certificates of completion must be sent directly to Ohio University from all colleges, universities, and career centers you have attended.

Application Information

Apply online ohio.edu/admissions/apply

Students can complete this program through one of OHIO's regional campuses or OHIO Online.

Disclaimer:

The information on this guide is based on the catalog requirements posted in the 2025-2026 Ohio University catalog and related Belmont College equivalents as of the Last Updated date. All information is subject to change without notice. Students must complete a minimum of 120 total semester hours, are responsible for tracking their degree completion on their DARS, and are encouraged to work with an Ohio University academic advisor in their degree planning. Courses are subject to availability at each institution. It is suggested that students meet with an advisor to discuss course selection based on offered options.
